Two or three months ago we registered a plea for a real, active American Legion junior baseball program here. Right now it looks like we're going to have it, although bad weather and other things have interfered to date. A lot of the boys have been practicing; a general practice is called for tonight and the first local game Sunday morning.

Ralph Coleman's Corvallis (hicks will come here Sunday. That outfit includes several players who are well known here in addition to Coleman himself. There is Hatenfeldt, who has played various infield positions for the Senators in the last two seasons; Roy Lamb, who played second base in Frisco's outfit last season; Amory "Slats" Gill, who is a Salem boy; and Quisenberry, who used to play for Albany.

HAIR AS YOUTHFUL AS WHEN 20 YEARS OLD

"It was ten years ago that a spell of sickness caused my hair to begin falling out, and turning gray and at that time I was told to begin using Mrs. Lea's Elair Tonic. It is wonderful what it will do for the hair and an occassional application to my scalp has kept my hair perfect ever since them," declares Mrs. Agnes Marshall, who like thousands of others have found Lea's the finest preparation for the hair that money can buy. "Since getting such splendid results myself, I have often urged others to try it, and they too have obtained the same pleasing results. Even some of the heauty shops use it since they learned of what it will do, from me. So you see I am a sincere endorser, and gladly bend my picture that you may clearly see how nice my hair is.
