C. P. S. IS SHUT OUT DECISIVELY

Willamette Wins Championship of Western Side Of Conference

For the second successive year, Willamette university holds the baseball championship in the western division of the Northwest conference, with an unbroken record of victories in conference games which wound up Wednesday with an 18 to 0 drubbing handed to College of Puget Sound on the Willamette diamond here.

The Bearcats pounded three Tacoma pitchers hard, Cardinal and Peterson getting home runs and Erickson a triple. However, it was the wildness of all three visiting moundmen which made the game a slaughter, as they issued 11 free passes.

Wilson, Bearcat southpaw twirler, got credit for a shutout, allowing only six scattered hits. In general his support excellent. Erickson, Hank, Gibson and Scales making difficult plays which prevented runs. In one inning, the eighth, Wilson made only three pitches.

Erickson's three bagger and Cardinal's homer in the first inning gave Willamette an early lead of three runs. Peterson's wildness accounted for three more in the second and four were scored in the fourth and fifth each on a minimum of hits. Peterson's circuit clout was the only hit in the fifth.

Willamette is now awaiting the outcome of the eastern division competition, and will probably play the winner here if financial support for the game is forthcoming.

WALKER PREPARES TO DEFEND CROWD

CHICAGO, May 14.—(AP)—Mickey Walker, world middleweight champion, tonight left for Louisville, where he will meet Paul Swiderski, New York light heavyweight in the ten round final bout of the derby ere boxing show.

Swiderski tonight was obtained to substitute for Al Friedman, Boston heavyweight, who originally was signed to meet Walker, but was forced to withdraw because of injuries.

Efforts to obtain George Cook, Australian heavyweight, were unavailing. Walker will give away about 15 pounds to Swiderski.

AL CAPONE FREED BY HABEAS CORPUS

MIAMI, Fla., May 14.—(AP)—Alfonso "Scarface" Capone, walked from the municipal jail today, freed for the second time within a week by habeas corpus writ that countered Miami's officials campaign to arrest him as often as he is found in the city.

Arrested with Capone were three companions arrested with him at a boxing bout last night. They were Nick Cirincio, 31, Albert Prignano, 38, and Sylvester Agolia, 35, Circio and Prignano were arrested Thursday with the Chicago gang leader.

Circuit Judge Uly O. Thompson issued the writ today to free Capone and his companions after they had spent 17 hours in jail following their detention on an investigation charge. Judge Thompson signed the writ that freed Capone and his companions from custody last week.

The judge held that the city had not made a showing of sufficient legal cause to hold the men further.

CURT COMMENTS

"Beware of the Greeks bearing gifts," even if the gift appears to be a knee injury. We don't have to tell Sailor Watkins about it now; he knows. But if anybody is inclined to criticize the tattooed wonder for falling into a trap, he ought first to recall that these men had been wrestling hard for most of an hour, and that logical thought and caution are pretty hard to maintain through that ordeal. A wrestler has to size up the situation at a glance. Watkins probably realized his mistake a fraction of a second before Pete caught him for the airplane spin.

Mervin Brattman has decided Salem is a pretty good place to call "home." Too bad he couldn't have decided it a month sooner, so he and the bear could be counted in the census.

Speaking of the census, we bet Eugene won't crow over Salem again very soon about being "just as big."

Those C. P. S. ball players looked as though they had been on a wild party instead of a baseball trip.

Willamette has gone through another season schedule undefeated, but there's still the play-off—probably with Whitman trying once more to stop the Bears.

Yesterday We Saw

An athletic coach tell one of his substitutes to go into the game, and the substitute talk him out of the notion. It seems this lad hadn't broken into the lineup all season and thought he'd rather have four years of competition left than to play two innings and have it count as a year.

BROOKLYN'S ROBINS WIN WITH 2 HOMERS

CINCINNATI, May 14.—Home runs by Wright and Frederick gave the Brooklyn Robins a 7 to 4 victory over the Reds today in the National league standing. Wright's homer tied the score in the third and Frederick's gave Brooklyn a run lead in the sixth. Adolph Lique, former Cincinnati pitcher, held the Reds to nine hits.

Cards Wallop Giants

ST. LOUIS, May 14.—(AP)—A six run rally in the fourth inning combined with some great relief pitching by Herman Bell, gave the Cardinals a 7 to 3 victory over the New York Giants today and their eighth game in succession. The giants made only four hits, three off Grabowski in the first three innings.

FLAX BETTING NOW PRESENTS PROBLEM

How to ret and dry flax 12 months of the year is the key problem confronting the flax industry.

With this solved, great development can be made in the Willamette valley in the next decade—200,000 acres in flax is not improbable by that time.

This is the opinion of E. G. Robinson, formerly owner of the Molalla Electric company at Aurora and now manager of the Pacific Coast Linn mills at Vancouver, Wash. Robinson was in Salem on Wednesday making arrangements with the Miles Linn company to handle some experimental work he is to carry on in connection with Professor Stephens of Albany college.

"Stebbins has been doing special work in testing artificial drying methods," said Robinson. With Robinson was A. L. Redstone of Philadelphia, connected with the largest firm for drying machinery in the world.

Robinson's enthusiasm for the flax suture in the valley was indicated when he went abroad to study conditions in Ireland and in France.

"In northern France before the war there were 600,000 acres of flax growing," Robinson said. "In 1927 Robinson imported \$67,000,000 worth of linen goods, not including yarn and other products. The United States is the largest consumer of flax products and the smallest producer in the world. Oregon and Washington are the years go by will produce the lion's share of these goods consumed in the United States. It is up to us to prepare for the time which is coming."

Practice Baseball Contest Is Staged

NORTH HOWELL, May 14.—The Grange baseball team played a practice game with the American Legion boys Sunday afternoon on the Silverton diamond. The result was a score of 11 to 6 in favor of the Legion team.

Wildcat Pete Pulls Fast One to Throw Sailor Watkins

EUGENE MAN WINS MATCH

Gob Defeated by Airplane Spin as He Falls for Clever Trick

Sailor "Tex" Watkins is probably convinced by this time that when Wildcat Pete appears to be badly hurt, it's time to look out.

The second round of these truisers' second tough match with a week, had gone something like 25 minutes when Pete, who had lost the first fall and had undergone worlds of punishment in the second, decided it was time to pull a fast one.

He rolled out through the ropes in Watkins' grip and as he came back, registered extreme pain in the region of the right knee. Watkins, sensing a favorable break, rushed in and climbed right into an airplane spin, the very thing Pete used to take a fall from Watkins a week ago.

This time Pete didn't spin the sailor quite so long; instead, he wound up with a crashing body slam which put Watkins completely out and dislocated a vertebra. This prevented Watkins from coming back for the third round and Pete won the match.

Watkins took the first fall in 23 minutes, 50 seconds with a stepladder toehold applied in such manner as to pin Pete's shoulders to the mat. Watkins gave the fans a sample of his unusual clowning antics for ten minutes, meanwhile working his serious minded opponent into a fine rage which ended in a free-for-all kicking bout. Pete applied most of the punishment for the next ten minutes.

In general, Pete appeared to have the mastery when head and arm holds were in order, Watkins revealing supremacy in leg and toe holds.

Art Heilly won the preliminary match from Johnny Morrell of North Bend. The local youngster slipped on a Boston crab hold and made Morrell pound the mat after four minutes 15 seconds of the third round. The first two rounds resulted in no falls.

PARIS, May 14.—(AP)—With forty-five American teams in all three divisions, the draw was announced today for the French hard court tennis doubles championships which begin on Monday. The singles draw will not be made until next week as the organizers are still awaiting belated entries.

Miss Jacobs and Coen are to join forces in mixed doubles, Bill Tilden's partner will be Cecilie Aussem, German star, while Miss Ryan is paired with Borotra. Mrs. Moody will confine her efforts to women's doubles and the defense of her singles title.

AMITY'S TOSSERS NICK YAMHILL 21-1

AMITY, May 14.—(Special)—The heavy hitting of the Amity team, coupled with the tight pitching of Elmer Wood, Amity hurler, let the Yamhill county champion-siders, Yamhill, down to the score of 21 to 1.

Neither team had lost a game. Yamhill being champions of the northern half of Yamhill county, while the Amity men claim the championship of the southern half.

The game was played on the home field. The Yamhill team is determined to give Amity a better game on Thursday, May 15, when Amity motors to Yamhill for a return game.

Wood struck out 16 men, while the Yamhill pitchers struck out eight men.

MICHIGAN ENTERS BIG TRACK SESSION

NEW YORK, May 14.—(AP)—The University of Michigan is to be represented in the Intercollegiate track and field championships at Cambridge May 20 and 31, after a lapse of 11 years, but the University of Pittsburgh, an annual entrant, will be among the missing.

Pitt's absence from the entries, announced today, means that Pete Bowen, intercollegiate quarter mile champion and a senior at Michigan will not be able to defend his title.

Meet officials explained that University of Pittsburgh athletic authorities got their dates mixed and scheduled a dual meet with the Army for May 31. As the Army was unable to shift when the conflict was discovered, Bowen and his mates will be competing against the cadets at Pittsburgh on the day of the finals at Cambridge.

DUCKS DEFEAT MISSIONS 5-2

SAN FRANCISCO, May 14.—(AP)—Blanked for eight innings, the Portland Ducks put on a "garison finish" today to beat out the San Francisco Missions, 5-2. Six hits and two walks gave the visitors five runs and the game. Ken Williams, left fielder, started the fireworks with a single. In the rally, Douglas, Mission pitcher, was knocked out of the box. Ted Pillette, starting twirler, for the locals, pulled a muscle in his left side during the seventh inning and had to retire.

LIBERTY TOSSERS LOSE GAME 4 TO 2

LIBERTY, May 14.—The Liberty baseball team went to Brownsville Sunday where it played the Brownsville team. The Liberty team lost by a 4 to 2 score. A number of local people went early and enjoyed a picnic lunch.

Maureen Orcutt reached the fifth round without incident but there encountered Euid Wilson, the gold giant of Nottingham and in the face of a shower of fours from her opponent, was eliminated.

Virginia Van Wile, Edith Quar and Mrs. Stewart Hanley were eliminated in the fourth round, leaving the United States without representation in the lower bracket of the draw.

Miss Wilson will be Miss Hicks' opponent tomorrow and if the American wins and Miss Collett stops Hilda Cameron, her Scotland rival, the stage will be set for another all-American match.

BETHEL WINS OVER RICKREALL 11 TO 4

RICKREALL, May 14.—Rickreall high school boys baseball team was defeated 11 to 4 in a game played with Bethel high boys at Bethel Friday afternoon.
