

Silverton Community Orchestra Presented in Concert

SILVERTON HAS MUSICAL EVENT

Community Orchestra Directed by Hal Campbell Appreciated

SILVERTON, May 3—The concert given by the Silverton concert orchestra at the Eugene Field auditorium Friday night was greatly appreciated by those attending. Perhaps there is no better way of expressing the general thought of the audience than by quoting Dr. P. C. Riley, who with a party from Hubbard came down for the concert.

"I congratulate Silverton upon its wonderful talent. Silverton is fortunate in having so talented a man with them as Prof. Hal Campbell, the director of the orchestra. In all of my travels I have found nothing that I appreciated more."

Dr. Riley particularly complimented the orchestra on the trumpet work of W. A. Kieeb, known here as Billie Kieeb, the young junior high school son of Mr. and Mrs. A. W. Kieeb, and that of Miss Irene Morley, the talented young violinist.

The piano numbers, compositions of Prof. Campbell, as played by the orchestra accompanist, Miss Eugenia Russell, were also greatly appreciated.

Morley Songs Heard
An interesting feature of the program was the singing of Gertrude Estelle Morley's two songs "In Apple Blossom Time" and "Where is the Barefoot Boy?" Zella Parrish sang the first of these and Max Scriber the other number.

Prof. Baker, in behalf of the orchestra thanked the audience and Dr. Riley. Just at the close of the evening, R. J. Hendricks spoke briefly regretting that we were not having Dr. Riley for governor but hoping that we would get him for senator.

FRANK A. DOERFLER SPEAKS AT PRATUM

PRATUM, May 3—F. A. Doerfler who is a flower specialist and grows a large assortment of flowers in his rock garden and sunken garden and bordering his lawn spoke to a very appreciative audience at the Pratum school house Friday evening.

Independence to Get 450 Foot Wing Dam in Willamette

INDEPENDENCE, May 3—The government is to construct a 450 foot wing dam, just south of the city. It will start just above the sand and gravel company plant, and will extend on up the river.

MIDDLE GROVE HAS SCHOOL CELEBRATION

MIDDLE GROVE, May 3—The pupils of the intermediate room of Middle Grove school celebrated on Friday, May 3, the closing of a merit and demerit contest. Norman McCallister and Earl Hammer were the leaders of the two sides.

ENDEAVOR GROUP RETURN FROM SOUTH

MILL CITY, May 3—Delegates returning from Marshfield this week where they attended the state convention of the Christian Endeavor report a fine meeting and speak very highly of the people of the coast city treated the visitors. Sunday evening reports of the convention were given at each of the churches here.

GUESTS AT PRATUM

PRATUM, May 3—Mrs. Charles Smith of West Linn is a visitor at the home of her parents, Mr. and Mrs. A. W. Powell.

BETHANY CLUB PICKS OFFICERS

Mrs. Hartvig Dahl Chosen President of Community Group

SILVERTON, May 3—Mrs. Hartvig Dahl was elected president of Bethany Community club at the last meeting of the season for this club. Other officers elected were vice-president, Samuel Torvend; secretary-treasurer, Mrs. Harry Bentson. No other regular meetings will be held this spring, but the club will hold its regular community picnic on the last day of school at Bethany.

A splendid program was also given Friday evening consisting of a piano solo by Evelyn Torvend, orchestral number by Mr. and Mrs. August Stettenholm and their daughter, Miss Matilda, recitation by Grace Weigle; selections on the orchestra, bells by Catherine Benson with Mrs. Glenn Howe as accompanist; piano selections, Oliver Carpenter; piano solo, Grace Weigle; pantomime, Mrs. Charles Webb; playette, "A Minister's Mistake," Mrs. Albert Grinde and Mrs. Weigle.

BABY GIRL ARRIVES

PRATUM, May 3—Mr. and Mrs. Walter Giese are the happy parents of a baby girl.

Goitre Not A Disease

Milwaukee Doctor Makes Remarkable Discovery
Milwaukee, Wis.—It has been brought to light by scientific research that goitre is not a disease and is not to be treated as such. Dr. A. A. Rock, Dept. E-55, Box 737, Milwaukee, Wis., a prominent goitre specialist for over 24 years, has perfected a different method of treatment for his patients that has proved remarkably successful. This same method is now being used for a home treatment of goitre cases all over the country with astonishing results. The doctor states that goitre is a condition which grows worse with neglect and recommends immediate attention no matter how small the growth may appear. He strongly opposes needless operations. Dr. Rock is the author of a book that tells in a simple way about treating goitre at home. He has published this book at his own expense and will send a copy free to anyone interested. Write him today.—Adv.

Hubbard Family Enjoys Motor Trip in California

HUBBARD, May 3—Mr. and Mrs. Fred Wartfield, who live on a tract of land called "the Garden of Eden," near Mt. Eden. Leaving Hayward, Mr. and Mrs. Miller and children went to Salinas and spent the night there with friends, Mr. and Mrs. Albert Williams. Mr. Williams was former manager of the Hubbard lumber yard.

BRUSH CREEK BOOSTERS MEET

Oregon Day Program Presented and Special Meeting Planned

SILVERTON, May 3—At the regular May meeting of the Brush Creek Booster club, held at Brush Creek school Friday evening, it was decided to hold a special meeting on the evening of May 23 at which time election of officers will be held. At this time the men of the organization will also furnish the program.

At the Friday night meeting "Oregon Day" was stressed and Mrs. Martin Doerfler, the school teacher at Brush Creek, gave an interesting talk on "Oregon Day." This was followed by a group of Oregon facts told by the older

NO ONE NEED HAVE CORNS ANY LONGER

Newest, Best Remedy For Corns Stops Pain—Shoes Don't Hurt Any More
SIX WAFERS FOR 10c GUARANTEED RESULTS
The newest, best remedy for corns is a tiny, thin as paper corn wafer. No burning acids or bulky doughnut pads to add pressure when shoes are on. Press an "O-Joy Corn Wafer" on the corn or callous with your finger. It sticks there. Strong as oxen, gentle as a feather. The pain stops at once. Slip shoes on and forget it. Later out comes corn, callous, roots and all. Guaranteed to never fail. Ask druggist for O-Joy Corn Wafers—six wafers for 10c.

The human eye is a most delicate piece of mechanism, being the most important of the senses. The function of the eye is calculated to provide for usefulness, enjoyment and to insure safety.

The importance of eyesight is becoming more intensified as civilization advances. The eyes have finer adjustments to make. Serviceable eyes are essential to health, proficiency and happiness.

When the eye is anatomically misformed, it is said to be defective and glasses are needed for correction. Such an eye may be too long, in which case poor vision results. This is commonly known as nearsightedness (myopia).

The eye may be too short. This is called farsightedness (hyperopia). This condition as well as astigmatism (a misshaped cornea) may result in lowered visual acuity. In both instances there is an excessive drain on the nervous system, due to the effort to make the eye see.

An accurate eye examination will reveal defects resulting in eye strain caused by either near or far-sightedness.

An optometric examination made by a competent optometrist will relieve your mind as well as your eyes. Consult an optometrist today.
