

# WE BELIEVE IN SALEM

THE FIRMS WHOSE NAMES ARE ATTACHED TO THIS PAGE HAVE COMBINED THEIR EFFORTS BEHIND A CAMPAIGN TO SELL SALEM AT HOME AND TO THE OUTSIDE WORLD.

## Supporting the Salem Chamber of Commerce Means Concentration of Effort for Building Up the City

Achievements of Permanent Nature  
Continued from Page 4

### Winter Climate Is Temperate Here

Salem climate ought to be sold in large chunks to people who live in less favored climes. The only criticism made of Salem's climate is that it rains here. But that rain comes during the winter months the summers being uniformly dry. Our total annual rainfall is no larger than a great many cities on the eastern coast or in the Mississippi valley. Even in the winter time our comparative rainfall records are not bad.

The last bulletin of the Salem chamber of commerce gave some interesting information about comparative temperatures and figures on rainfall. This comparison is for the month of February covering the average of a

City	Average Temperature	Average Rainfall
SALEM	43 above	4.6 in.
Memphis	44	4.4 in.
Oklahoma City	40	1.1 in.
New Orleans	57	4.2 in.
New York City	51	3.8 in.

St. Louis	35	2.6 in.
Washington	35	2.3 in.
Jerusalem	47	5.0 in.
London	40	1.6 in.
Paris	38	1.1 in.
Rome	47	2.3 in.

term of years. Here are the figures; study them for yourselves and see how Salem's winter climate compares favorably with that of other cities.

"If you want to know the average rainfall and average temperature for February of other important cities in the world besides Salem, just read the following:"

City	Average Temperature	Average Rainfall
