## PINCHOT TAKES SLIGHT LEAD IN PRIMARY RACE

Francis Shunk Brown Trail-ing by Slightly More Than 5000 Votes

Secretary Davis Continues To Pile up Advantage Over Mr. Grundy

PHILADELPHIA, May 21.—(AP)—Ottford Pinchot increased his lead over Francis Shunk Brown for the republican nomination for governor to 5,090 on the unofficial returns from 8,399 districts of the state's 8751.

The vote for governor for the 8,399 districts was: Brown, 84,494; Pinchot, 810,935; and Thomas W. Phillips, wet, 259,755.

Returns from 2,334 districts for senator, gave Grundy 473,013, Secretary Davis 712,637 and Professor Nohlen, wet candidate, 233,268.

WASHINGTON, May 21.—(AP)—The outcome of the republican primary in Pennsylvania today provided the largest morsel of political discussion in the national capital.

Everybody surprised at Election's Result

Surprise was the keynote of all conversations, in the capitol lobbies, at the department, in the hotel lobbies and in all places where state and national republican leaders foregathered.

The sensational victory of Secretary James J. Davis over Senator Joseph Grundy and Francis H. Bohlen, seemed to surprise political analysts as much as did the neck and neck race with Ottford Pinchot and Francis Shunk Brown were making for the gubernatorial nomination.

On his return here at noon, Davis said he planned no vacation period and that he would not resign before writing the annual report of the department of labor for the fiscal year ending June 30. He expressed appreciation for the large vote accorded him, and pledged his best efforts, if elected in November. After paying a brief (Turn to page 7, col. 1)

## ABBEY AGAIN SUED BY MARTIN FERREY

Suit to collect \$10,800 from St. Benedict's Abbey, Mt. Angel, was begun Wednesday in circuit court by Martin Ferrey as ancillary administrator for the estate of Gerhard Rosenbaum, deceased, acting with Henry Klein as plaintiff.

This sum of money, together with interest for several years, is said to be due the plaintiffs from advances made by John Rosenbaum during the years 1908 to 1926. Rosenbaum is alleged to have advanced the Abbey \$13,500 of which \$2750 was returned, leaving a balance of \$10,800 due to Rosenbaum.

John Rosenbaum died in 1926 and Martin Buehler, its administrator of his estate, sold the claim against the Abbey to Gerhard Rosenbaum and Henry Klein, each purchasing a one-half interest.

Gerhard Rosenbaum died in March, 1929, in Spokane county, and willed his one-half interest in the claim against the Abbey to his wife, Anne Klein, in whose interest Ferrey appears as plaintiff.

WORK will be resumed on the filtration plant and other improvements which the Oregon-Washington Water Service company has had under construction here, provided the company is given a guarantee which will be binding upon the city of Salem, that it will not lose money on the construction work.

Word to that effect was given out Wednesday by Walter Keyes, attorney for the water company, upon the authority of E. C. Elliott, president of the company, with whom Keyes had a telephone conversation today.

Some members of the city council had asked Mr. Keyes to see what could be done toward obtaining resumption of the work which was halted Tuesday by order of the company's San Francisco office.

Company Not Unwilling To Continue Work

The attorney reported that Mr. Elliott was not opposed to completing the filtration plant and the mains under construction provided the company could be guaranteed it would not lose.
