

# DEMOLAYS TO HAVE MEETING

### Session to Be Held at "Big Quarry" Near Dallas on Saturday

All preliminary plans have been perfected for the big outdoor ceremonial which is to be held at "The Quarry" in the vicinity of Dallas, Oregon, this Saturday, May 24, at 7:30 p. m. From all indications there will be at least 150 DeMolay boys and special guests in attendance. The Corvallis chapter will be responsible for the work in the initiatory degree and Washington chapter of Portland will put on the DeMolay degree. Chemeketa chapter of Salem is sponsoring the "get-together" and will open and close the meeting. The meeting is to be in honor of Dr. O. A. Olsen, who for eight years has been advisor for the chapter.

Letters from Newberg state that DeMolays from there will be on hand with not less than 20 representatives. With a full quota from the several chapters in Portland, Albany, Corvallis, Oregon City, and elsewhere, a great time is anticipated. It is expected that "Father Jupp" will get settled down ere the week is half gone and weather conditions will not interfere. In case of an emergency, the Masonic temple in Salem will be the center of activity. Already a good number of initiates have signed up for the degree and careful selection made of degree teams from the out-of-town chapters.

# MEETING IS HELD BY WOMAN'S CLUB

SILVERTON, May 20. — The Silvertown Women's club held a most interesting meeting at the home of its president, Mrs. George Hubbs, Monday afternoon. A good number of members and several visitors were present for the afternoon.

At the business meeting reports of the Marion county Federation which met at Aurora recently, and of the more recent state federation which met at Salem were given by the various members who had attended. Mrs. C. M. Wray also gave a particularly good resume of "Disraeli," the play which the state federation saw at Salem as guests of the Salem club.

A report was also given on the food sale held at Silvertown Friday afternoon. The report showed a result of over \$18 which will be used to purchase new books for the Silvertown library.

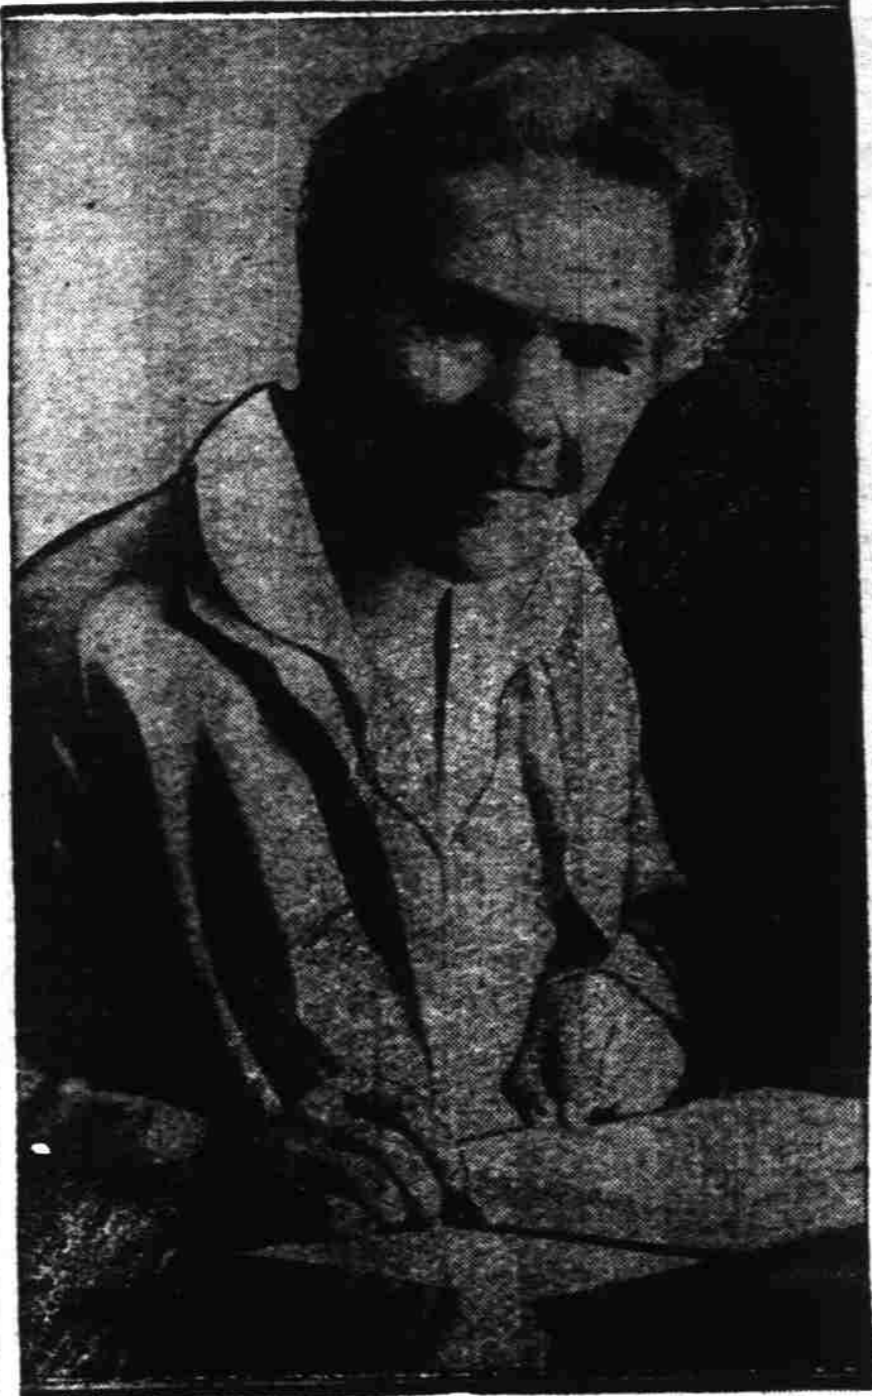

The club voted to hold over the present officers until the second meeting in the autumn. A number of good suggestions were also offered for the autumn meetings. These suggestions were turned over to the program committee to be acted upon. A pleasant number on the afternoon's program was a vocal duet by Mrs. G. B. Denton and Mrs. F. E. Sylvester, assisted by Mrs. Edson Comstock at the piano.

Mrs. Denton spoke briefly on the efforts to organize a local Historical society and urged all club members to try to attend the next meeting of the society.

At the close of the afternoon's business and programs, Mrs. Hubbs, assisted by a group of club members, served tea.

During the tea hour one of the club members called the attention of those present to a Silvertown family very much in need of help. Mrs. Hubbs at once appointed a

# RECHECK UPON CENSUS MADE

### Newberg Yet Slightly Ahead Of McMinnville and Dallas in Late Count

Without question, says Supervisor R. J. Hendricks, there are enough names overlooked to bring the total to 26,100 or more. If you are a Salem booster (and you surely are), and know of any one in the city whose name has by any means been overlooked, you should let the force at the census office know. The office is in the postoffice building, phone 486.

The regular office force will complete the hotel and contractors' census, and of irrigation and drainage projects, without the appointment of a new enumerator.

Up to yesterday, 91 population and farm enumerators had completed their work, and 10 were still working. There were 242 enumeration districts in all, and 215 are reported as finished. The first population schedules were yesterday shipped to Washington; a box containing 56 completed portfolios. There will be several tons in all sent to Washington, including farm and fruit schedules, etc.; to go in the boxes. The distribution and manufacture schedules have gone as fast as finished, with some of these to go yet.

While the schedules are being vouchered, in order that the enumerators may get their money, all the schedules for Salem will

be in the census office for several days yet—perhaps to the end of the month. And additions will be made here 'till they all go to Washington.

# Packages Sent Camp Grounds By Salem Folk

Packages of 50 pamphlets each were being sent to camp grounds up and down the valley and in southern Oregon Tuesday by the chamber of commerce. Each package contained the latest editions of "Trail 'Em to Salem" attractively printed in two colors and with a large number of illustrations.

Many inquiries have come to the chamber from various camp resorts asking for such information. The shipments today were but the prelude for other shipments to be made throughout the vacation season.

# RABBIT BENCH SHOW AT CHAMBER ROOMS

An interesting rabbit bench show was held in the auditorium of the chamber of commerce on Tuesday evening under the direction of the Salem Rabbit club and there was a good sized rabbit entry list and attendance.
