Central Howell Community Joins in School Picnic

CENTRAL HOWELL, May 22—The last day of school was enjoyed thoroughly Tuesday at Central Howell by over 200 persons. The inclement weather though preventing the usual baseball game between the married men and the boys, was a factor in the large attendance.

Following the program, Mrs. M. L. Fulkerson, county school superintendent, gave a short talk and presented the diplomas to the graduating class and the certificates of perfect attendance to those who had been neither tardy nor absent during the year.

In a banker it's Integrity

in a cigarette it's Taste

GOOD REPUTATION and high standards—these are among the banker's chief assets. Likewise, Chesterfield's.

SMOKERS THE WORLD OVER stick to Chesterfield because of its thorough dependability of quality, its unchanging good taste.

GOOD TASTE!—What smoker would trade it for any number of cigarette claims? No Chesterfield smoker would. For here choice tobaccos are blended and cross-blended to a finer aroma and a richer, milder flavor to give you the utmost a cigarette can offer... "TASTE above everything".

We state it as our honest belief that the tobaccos used in Chesterfield cigarettes are of finer quality and hence of better taste than in any other cigarette at the price.
