Mrs. Hoffine is a Railroads brought two cars of costs, for the forclosure of a mortfor the open market. Receipts including drive-ins were estimated as 50 cattle, 10 calves, 250 hogs and 400 sheep with 106 of the hogs direct to killers and 299 of the sheep on contract.

Values for all swine classes Tuesday seemed fairly well established at Monday's levels. Of the estimated 250 head the entire rail supply, 106, came direct to killers. The majority of the better grade offerings in the 160 to 200 lbs. butcher class scored Monday's practical top of \$11.25 with some less desirable offerings at \$11.00. A few 212 lb. weights were taken at \$11.15, some 132 to 135 lb. pigs at \$10.25 to \$11.00 and scattered head of 240 to 251 lb. kinds at \$10.50 to \$10.75. Most of the packing sows on dis-play were in the rough heavy class and \$3.25 stopped them. Small lote of good to choice \$9 to 95 th. feeder pige found willing takers at \$12.50 and a little handtul of strictly choice 65 lb. weights reached \$12.75. Anything in the feeder class scaling 100 lbs. or more was stopped at \$12.00 or under. Quotations for all classes were continued as of
