The observance of Mother's Day has widened year after year, until it is now practically of universal observance in Americs. It is well that a day is set aside for fuller appreciation of Motherhood.

Thousands of sons and daughters today wear a white or pink carnation in honor of their mother. Let us not content ourselves with this outward sign of honoring our mother but love her in reality as the Bible commands it and all great men fulfill this. There is much truth in the saying: "Good mothers made the men of the world," for no man ever lived a right life who had not been chastened by a woman's love, strengthened by her courage and guided by her influence.

Of the importance of a Christian mother's influence! Like Eunice, the mother of Timo-thy used her influence for the good of her son, and was rewarded at seeing him learned in the Scriptures and useful to the world, so many a

mother has influenced her sons and daughters to find the paths of truth and render noble service.

Butsch

"All that I am and hope to be, I owe to my angel mother," Lincoln said and Napoleon being asked "What is the greatest need of France?" said "Mothers." Yes, indeed-Mothers! Christian Mothers is America's and the world's great need at all times.

Out of 120 clergymen that were together relating experiences, 100 assigned the means of their conversions to the influence of their Christian mothers. "Great is thy power, O woman! See to it, that it be used for Him who thought of His mother even in the agonies of death. (Spurgeon.)

We cannot speak of mother's influence without at the same time being reminded of her boundless love that sacrifices, endures and outlasts all other human love. May God continue to give us wise, loving and praying mothers with uplifting influence.
