CORVALLIS WOMAN KILLED IN SMASHUP

MONMOUTH, May 6.—Mrs. Ora Corbett, 65, of Corvallis was killed Sunday morning about 10:30 on the West Side highway 3 miles south of Monmouth when the car in which she was riding north, driven by her son, Philip Corbett, brick and tile manufacturer of Corvallis, collided with a car driven by M. Martinson of Portland.

Martinson, who with his wife and two daughters was enroute to Corvallis to visit their son Ralph, a student at Oregon State college, had not had much driving experience, according to reports of those who assisted, and had gotten too far over on the wrong side of the road. Corbett, apparently observing this, and becoming alarmed swung his car abruptly to the left, and as Martinson's daughter seized the wheel and righted their machine the 2 cars crashed.

Mrs. Ora Corbett was thrown through the windshield.

Mrs. Philip Corbett had one arm broken; Miss Jessie Corbett, an aunt of Philip Corbett, had both arms broken, and the Corbett boy, 4, received cuts and bruises.

Mrs. Martin Martinson's jaw was broken and the daughters received severe arm cuts and bruises. Neither Martinson or Corbett was much injured.

County Coroner Henkle, Constable Vend Schrank and traffic officer, Williams, were called to the scene where passing motorists were giving aid.

The wrecked cars were towed to a Monmouth garage, and the body of Mrs. Corbett was taken to Corvallis.

HARMONY CLUB FOUND Music Lovers Meet for Good, Sociable Times ORGANIZATION UNIQUE

By MOLLIE GREER

WOODBURN, May 6.—Sometimes in a community there are persons who are little known who are in a small way doing big things for their neighbors and friends and whose influence is more far-reaching than some of the so-called prominent citizens.

Some three years ago a middle-aged couple moved to our town from the state of Utah. They were unable to get out much because of the woman's ill health, but liking sociability they began visiting their newly made friends in the neighborhood to come in and enjoy the radio and player piano, neither of them being musicians.

After a while there appeared in the local paper each week, an account of the Harmony Club which met at Mr. and Mrs. Arthur Dickenson's and I have heard many remarks such as "What of this Harmony club and what do they do and who does it?"

Recently I had the pleasure of meeting Mr. and Mrs. Dickenson and attending the club which meets every Monday evening throughout the year. Everyone is welcome, big and little, old and young, and it is quite like the good old day the way the whole family comes and takes part in a family entertainment. Those who cannot sing or play, read poems or stories and at one program a young man played a record on a portable phonograph for his part.

At the Harmony club the members have a chance for self-expression that they never would have anywhere else.

The only evidence of organization is that they have a name. They do not have any officers, but it is plain to see that Mrs. Dickenson is the master mind for the club.

GIFT SHOWERS AT AUBURN Friends Present Gifts to Various Auburn Women Recently

At each meeting she quietly appoints someone to be responsible for the program the following week. One evening a 13-year-old girl had charge and she was deriving not a small part of her education because we never give without receiving a great deal more than we give. They always stop for Amos 'n Andy and so far as I know this is the only organization of this kind in this vicinity or perhaps anywhere.

A part of their unwritten constitution is that there be no criticism because as one member expressed it, "it wouldn't be harmony if we did." There are no dues or no refreshments and it is surely refreshing that in our mad scramble for existence to find two people who have the gift of being able to give out good will and fellowship to their neighbors as these good people have.

Miss Jean Baumgartner spent the weekend with her parents, Mr. and Mrs. George Baumgartner, returning to Molalla Tuesday.

Mrs. C. A. Gleason of Auburn, Washington, and daughter, Mrs. Henry Sleik of McMinnville spent Saturday at the Ben H. Hawkins home.
