Plans Completed for Twilight League to Start Tuesday

Local Moguls Balk at Paying Rent for Use of Olinger Field

The Willamette university baseball diamond will be used by the Twilight leagues this year, it was decided Friday night at the final league meeting before the opening of the season. The season opens next Tuesday night with an Industrial league game between the Postoffice and McKay Chevrolet.

Decision to play on the Willamette field resulted partly from the school board's demands for a considerable rental for Olinger field. a proposition which did not suit the twilight ball plays as there is no profit for anyone in these games and they feel that a publicly owned field should be available for their use without charge. Athletic authorities at Willamette, on the other hand, will permit the use of Sweetland field without any payment other than for replacement of broken windows, if

Sun's Glare Kept Off Willamette Diamond

It was also brought out in discussion among the managers that the location of the Willamette diamond, coupled with the fact that it lies in the shadow of Lausanne hall, will obviate the difficulty with the sun's glare which has been a handicap on Olinger field as well as on the old Oxford park

Furthermore Sweetland field, being more centrally located, is expected to draw larger crowds. It was recalled that attendance was greater several years ago when this field was used, than it has been more recently. Commercial League Needs Just One More Team

The Industrial league has its quota of four teams, the latest entry being McKay Chevrolet, but the Commercial league is one team shy due to the withdrawal of the Building Trades. For that reason there will be no game Monday night next week. A sixth team is being sought to round out the circuit Games will start, as in the past,

at 6 o'clock. Following is next week's schedule: Industrial Tuesday-Postoffice vs. McKay

Thursday-Pepco vs. Kay Wool-Commercial

Wednesday-Southern Pacific vs. American Legion. Friday-Imperials vs. Elks. The Statehouse team draws a

bye unless the sixth team is signed up in time to arrange a game for Monday. A decision which will obviate

any protracted disputes over eligibility this year, was reached, to the effect that the officers will decide all such questions on the basis of written protests and defen-

Recommendation is Made to Revoke License of Italian Fighter

By RUSSELL J. NEWLAND Associated Press Sports Editor SAN FRANCISCO, April 18 .-(AP)—As a result of an unsatisfactory bout in Oakland last Monday, Charles F. Traung, member of the State Athletic commission, today recommended to the commission as a body that the licenses of Primo Carnera, huge Italian fighter, and his three managers, be revoked, and that Carnera be not allowed to box again in Cali-
