Right Idea!

This eight year old athlete is the son of Rev. and Mrs. C. F. Jenkins, Lyndon, Kansas. Mrs. Jenkins says: "Newell's wonderful condition shows my idea is right."

"Whenever he's the least cross or upset, or has a cold, I give him a little California Fig Syrup. It always brightens him up; regulates his stomach and bowels; gives him a hearty appetite, to complete his work with my boys and it never failed to help them promptly."

All children love the rich, fruity flavor of California Fig Syrup. A pure vegetable product, it doesn't gripe or sicken. It always acts gently but thoroughly to cleanse the system of bilious, headachy, constipated children. Doctors say it tones and strengthens weak bowels. Try it with your child. See how bad breath, coated tongue or feverishness disappear!

The name California marks the genuine, famous for 50 years. So look for it when buying.—Adv.

47 Years' Practice Taught Dr. Caldwell
Many things about Men and Women
DR. CALDWELL loved people. He studied the habits of his patients and tried to improve their ways of living. His observations over a long period of time convinced him many people were ruining their health by a careless choice of laxatives. Then he determined to write a prescription which would get at the cause of constipation and correct it quickly and safely.
Now successful his efforts were is best shown by the fact that the prescription he wrote back in 1885 has become the world's most popular laxative! He prescribed a mixture of herbs and other pure ingredients now known as Dr. Caldwell's Syrup Pepsin, in thousands of cases where bad breath, coated tongue, gas, headache, biliousness, and lack of appetite, or energy showed him that the bowels of men, women or children were sluggish. It proved successful in the most obstinate cases. So men liked it. Old folks liked it because it never gripped. Children liked its pleasant taste. And everybody is pleased with the gentle way it accomplishes its purpose.
By 1888, the demand for this laxative was so great that the doctor permitted it to be bottled and sold by druggists. Today you can obtain Dr. Caldwell's Syrup Pepsin from any druggist in the world.
