Ford Co The egg movement into storage has become quite general. Reviewing the fruit and vege-

table situation, the Portland Bument of agriculture says: "Lettuce shipments from the Imperial valley continue very heavy, with volume of loadings during the last two weeks unprecedented in the history of the valley. The tremendous consuming capacity of the American public, for this product, is shown in yesterday's shipping-point report of 'market firm for best stock," with prices slightly higher than former levels. At Portland, good fresh lettuce is selling to retailers at \$3.00 per crate, while older, wilted stock is cleaning up at a 50 per cent discout."
