# Candidate Ferrey Announces Future Plans If Elected J. P.

Local Attorney Calls Attention to Responsibility Placed on Judge

"No office in a democracy is of minor importance," declares Mar-tin F. Ferrey, candidate for the republican nomination for justice of the peace. In explaining why he considers the office seriously, Mr. Ferrey yesterday issued the following statement:

"The office of justice of the to realize. It has the power to impose fines and curtail the freedom north of Jefferson. of those who come before it in criminal matters, therefore, the

"The civil side of the court may be administered easily enough by no money, the man struck him on judiced and of even temper and character. However, the administration of the court in criminal matters is more complex.

"The country is engaged at this the chest. time in a battle against organized crime. The very foundations of our laws and institutions are chal-

"Crime is a social disease. It is Aside from being badly bruisone convicted or even accused of a suffered no serious injury. crime. It is essential to know the tal and physical characteristics sailant, but up to Tuesday night of criminals. The sciences of so- he had not been found. ciology and psychology are as essential to the just administration of our laws as the laws themselves, if we want respect for law, and confidence in our courts. , and confidence in our courts.

"The justice court may be likened to a stream at its source. Pollute the stream there and the whole river becomes polluted.

"Ninety percent and even more than that proportion of cases come to the justice court for disposal, finally, or are there held for the grand jury. If confidence in that increase of litigation and increased | count was 6-5 in favor of the Amcosts to all and delay of justice. ity boys. As far as fees are concerned the propose to do that which is and was tagged. ing impossible things just for the game.

"The constructive program I propose includes: "1. The emphasis on the small

know of its existence so that all nuph. cases involving less than \$20 may be disposed of without cost litigation. That is on our statute books now but people do not know of it generally, and will prevent dilatory tactics for purposes of

gain.
2. I want to help reclaim our. young people and first offenders by studying the reasons why they have committed a given crime. I want the criminals due to accidan', passion, poverty, wealth, acquired habit to feel and know that society and the state are interested in their reclamation. That the courts are not places for persecution, but of protection for the innocent. I want to protect the innocent and make the guilty impotent: not because of punishment applied as vengeance, but justice applied to help those who can be reformed, and for the safety of

society,

\*\*3. In conducting the trials,
especially those involving minors I shall ask representative citizens to be present that they may first hand know of conditions that exist, and the manner of the dispos-

"The office of justice of the peace is an opportunity for real service and it is in that spirit I seek it. We have a new conscience in our political life today. I am interested in human life. I do not parade organizations, nor have I laid stress on the power of expending money. I have asked the people of th eSalem district for my ideal to make the justice court the best of its kind.

"No office in democracy is of minor importance. Life, freedom and justice are dealt in here, and should not be treated lightly."
