

Silverton Chamber Starts Weekly Luncheon Meetings

SILVERTON HAS PEPPY MEET

Chamber of Commerce Begins New Meet Schedule On Monday

"We have all the beauty and wonders of the world dished up to us on a golden platter here in Oregon and we don't appreciate it," said Governor A. W. Norblad in his address before the Silverton chamber of commerce on Monday.

The governor urged that the people of Oregon endeavor to sell the state to non residents as California is sold and pointed out that much of the income of the southern state is derived from tourists and that Oregon has just as much in the way of attractions to offer as has California, if these natural possibilities were developed.

He pointed out that California's revenue from the non resident gas tax alone is \$4,000,000 while Oregon's revenue from the same source is only \$100,000. He urged that tourists be brought west over the old Oregon trail and through the northern part of Oregon, that they might see and appreciate the wonders of the state. "One third of our national history is directly concerned with Oregon and yet the headquarters of the Oregon Trail Association are in New York," he said.

The governor's address was notably free from political thunder or any reference to political questions. He said that he had only words of commendation for his opponents in the race for governor and made no further reference to the political situation.

Norris Ames, president of the chamber of commerce presided and introduced L. C. Eastman, mayor of Silverton, who told of the excellent financial condition of the city and urged that more citizens attend the council meetings.

Kaute Digerens introduced Governor Norblad.

This is the first of the regular Monday luncheon meetings which the Silverton chamber of commerce plans to hold. The regular monthly dinner meetings will be held as usual but the weekly luncheons will be continued. Attendance at the Monday meeting was large and members seemed enthusiastic over the prospect of more frequent meetings.

BASEBALL BENEFIT STAGED AT HUBBARD

HUBBARD, April 23 — The basket social Friday night and the donations swelled the athletic fund to \$66 for the baseball boys of the Hubbard high school. While the crowd was small in size yet it was mighty in the spirit of cooperation.

MEN AND WOMEN NEED NOT HAVE GRAY HAIR

Nature Will Keep the Hair Youthful Shade, Free of Gray

Lifeless Gray Hair Regains Old Beauty

Everybody knows if color glands and hair roots are healthy and active the hair will continue indefinitely a rich, natural color entirely free of gray or streaked locks.

A doctor several years ago asked himself this question: If I can stimulate digestion, liver, heart, etc., with a tonic, why not rub a stimulating tonic into the scalp that will revive those inactive glands so nature in her own natural way will resume putting plenty of pigment into the hair tubes—surely the hair will then resume its original beautiful shades of youth regardless of user's age or previous condition of their hair.

The doctor's search led to endless experiments. He didn't want a regular dye or tint, and it, of course, must be harmless even if a person used it every year. Now under the name, "Lee's Hair Tonic," anyone may purchase the preparation he finally perfected. For several years hairdressers over the country have been using

It. Results are so nice and gradual men use it too. It doesn't stain the scalp and as a test one need only apply it to some small spot a few days to watch results. Shampoo as often as desired. Easy to apply yourself at home and look years younger.

Most people first try Lee's for gray hair, but it is primarily intended as a stimulating tonic to put the scalp and hair in healthy, vigorous condition. Of course with a healthy scalp comes more beautiful hair and restoration of the natural brilliance and shade exactly suited to your complexion. There are some three thousand shades of color in human hair—no dye expert can paint one's hair as exquisitely as nature. Lee's merely stimulates nature when massaged into the scalp—puts nature back on the job, you might say, and what is more beautiful or becoming than nature's own choice of shade to match your eyes and beauty.

If reader desirous to try Lee's Hair Tonic on guarantee of complete satisfaction, they should get a bottle at drug store or pin dollar bill to this advertisement and send to Lee's Tonic Company, Brentwood, Md., for regular size bottle, full directions, postage paid. Experts cannot detect the use of Lee's Hair Tonic. Sent parcel post, C. O. D., if you wish—12c extra. Adv.

MOUNTAIN VIEW P. T. A. MEETS

Program Furnished by Local and Salem Talent is Enjoyed

MOUNTAIN VIEW, April 23—A varied program was given at the meeting of the Parent-Teacher association Friday evening. The meeting opened as is the custom of this P. T. A. session by the singing of America. A short business session followed with J. P. Smart in the chair.

The opening number on the program was a song by J. P. Smart. As an encore, Mr. Smart sang, "The Wedding of Sandy McNab." Persons from Salem who contributed numbers to the program were Mrs. Mercer and little Miss Irene Cutler. Mrs. Mercer gave as readings two Swedish stories, "Pussy Willow" and "Ole on the School Board," and as an encore, "Jane Jones." Irene Cutler contributed a piano solo and a vocal number.

Numbers drawing much applause were music by Miss Hilda

Crawford on the banjo and her brother, Frank on the steel guitar. The young Crawfords are from Zena. They were encored and re-encored.

Four local little folks, all of whom are pupils of Mountain View school gave recitations which were received with delight by the audience. The numbers were as follows: "Dolly's Lesson," Eileen Lynch; "Don't," Wendell Emmett; "Back Seat Driving," Roy Tansey; "Practice Time," Marilee Davis.

At the close of the program, supper was served in the basement.
