BUTTER PRICE IS HOLDING STEADY

Sperry Lowers Price Bakers' Flour 20c Barrel

PORTLAND, March 20.—20. —(AP)—Butter prices were unchanged and firm today. Egg values also looked firmer, but quotations were undisturbed.

The Sperry Flour company has reduced the price of bakers' flour 20c a barrel and made reductions in all classes of mill and feedstuffs.

Reviewing the fruit and vegetable situation, the Portland bureau of the United States department of agriculture says:

"The wholesale fruit and vegetable market was generally strong, with a few price advances, and no recessions. Cauliflower advanced a dime, to $1.85 per crate. Roseburg "flower' sells at the same price as California stock, although the latter is generally considered more desirable, on account of its greater uniformity.

"The lettuce market is firm at $2 to $3.25 per crate to retailers. An abundance of track holdings, many of which show advanced maturity, is keeping the lettuce market from advancing more rapidly. Lettuce is selling at Imperial Valley points today at about the same price as at Portland. With a freight rate of about $1.00 per crate, higher priced lettuce is indicated, next week. Lettuce shipments from the Imperial Valley declined from 265 cars daily last week, to about 100 cars daily, now.

"The demand for apples continues to emphasize cheap, ungraded sorts—which are becoming increasingly difficult to obtain. Movement of graded classes is only moderate, at unchanged prices. Several hundred boxes of apples were loaded for export to Honolulu this week, in addition to the customary European forwardings.
