Silverton Tells Music Week Program

Silverton—Silverton music lovers are looking forward to Friday night, May 2nd, when the Silverton concert orchestra will present its first program of the season at the Eugene Field auditorium. The orchestra, under the direction of Prof. Hal Campbell, is one of the finest of its kind to be found in a city the size of Silverton and Silvertonians are justly proud of the organization.

Silvertonians are particularly looking forward to hearing this concert because a number of compositions by local composers will be given. Among these are the songs "Where is the Barefoot Boy?" and "In Apple Blossom Time" which were recently published by Gertrude Estelle Morley and which are gaining considerable popularity wherever they are heard. Mrs. Zella Parish and Max Schaefer will sing. Mrs. Morley's son, Prof. Campbell will also be represented. Miss Eugenia Russell, a pupil of Prof. Campbell will play three short pieces from his piano suite: "By Mosque and Minaret" and another pupil, Master Billie Kiehl will play a transcription of Mr. Campbell's "Every Hour My Prayer Shall Be." Mr. Campbell has many published successes to his credit.

Miss Irene Morley, whose attainments as a violinist are too well known to need further mention here, will play Raffi's "Cavatina" as a violin solo.

The program in full consists of the following numbers:

- Turkish March (from the Ruins of Athens) — Beethoven
Overture, "The Sinfonia" — Beethoven
Song, "Where is the Barefoot Boy?" — Gertrude Estelle Morley
Excerpt, "Unfinished Symphony" (first movement) — Schubert
Trumpet Solo, "Every Hour My Prayer Shall Be" — L. Campbell
Master A. Kiehl — Raff
Violin Solo, "Cavatina" — Irene Morley
Interval
Suite, "Atlantis" (in four parts) — (a) Morning Hymn of Praise (b) A Court Function (c) I Love Thee (d) The Destruction of Atlantis
Piano Solo (from Mosque and Minaret Suite) — Campbell
(a) The Desert (b) Dawn
(c) The Storyteller
Song, "In Apple Blossom Time" — Gertrude Estelle Morley
Selection, Victor Herbert's Opera, "The Desert" — Horvath-Lake
Intermezzo, "In a Persian Market" — Ketyby
March, "The National Emblem" — Bagley

Salem Heights woman's club will entertain with a potluck luncheon at the clubhouse Friday at 1 o'clock. Following this there will be the regular meeting and an election of officers. Mrs. Gordon McGilchrist will be the soloist for the afternoon.

Statesman Pattern

EMB 568 1892

By ANNE ADAMS

Pattern 1892 is lovely made of dimity, silk crepe, lawn, batiste, pongee or fine linen. A print or a plain color may be chosen. If printed fabric is used, the smocking should be done in color to correspond with the printed design.

Portland Wedding Interests Silverton

Silverton—A quiet and beautiful church wedding was solemnized at Grace Methodist church at Portland Saturday evening when William Specht of Silverton and Miss Emma Smith of Portland were united in marriage at 7:30 o'clock, the single ring ceremony being followed. The bride was attended by her sister, Miss Carrie Smith, while Joe Lytle, a nephew of the groom, acted as best man.

Following the ceremony a reception was held at the home of the bride's parents, Mr. and Mrs. Thomas A. Smith at 790 Clinton street.

WOMEN SHOULD LEARN USES OF MAGNESIA

To women who suffer from nausea, or so-called "morning sickness," this simple measure is proving a blessing. Most nurses know it and it is advised by leading specialists.

Prepare a small quantity of finely cracked egg—about a wineglassful. Pour over it a teaspoonful of Phillips Milk of Magnesia. Sip slowly until the mixture is gone or you are entirely relieved. It is seldom necessary to repeat the dose to end sick stomach or any inclination to vomit.

Its anti-acid properties enable Phillips Milk of Magnesia to give immediate relief in heartburn, sour stomach, gas. It's mild, but effective laxative action assures regular bowel movement. Used as a mouthwash it helps prevent acid erodent and tooth decay during pregnancy.

With every bottle of Phillips Milk of Magnesia, come full directions for its many uses. All drug stores have the 25c and 50c sizes. Demand the genuine, endorsed by doctors for over 40 years.
"Milk of Magnesia" has been the U. S. Registered Trade Mark of the Chas. H. Phillips Chemical Co. and its predecessor, Chas. H. Phillips, since 1875. Adv.

May Queen Tea Is Delightful Affair

The first event in the May day plans was the attractive tea between the hours of four and six o'clock at the Beta Chi sorority house given in compliment to Miss Kathryn Everett, who will be crowned queen of the May Saturday morning, and Miss Margaret Bolt and Miss Lillian Scott her attendants Wednesday afternoon.

The sorority house was a bower of lovely spring flowers with the tea table the central note of color in green and pink. Tall green tapers in bronze candelabra between which stood a basket of dainty pink blossoms centered the tea table. Here during the first hour Mrs. Mary V. Johnson, sorority house mother for Alpha Phi Alpha and Mrs. Paul V. Edwards, sorority house mother for Delta Phi presided at the table; the second hour Mrs. F. M. Erickson and Mrs. E. C. Richards presided.

The guests were received at the door by Miss Louise Brown. Miss Florence Power introduced to the line which was headed by Miss Norabel Pratt, and in order Mrs. Alice Dodd, Miss Kathryn Everett, Miss Margaret Bolt, Miss Lillian Scott.

Miss Emily Brown and Miss Gaynelle Beckett directed the sorority house dinner. Those assisting in serving were Miss Mary Louise Morley, Miss Carolyn Braden, Miss Virginia Holt, Miss Florence Marshall, Miss Louisa Siddle and Miss Helen Boardman.

Miss Helen Cochran sang several numbers and Miss Fayre Irwin gave a group of violin selections as an attractive program.

A large number of faculty men and women and university women called during the afternoon to meet the queen and her maids.

Sisterhood Members Guests Chapter G.

Members of Chapter G, P. E. O. sisterhood, entertained at the home of Mrs. P. J. Kuntz Tuesday evening for all Salem women who belong to the sisterhood whether in the city or elsewhere. Thirty-nine women were guests for the interesting program and social hour.

Pleasing decorations added to the attractive affair, baskets of cuttings of orchid, yellow and rose hue, and with maiden hair fern being placed about the spacious livingrooms. Tapers of pastel shades in silver candelabra, arranged on the buffet and table, furthered the effective coloring.

Guests were greeted at the door by Mrs. A. T. Woolpert, president of the hostess chapter, while the first president of Chapter G, Mrs. B. J. Miles, presided at the urns. Assisting Mrs. Miles were Mrs. Harold Hughes and Mrs. P. J. Kuntz. Mrs. E. J. Huffman and Mrs. C. K. Logan were in charge of arrangements for the event.

Beecher arranged the program, numbers of which included selections by the Salem Civic men's chorus, Otto Taylor, Wensell Robinson, Walter Kaufman and Karl Wenger; vocal solos by Mrs. Treval Powers and Mrs. Gordon McGilchrist; reading by Mrs. Gordon McGilchrist; and piano solos by Emory Hobson. GANDHI DENOUNCES BRITISH DICTATION

BOMBAY, April 30.—(AP)—With unrest apparently slumbering in India today, no riots or sensational incidents being reported, Mahatma Gandhi took occasion at Billimoria to denounce "British dictation" in a statement on the revival of the native press censorship law by the viceroy.

"I hope for time submission to dictation from our British rulers has gone forever," he said. "Whether we realize it or not, we have been living under a veiled form of martial law for some days past."

Gandhi said new provisions of the revived press censorship act were more severe than the original. He is understood to have told publishers of his newspaper, "Young India," to let the government seize the press rather than deposit the security demanded for

a permission to continue publication.

The reported dissatisfaction among the government native troops at Peshawar on which an official statement was issued, remains somewhat of a mystery. An inquiry is under way and details will not be published until it is over. The statement merely said two platoons of the second battalion of the 18th Royal Garhwal

rifles had not performed satisfactorily in the recent rioting at Peshawar and they were being transferred to Abbottabad pending investigation.

In 1926 the airways of the nation totaled 6404 miles; in 1927 there were 9122 miles; in 1928 they amounted to 16,667 and in 1929 there were 35,000.
