Witness Urges Calling Council of Governors and Civic Leaders

(Continued from Page 1.)

statement from Mrs. Nellie Burger of Springfield, Mo., president of the Missouri Woman's Christian Temperance union, in which she declared that prohibition had brought relief to hundreds of families who never before knew anything about grinding poverty. She added that prohibition had not been the cause of crime increase but attributed it to automobiles and firearms.

Yost Quoted as Leading Dry Laws

At the outset of the hearings, Mrs. Lenna Lowe Yost, member of the legislative committee of the national association of organizations supporting the 18th amendment read a telegram from her brother-in-law, Fielding (Hurry-Up) Yost, coach at the University of Michigan in which he expressed the opinion that the college youth of America was not drinking as much as in pre-prohibition days.

The telegram said the government had tried to regulate liquor and had made a "miserable failure of it" and added that it was unfortunate "that certain people of standing, by furnishing a leadership to youth in law violations."

The committee received several other communications and adjourned the hearings until Wednesday when the dry forces will resume presentation of witnesses. Chairman Graham announced that the drys had indicated they desired several more days before the committee.

PENDLETON SPRINGS BIG SURPRISE HERE

(Continued from Page 1.)

The Cheesemakers stormed the Eteng basket in spectacular fashion in the first quarter and led 6 to 3, preventing Commerce from scoring from the field, but Commerce got all those points back and the score at half time was eight all. It was 13 all just before the third period ended, but Commerce scored another field goal before the gun sounded, and remained ahead all through the last quarter.

Neither of the Thursday night games developed any scoring stars although there were many spectacular plays.

Tourney Crowds Are Bigger Than Ever in History

Crowds at the state high school basketball tournament in the Willamette university gymnasium Wednesday afternoon and night, broke all records for first day attendance, indicating that the public is viewing this year's tournament as one of supreme interest because of the parity of the teams entered.

Attendance is expected to increase as the finals are approached. It was announced that seats for Friday night will go on sale that morning at 9 o'clock at the gymnasium, and seats for the final Saturday night will go on sale at 9 o'clock Saturday morning.

Maddison Takes Over Station; Burk Gives Way

John Dickinson's 92nd Birthday Is Honored by Many

INDEPENDENCE, March 20.—John Dickinson celebrated his 92nd birthday at his home on South Main street, Sunday.

Besides his family, many friends called to greet him on this day. Though advanced in years he still is able to attend lodge and he works in his yard.

The members of his family are Harry, Don, Percy, Henry and George Dickinson, Mrs. Gertrude McKee, Mrs. Bell Nye, and Mrs. William Woods.

of the automobile industry in Salem for several years, has not announced his plans, other than to say that he will continue to reside in this city.

Maddison was employed as bookkeeper for the local branch of the Pacific Fruit and Produce company two years ago.

ORATORICAL MEET HELD, SILVERTON

Earl R. Cooley, state supervisor of agriculture with the Smith-Hughes schools, announces an interesting oratorical contest which is being given in Silverton Field auditorium today at 8 o'clock.

This is the first of the contests which is a part of a national oratorical competition, the motive of which is to develop leadership among farm boys.

There are six schools in the Willamette valley which will compete: Canby, Corvallis, Gresham, Lebanon, Silverton and Woodburn. Oregon is divided into three districts.

The winner and first alternate of the Willamette valley section will be automatically selected to compete with representatives from eastern Oregon and southern Oregon sections in the state contest.

The state contest will be held during Smith-Hughes week-end at Oregon state college sometime the latter part of April. The state winner of the contest will be sent to Phoenix, Arizona, in May to represent Oregon in the regional contest among the eleven western states. The winner of this regional contest will then be sent to Kansas City, Missouri, during the time of the American Royal Livestock show, when the national future farmers of America oratorical contest will be held.

A trophy will be presented by a local Silverton business man to the winner of the contest in Silverton Friday night.

Roseburg Home For Soldiers Urged in Wire

Governor Norblad Thursday sent a telegram to Oregon's representatives in congress urging them to support a bill providing for the establishment of a national soldier's home at Roseburg.

The Portland chamber of commerce and many other commercial and civic organizations have endorsed Roseburg as the site for the proposed new home.

Efforts also are being made to have the home located in Washington, California and other western states. There is no national soldier's home located in the northwest at the present time.

JAMAICA GINGER FATAL

(AP)—Three Ohioans were dead today and 125 were suffering with a strange form of paralysis which doctors said came from drinking a Jamaica ginger concoction.

RICKREALL HEARS PROFESSOR JONES

Willamette Instructor Tells High School Students of College

RICKREALL, March 20.—Professor W. C. Jones of Willamette who is head of the Economics department, spoke to the student body of the Rickreall high school last Wednesday at 10 o'clock.

After this he talked to the senior class of '30, on the advantages of going to Willamette. Both Mr. Huth and Miss Phenicie, teachers in the high school, are graduates from Willamette.

The students of the Rickreall high gave a surprise birthday party at the Vernon home in honor of their teacher, Doris Phenicie, last Tuesday night. Games were played for amusement and refreshments of cake and fruit salad were served.

Tuesday morning the freshman class presented to Miss Phenicie a beautiful cagnole set of rose colored candle holders and bowl.

PESSIMISTS SHOWN SALEM TEAM GOOD

(Continued from Page 1.)

Sanford, sophomore guard, scored 13 points. Kitchen and Bone were equally accurate with their shots while they were in the game, but the big sensation was Siegmund, reserve forward, who went in to give Bone a rest and performed so capably that he stayed in the game until the end.

As compared to the tactics of other teams, Salem's fast breaking style created a sensation, but Baker solved it part of the time after Hollis Huntington's boys had gained a lead of 10 to 5 at the end of the first quarter. The score at half time was 21 to 12.

Baker was held to one field goal in the third period and one in the fourth. Crawford, guard, was the only Baker player capable of scoring consistently, and he finally retired via the personal route.

Sale of Flax Products Now Is Authorized

The state board of control on Thursday authorized the state penitentiary management to sell flax products to Oregon mills at a one cent differential over the Eastern net price. This action was taken after the board received information that flax prices had taken a fall, and that in some cases flax products imported from Russia had sold \$150 a ton under previous quotations.

Prices on flax products used in Oregon have decreased only approximately \$20 a ton. The state

EVERGREEN CLUB TO PRESENT COMEDY

WALDO HILLS, March 20 —

The Happy Hour club of the Evergreen district will stage "Deacon Dubbs" at the Evergreen school Friday and Saturday evenings, March 28 and 29. This and surrounding communities are looking forward to the production with much pleasant anticipation.

Mrs. John Brunner is the director and the following are members of the cast: Ethel Knight, George Kaufman, Opal Roop, Orville Kaser, Veneta Ramsby, Harvey Kaser, Dorothy Batchelor, Mardon Harvey Kaser, Dorothy Batchelor, Mardon Overrots, Mae Finley, John Brunner.

Mrs. L. B. Haberly, Mrs. Frank Egan and Mrs. Edson Comstock held a committee meeting at the latter's home Monday.

A. A. Geer was in town Tuesday consulting his doctor.

Mr. and Mrs. J. C. Currie were guests at a party in Sublimity Monday evening.

Mildred Egan, a senior at Silverton high is confined to her home with a severe cold.

MEDFORD AIR MAIL SUPPORT IS ASKED

(Continued from Page 1.)

five additional airmail service would be of great assistance not only in getting the bill passed by Congress but also in convincing the postoffice department that such a contract should be made for the Willamette valley.

Chambers explained that at the present time all air mail going east must first be taken by bus or train to Portland and re-mailed. The same is true of mail going south to California and applies alike to incoming mail from all points.

Scores of letters from varied business firms throughout Salem are desired at once, and Coleman, who is staying at the Bellevue hotel in Washington, D. C., is insistent that the letters be sent air mail as a further demonstration of Salem backing of such a project.

Local bankers, notably A. N. Bush, have long been favorable to improved air mail service, writes Mr. Coleman, inasmuch as interest rates would be reduced by faster service. Similar savings could be made in other lines of business.

Coleman asks that the letters not be a form type but that each one be different indicating that the various firms have taken time and pains to make their desire for air mail service known.

Faith Held As Big Factor in Business Life

Speaking on faith as the dominating factor of American business, William Frances of Chicago spoke to students of Willamette university in the regular chapel service Thursday morning.

Mr. Frances is a well known business man of the "Windy City" and uses much of his time in the work of the metropolitan Y. M. C. A. of which he is president. He is also a member of the Illinois committee for the "Y" work.

PRIMO GETS ANOTHER

JACKSONVILLE, Fla., March 20.—(AP)—Primo Carnera, giant Italian, scored his eleventh knockout in the United States here tonight when he put Frank Zylita, a Newark heavyweight, to sleep in the first round of their scheduled ten round bout. The fight lasted ten minutes, 51 seconds.

ENDAVOR GROUP OF CLEAR LAKE MEETS

CLEAR LAKE, March 20.—

The young people's Christian Endeavor held an executive meeting at the home of the president, Miss Alice Massey. Those present were Rev. H. E. Scheuerman, Hazel Clement, Nellie Clement, Marie Harold, Mr. and Mrs. Ralph Harold, Mrs. L. J. Massey, and Robert Massey. After the business meeting refreshments were served.

The Junior C. E. society are having a social at the church on Friday evening, March 21.

Mr. Schlag who has been ill for some time is still in a very serious condition.

Mr. and Mrs. Walter Foren and two children of Waterloo were visitors last week at the home of Mr. Foren's brother, Prass Foren.

week end in Olympia, Wash., was given by Miss Hazel Cook at the business session which the local Zonta club held last night. Miss Cook made the report in the absence of Mrs. Ora McIntyre, official delegate of the Salem club who is now in Chicago.

Several changes in the club by-laws were adopted at the meeting last night.

COMPARE VALUES BEFORE YOU BUY AN AUTOMOBILE

Low charges for distribution of the new Ford save you at least \$50 to \$75 in addition to the many savings in making the car.

THESE are days when every dollar counts. The period of reckless spending is over. People are going back to the good old-fashioned principles of thrift and economy. Value is again being carefully considered.

Nowhere is this more important than in the selection of an automobile. For the purchase of a car represents a considerable investment. It should not be decided on hurriedly, but only after analyzing every important factor that concerns cost, value and performance. The time to do this is before buying—not afterward when it is too late.

ON THE basis of cost, performance and the actual comparative worth of every part, the new Ford is a value far above the price you pay. It is made of better materials and with greater care and accuracy because of the recognized efficiency and economy of Ford manufacturing methods.

The value of these methods is known and understood by millions of people. It is not generally realized, however, that these same principles of efficiency and economy are applied also to every step in the distribution of the Ford car. The low cost of selling, financing time payments, etc., means a direct saving to you of at least \$50 to \$75 in addition to the money saved by Ford economies in making the car. There are definite reasons why this is so.

(1) The Ford dealer does business on a smaller margin of profit because of the greater number of cars he sells. His discount or commission is the lowest of any automobile dealer. The difference in your favor, ranging from 25% to nearly 50%, comes right off the price you pay for the car.

(2) No expensive extra equipment is needed when you buy a Ford. The car leaves the factory ready for use. The f.o.b. price includes a Triplex shatter-proof glass windshield and an extra steel-spoke wheel, in addition to four Houdaille double-acting shock absorbers and fully enclosed four-wheel brakes. Any accessories you may wish for your individual taste are sold considerably below the usual prices.

None of these charges for selling, financing or accessories is marked up or increased to cover a high trade-in allowance on a used car.

Get all the facts, therefore, before you buy and figure out just what you are getting for your automobile dollars. Go beyond the f.o.b. price and find out how much more you pay the dealer than the dealer pays at the factory. Analyze the used-car allowance. Compare all charges—item by item—value for value.

WHEN you do this you will have a new appreciation of what the Ford Motor Company and Ford dealers are doing to keep down the cost of Ford cars. You will also know why it is possible to put so much real value into the new Ford and still retain the low price. The money you pay goes for value in the car. It is not wasted in excessive costs in manufacturing or selling.

FORD MOTOR COMPANY
