Convention Plans Are Rapidly Shaping

The plans for the state convention of the federated women's clubs of Oregon which will meet here beginning with May 12, were given definite shape so far as the Salem hostess group is concerned at the executive committee meeting held Wednesday afternoon at the home of the local president, Mrs. Harry J. Weidner.

The delegates who will attend the state executive meeting in Portland this Saturday will be Mrs. M. Rasmussen, Mrs. A. L. Wallace, Mrs. W. F. Fargo, Mrs. David Wright, Mrs. Ivan Martin and Mrs. Harry Weidner. There will be a 12:30 o'clock luncheon at the W. C. A. building for the group and then an executive session will be held during the afternoon. At the close of this session complete plans for the state convention should be well under way.

Wednesday afternoon the committee perfected plans for the reception which will be held on the 12th at the club house. This will be held Monday evening, May 12, following registration of delegates and members during the afternoon. Mrs. A. L. Wallace will act as general chairman for this reception. Mrs. W. F. Fargo, Mrs. C. F. Brethaupt, and Mrs. Martin Ferry, each chairman for programs, decoration and music, respectively, will act in conjunction with Mrs. Wallace on plans for this reception.

A second plan for the entertainment of the guests, but one which is tentative only, is that to bring back the green play "Distracted" to Bligh's Capitol theatre for Wednesday morning, May 13. At this time the regular business session would be held there and then the visitors would be guests of the Salem hostess club for the play.

Mrs. Vard Hughes, president of the Etokta club, met with the committee Wednesday afternoon and pledged the assistance of the Etokta club to the Salem Woman's club in taking care of the several hundred visitors who will attend the convention.

Another subject which received considerable discussion by the committee Wednesday afternoon was the play "The Case of Sergeant Grischka" which will be sponsored by the Salem Woman's club, April 8, at the Fox Elsinore theatre. Proceeds received by the club from the tickets of this play will be used for convention expenses. Those who were called for the Wednesday committee meeting were: Mrs. David Wright, assistant general chairman; Mrs. V. E. Kuhn, Mrs. Mary Bayne, Mrs. George H. Aiden, finance; Mrs. Seymour Jones, headquarters; Mrs. R. A. Elliott, registration; Mrs. Ivan Martin, housing; Mrs. Martin Ferry, music; Mrs. W. F. Fargo, program; Mrs. C. K. Spaulding, hospitality; Mrs. S. M. Endicott, transportation; Mrs. C. G. Brethaupt, decorations; Mrs. M. Rasmussen, luncheons; Mrs. A. L. Wallace, reception; Mrs. J. J. Lauterman, information; Mrs. Walter Pennington, publicity; Mrs. George L. Forge, pages and ushers.

A group of girls held a get-together party at the home of Mrs. John Kraus Thursday evening, while some of their friends were home for the spring vacation. During the evening competitive games were played for which Peggy Sadler won high score and Ruth Brush the consolation. Those enjoying the evening were Carine Wurster and Evelyn Grimm from Oregon State, Lotus Giesy from Oregon, Eloise Hurst, Itha Hunt, Peggy Sadler, Maxine Giesy, Mary Hunt, Dorothy Hurst, Gladys O'Hertson, Zona Schwab, Ruth Brush, Elizabeth Kraus, Geraldine Bonney and Alice Garrett. Refreshments were served at a late hour by the hostess.

MOTHERS NOW learn value of MAGNESIA

Because it is so helpful in keeping babies and children healthy and happy, every mother should know about Phillips Milk of Magnesia.

This harmless, almost tasteless preparation is most effective in relieving those symptoms of babies and children generally caused by souring food in the little digestive tract, such as sour-belching, frequent vomiting, feverishness, colic. As a mild laxative, it acts gently but certainly, to open the little bowels in constipation, colds, children's diseases.

A teaspoonful of Phillips Milk of Magnesia does the work of half a pint of lime water in neutralizing cow's milk for infant feeding, and preventing hard curds. Its many uses for mother and child are fully explained in the interesting book "Useful Information." It will be sent you FREE. Write The Phillips Co., 117 Hudson St., New York, N. Y.

Music Week Plans Take on Local Color

National music week is fast becoming an integral part of each community since the announcement of the date, the week of May 11 if all states are working as enthusiastically as the state of Oregon is.

Reports are coming in daily to Mrs. Walter A. Denton, state music chairman, about the plans which each town is sponsoring. Ashland is sponsoring a musical festival week, with one day and night given over to three big programs for which they already have reservations from all around the city of Ashland, and south into Northern California. In Albany the business men are assisting with music week. One unusual evening which the committee is working out there is a "progressive" music night. Audiences are to gather in several places and the performers will go from one place to another and put on the program.

Lydian E. Horsfall, state chairman of the music committee for the American Legion auxiliary has reported that she has appointed music week chairman in Marshfield, Bandon, Coquille and North Bend. Mrs. Horsfall who is ill and in southern California is directing her work from there.

Several committees have been appointed for the local work in Salem. Mrs. Stephen Stone and Miss Ruth Howe make up the committee on music in the homes. This committee will further programs for Monday night, May 5, in which musical programs will be features of the evening in private homes. The program may be a radio program, or a piano program, or any sort of musical program which individuals may want to sponsor. Mrs. W. H. Burghardt will play a delightful piano program in her home for that night, and many similar programs are expected. Those who wish to open their homes for these programs should telephone Mrs. Stephen Stone and arrange for reservations to be made for the number which may be accommodated.

There is a committee this year working on church programs. William Wright is chairman of this committee. Rev. H. C. Stover, and Rev. W. Earl Cochran will assist him.

The committee working on school music is Miss Gretchen Kreamer, chairman, and Miss Lena Belle Tartar.

The general music committee for music week in Salem is Mrs. Walter A. Denton, Francis Virginia Melton, Lena Belle Tartar, Prof. and Mrs. T. S. Roberts, Frank Churchhill and Ruth Bedford.

B. & P. W. Vote Important Changes

Members of the Business and Professional Women's club met in dinner session at the Marion hotel Tuesday night and voted two important changes in the constitution of this group. The election of officers will be held in the first April meeting rather than in June; change was made in the officers personnel by allowing for a second vice president; and a slight change in the by-laws was made to take care of the change in the constitution in regard to the date of elections.

A second important step made by the club was the decision to invite the state convention which meets in Medford this year to meet in Salem in 1931.

For the program hour Dr. Hector McPherson gave an interesting talk on the cabinet form of state government; a group of high school girls reserves sang and Mrs. Elizabeth K. Gallaher, general secretary of the Y. W. C. A. spoke concerning the coming Y. W. C. A. campaign. The B. & P. W. club chorus under the direction of Mrs. Margaret Jorgensen gave several interesting numbers. Brief reports from committee heads and a talk on the club emblem by Mrs. Emma Chase Haley completed the program.

Five new members were announced at this meeting.

Before her departure she was extensively entertained by her

wide circle of friends here and in Portland.

The last thing given in compliment to her was an informal tea for which Mrs. Pick was hostess at her home Saturday afternoon between the hours of 3 and 5 o'clock. About 20 of Mrs. Lightner's most intimate friends called at this time.

Now you can protect her lovely hair!

Millions of men and women know how Danderine helps stop falling hair and dissolves the worst crust of dandruff; how easily it changes dull, lustreless, brittle hair into hair that is soft, sparkling, vigorous.

With Danderine it is so easy to "train" a child's hair; to keep it orderly, sparkling, clean, Danderine accentuates the natural curl of a child's hair. A girl's "waves" look more natural when "set" with it. And they stay in longer.

Use Danderine with children to overcome the evils of frequent washing. It puts back into hair and scalp the natural oils removed by soap and water.

Danderine isn't sticky or oily; doesn't show. It is no trouble to use. Just put a little on the brush each time the hair is arranged. That will keep the scalp healthy and encourage the growth of long, silky and abundant hair. Five million bottles used a year is proof of Danderine's effectiveness.
