No. 53

MEMORIAL DAY PARADE PLANS ARE DRAWN UP

Patriotic Observance to Be Held in Salem Friday Of This Week
Local Business Establishments Will Close For Ceremonies

Officials in charge of the annual Memorial Day parade to be held, starting at 2:30 o'clock Friday afternoon, are issuing a call for all civic, fraternal and patriotic organizations to have representatives in line. The parade and special services to follow it are being sponsored by the Commanders' Council.

Detailed plans for the Memorial day observance in Salem were announced yesterday, and include the line of march for the long parade which will get under way from Marion Square promptly at 2 o'clock and the program at the armory to start at 2:30 o'clock. Col. Carlie Abrams is grand marshal of the day, with Major Elmer V. Woolton, chief of staff, and Lewis P. Campbell, executive officer. The observance is being arranged under direction of the Commanders' Council, which includes H. P. Carnahan as representative of the G. A. R.; L. McKelison for the Spanish War veterans; Bryan Bonley for the Veterans of Foreign Wars; A. C. "Buddy" Bishop, American Legion; and Grant Boyer for the Sons of Veterans.

Business Houses To Be Closed All Day
All downtown business houses will be closed for the day, as will the state and county offices, the schools and other public offices. It is especially requested that merchants in the downtown district display flags in the streets during the day.

Complete line of march for the parade, for which Major Woolton of the O. N. G. is chief of staff, includes formation on Commercial street at Marion Square, with head of column resting in Cheimela street; march east on Commercial to Court, south on Court to Church, south on Church to State, west on State to Liberty, south on Liberty to Ferry and disband at the armory. Section three, however, will turn south on High to State when it arrives at the intersection of Court, turning from State west to Liberty and south to Ferry, where it will disband.

The parade will be divided in four sections, as follows:
Section one—including the grand marshal and staff, floats, the reviewing party in automobiles and the Salem municipal band.
Section two—Major Edward B. Hamilton, O. N. G., commanding; (Turn to page 2, col. 7)

AUXILIARY'S POPPY SALE PROGRESSING

The poppy sale of the American Legion auxiliary is going over in most satisfactory manner according to report from the auxiliary meeting Tuesday night in McCorkle hall. At six o'clock Tuesday night \$188 worth of poppies had been sold. There were 2,500 poppies in all to be sold during Tuesday and Wednesday.
After the report of the poppy sale and the announcement that the regular meeting date on the first and third Mondays of the month would be adopted again, the auxiliary was entertained with a program given by the Liberty children's gym band; the Salem Heights harmonica band; and readings by Jean Bartlett. Following the program refreshments were served.

United Brethren Church Body Plans New Building

Definite action to proceed with construction of the first unit of a new church structure was unanimously voted last night by the Castle United Brethren church in its quarterly conference which followed a potluck supper and general assembly. The first unit will be started late this fall, and will be the educational unit, to be constructed at a cost not to exceed \$25,000.
This unit, to consist of a basement and two stories, will be 30 feet by 72 feet and will house one Sunday school plant. Although final details have not been worked out, it will be a completely modern plant and will take care of all educational features. There will be rooms for all departments, including class and assembly room for each class. The building itself will probably be of brick.
The parsonage, which is adjacent to and on the Nebraska street side of the church, which stands at corner of Nebraska and North 17th streets, will be moved to the east and the educational unit constructed where the parsonage now

Cattle Club Has Largest Show In Its History Here

Annual Spring Event Held at Fairgrounds Yesterday; Distinguished Visitors on Hand to View Choice Animals on Display

THE annual spring show of the Marion county Jersey Cattle club, which was held at the state fair grounds on Tuesday, was the largest in the history of the organization. A marked improvement as to both quality and quantity of exhibits was noted by those who have attended the show in previous years. Every animal exhibited was of an abortion and tuberculosis free herd.

Distinguished visitors from out of the county were present and were enthusiastic over the display. Among these were, O. M. Plummer, manager of the Pacific International Livestock show; Ivan Loughary, field man for the American Jersey cattle club; D. O. Woodruff, George Angel, editor of the Oregon Farmer and Mrs. Florence Gale Neal, owner of world champion Jerseys.

FAIRGROUNDS ROAD EXTENSION ASKED

Agitation Renewed For Improvement in North Salem Area

Extension of Fairgrounds Road in a southwesterly direction from its present terminus at Hood and Church streets, to Broadway at Belmont, is being proposed again and the proposal will come before the city council in the definite form of a resolution at next Monday night's meeting.
The resolution, which has already been prepared, will be introduced by the city planning and zoning commission, which had this matter under consideration about two years ago and at that time obtained considerable data on the probable cost and other details.

The original proposal was to extend Fairgrounds Road to Broadway and then on to Commercial by one of several routes. This is still contemplated but the extension to Commercial is not included in the resolution which will come before the council Monday night.
The route from Broadway to Commercial most favored after three or more were considered, was west on Belmont with a wide curve into Commercial approximately along the route of the now unimproved street commonly called "Vinegar Curve." This plan involved the construction of a wider bridge over North Mill creek on Commercial, a project which is awaiting a more favorable bond market.

The planning commission's proposal for financing the extension of Fairgrounds Road involves the creation of an enlarged improvement district bounded by Broadway, Commercial, Hood and Ferry streets and the distribution of the cost over all of that area so that it would fall lightly on any one piece of property. The cost for this first unit of the extension would be, members of the commission say, between \$50,000 and \$60,000.

The purpose is to provide a new arterial entrance to the city from the north, but the commission does not contemplate that this would be the highway route. It proposes to leave that as it is, but to route trucks over the new road. Trucks are now largely routed over Liberty, Broadway, Hood and Fairgrounds Road, which necessitates a sharp turn at Broadway and Hood and use of Hood which is a narrow street.

Mrs. McCallister Funeral Thursday

Funeral services for Mrs. Hildreth McCallister, who died in a Portland hospital yesterday morning, will be held at two o'clock Thursday afternoon at the Clough-Taylor chapel. Mrs. McCallister was the wife of John W. McCallister of this city. She has been sick the past five months and had been in the Portland hospital the last three weeks.

Lady Astor Takes Pot Shot at Wets

LONDON, May 27.—(AP)—Lady Nancy Astor today engaged in a lively discussion in the house of commons on a motion to reduce the duty on beer.
The members, knowing she always takes part in any debate connected with liquor, gave her a rousing cheer as she entered the chamber and another round of deliberate applause when a little later she said "I'm tired of all this nonsense about beer. And I'm tired also of beer." When she told auditors to "watch and see what the rest of the empire is doing in regard to drink" a conservative member interjected "bottlegging."

Yamhill's Lads Take Field Day Honors Again

McMINNVILLE, May 27.—(Special)—Yamhill high school won the fourth annual field day of the county B league high schools last Saturday on the Linfield college campus.
Contests in field events, tennis, declamation, oratory and typing were entered by students from Carlton, Dayton, Sheridan, Yamhill, Amity and Gaston high schools. Carlton High took second place in the meet and Sheridan came third. Carlton took first in the declamatory and typing contests, Yamhill ranked high in tennis and Sheridan was ahead in track events.

ASTORIA MAN INDICTED ON ARSON COUNT

Joseph R. Burke Accused of Setting Fire to Own Canning Plant

Prominent Salmon Packer is Anxious For Trial at Once He Says

ASTORIA, Ore., May 27.—(AP)—Joseph R. Burke, prominent salmon packer of Portland and Astoria, was indicted by the circuit court grand jury here today on two counts charging arson in connection with the destruction here last January of the Sanborn-Cutting company cannery plant and contents with an insured loss of \$307,200. The plant recently had been purchased by Burke and was being operated by him.

Burke appeared in court immediately following return of the indictments and pleaded not guilty to both charges, one of which accuses him with arson in connection with the destruction of real property, and the other in regard to personal property. He was released on \$1,000 bail pending trial.

Burke's attorneys, following arraignment, made a formal demand for an immediate trial which was refused by Judge Howard K. Zimmerman on the grounds (Turn to page 2, col. 6)

LABORER'S WAGES HELD ON INCREASE

SALT LAKE CITY, Utah, May 27.—(AP)—While the cost of living has been increasing 70 per cent, wages have advanced 125 per cent since 1913, R. B. Motherwell, vice president of the Wells-Fargo Bank and Union Trust Co., San Francisco, told 300 delegates at the afternoon session of the western regional savings conference of the American Bankers' association which opened here today.

The spread between wages and living costs has made possible a general increase in living standards and has enabled people to save more money, Motherwell said.
"Unless conditions alter radically, this condition may be expected to continue into at least the near future," the speaker declared.

At a banquet tonight, Arthur McLaughan, Baltimore, president of the savings bank division of the American Bankers association, declared bankers should develop business by featuring the urge to save. At the morning session McLaughan pointed to unwise speculation when investing was substituted for saving as cause of the "present economic maladjustment."

YANK WOMEN BEAT GOLFERS OF FRANCE

ST. GERMAIN EN-LAYE, May 27.—(AP)—Playing brilliant golf the American women's team captained by Glenna Collett today defeated a French women's team led by Simone Thion de la Caume, French titlist and former British champion, 10 1/2 to 4 1/2. The Americans won three of the five foursomes and took seven of the ten singles with one halved match.
After being defeated by Bernice Wall in the foursomes by Mlle. Thion de la Chaume and Mme. A. M. Vagiano, the American champion came back to win two up in the singles from the French champion.
Maureen Orcutt also on the losing side in the foursomes, played great golf in the afternoon to win by a wide margin from Mme. H. Moulter.
Helen Hicks had a perfect day winning in the foursomes with Mrs. Lee Mida as a partner and swamping Mme. Robert Thion de la Chaume, in the singles.

Melbern Cochran Dies Last Night

Melbern Cochran, resident of Salem for the past six years, died last night at a local hospital at the age of 70 years. He had been receiving medical treatment here and in Portland for some time. The family home is at 845 Hoyt street. Funeral services will be held this afternoon at 2 o'clock at the Terwilliger funeral home and interment will be made in the I. O. O. F. cemetery.

NORTHOTT MAY DIE

SAN QUENTIN, Cal., May 27.—(AP)—Gordon Stewart Northcott, under sentence of death for the Riverside county "chicken ranch" murders, today took a turn for the worse.

BITTER ATTACK MADE ON CHIEF OF BIG AIRSHIP

'Bad Manners' Laid to Hugo Eckener by Newspaper At Rio Janeiro

Graf to Be Brought Northward Toward Lakehurst This Afternoon

RIO JANEIRO, May 27.—(AP)—A bitter personal attack on Dr. Hugo Eckener was published this afternoon by the influential newspaper "Anote."
The paper, though paying tribute to the science and skill of the Graf Zeppelin's commander, asserts that his "bad manners" led to disagreeable incidents during the Zeppelin's brief visit to Rio Janeiro on Sunday.

"Commander Eckener by his bad manners everywhere causes disagreeable incidents with other people and his own countrymen who live in foreign countries," it says.
"When the time came for the triumph of the flight to Brazil, he failed to live up to the code of civility and good manners, not understanding the destinies of his mission but acting as a director of commercialization voyage, which could have rested on a high plane above the little interests to which it degenerated."

"He is solely responsible for the restrictions imposed on newspapers and the disgust of the Brazilian authorities and of the members of the German colony."
PERNAMBUCO, Brazil, May 27.—(AP)—The Graf Zeppelin, with nearly half of her 18,000 mile flight over four continents and two oceans completed, will leave her stubby mooring mast here tomorrow for New York and Lakehurst.
Her first cruise over the Caribbean sea and the West Indies will take her to Havana, Cuba, by Friday. A brief stop will be made at Havana.
The departure will probably take place late tomorrow afternoon, though Dr. Eckener has been careful not to make statements to newspapers. At Camps Guigua airfield all was activity as the cooler hours of the evening set in.
Fuel, lifting gas, ballast and provisions were put aboard, together with a ton of mail. Most of the inflating of the big gas bag is done at night because of the heat of the equatorial sun, and it has been slow work.

COMMITTEEMEN TO MEET NEXT MONDAY

Precinct committeemen of Marion county have received notice of an organization meeting of the county republican central committee to be held at the courthouse next Monday morning at 10:00 o'clock. At the meeting a county chairman, a secretary-treasurer, state central committeeman, congressional committeeman and a district nominating committee of five will be chosen.
The complete list of precinct committeemen was given to Newell Williams, secretary of the organization. Ties in five precincts were broken Friday with the selection of Emil Carlson, Salem No. 21; Jerome Jackson, East Hubbard; Ed Haynes, Mill City; Clifford Strom, Silver Falls and Leonard Walker, West Stanton as representatives of the respective precincts.
Hal Patton, vice chairman, will preside at the meeting, in the absence of J. C. Perry, county chairman, who left for a trip to the east last Saturday.

G. O. P. CONVENTION RESOLUTION FLAYED

HOQUIAM, Wash., May 27.—(AP)—Action of the state republican convention at Bellingham last Saturday on the prohibition and world court issues was not representative of the republican party in Washington, Alex Polson, prominent logging and mill operator of Hoquiam, declared Mr. Polson was formerly a member of the state legislature.
He predicts that very little attention will be paid to the convention's action by the voters.
"The republicans of the state are far from wet," declares Mr. Polson. "When the state voted the rich portions of the residential districts voted wet but they did not constitute a majority. Neither does the way the convention voted represent the principles for which the public stands."

Willamette's Physics Prof Gets New Job

Professor F. D. Leamer, instructor in physics at Willamette university, will leave with Mrs. Leamer for the east June 23, where the former will accept a position with the Bell Telephone laboratories in New York City.
The couple plans to make the trip leisurely, stopping in South Dakota and Iowa to visit relatives and friends. Mr. Leamer expects to begin his work in New York about August 25.
William Mumford, retiring student body president and a major in physics, has also accepted a position with the Bell company.

FLOODS CONTINUE

NEW ORLEANS, May 27.—(AP)—Refugee camps dotted the hills of Red River and Natchitoches parishes tonight as flood waters from Red river and its tributaries forced more families from their homes.
MAX WORKS OUT
ENDICOTT, N. Y., May 27.—(AP)—Max Schmeling continued today to practice his knockout punch on Jack Demave who spends much of his sparring time with the German on the floor,

Slight Illness of King George Is Cause of Uneasiness in England

His illness not yet regarded as serious, King George of England is nevertheless confined to his quarters in Buckingham palace, again causing his British subjects to wonder how long it will be before he is lost to them and succeeded by his son. In the unusual photo shown above the king and two of his sons are at a ceremonial in London. Reading, left to right: King George; the Prince of Wales, heir to the throne; the Duke of York, the king's second oldest son, and Prince Arthur of Connaught.

Illness Of King Is Held Not Serious

British Sovereign Has Attack of Inflammatory Rheumatism and Is Forced to Remain Away From Third Court of This Season

LONDON, May 27.—(AP)—For the first time in twelve months British people tonight were scanning the press for reports of the illness of their sovereign.
Confined to his quarters in Buckingham palace with a painful attack of inflammatory rheumatism centering in his right hip, King George was obliged to forego the third court of the season, this evening, his place being occupied by the Prince of Wales.
Otherwise, according to official announcement, the king was maintaining his usual schedules. George V is nearly 65 years old. He has had two severe illnesses in the last two years. The first illness, however, was only indirectly related to these, due to his somewhat depleted vigor.
Lord Dawson of Penn, the monarch's personal physician, said his place being occupied by the Prince of Wales, said his majesty was in no condition to undertake the tedious ceremonies of the court tonight, giving the first intimation of his attack.
Prolonged damp weather was blamed for the king's rheumatism. It was said for him he hoped to receive the chamber of commerce delegates later this week and attend the New York Philharmonic Symphony concert at Albert hall Sunday.
The public tonight awaited hopefully the confirmation of these reports.
The king's indisposition is not considered serious. Lord Dawson of Penn and Sir Stanley Hewitt, the two physicians to the king, called on his majesty during the afternoon and while no bulletin was issued, it was understood the royal patient was progressing satisfactorily.

Lumber Mill's Production to Be Bit Reduced

Because the slack conditions of the lumber industry has made it necessary work at the C. K. Spaulding lumber company mill will be cut to a 40 hour week basis, officials of the company have announced.
The new schedule calls for a six day week with slightly less than seven hours a day of work. This plan was chosen instead of the five day week, eight hour day basis as used in many lumber companies in the west. The new schedule goes into effect next Monday.

ASTORIANS SCORE LOW

EUGENE, Ore., May 27.—(AP)—Bill Palmberg, of Astoria, won medalist honors in the qualifying rounds of the Oregon state amateur golf tournament here today by negotiating the 36 holes in 145. Palmberg shot a 75 in the morning round and slipped it to 70, two below par, in the afternoon round.
Frank Dolp, of the Alderwood Country club, was second in the qualifying round with 147, and his brother, Vincent, was third with 148.
Others who qualified for the championship flight included George Beecher Salem, and Harry Welch, Astoria.

MRS. ESTERLY RESIGNS

EUGENE, Ore., May 27.—(AP)—The resignation of Mrs. Virginia Judy Esterly, dean of women at the University of Oregon for the past seven years, was made public today. The resignation will take effect at the end of the present school year.
Mrs. Esterly plans to spend next year in advanced study and after that intends to study for a degree of doctor of philosophy, probably at the University of California. She holds the degrees of bachelor of arts and master of arts from that institution.
Mrs. Esterly came to the university as dean of women in 1923 and has been on the campus ever since, except last year when she did research work in Europe.

"OREGON WILDCAT" HIT

WASHINGTON, D. C., May 27.—(AP)—Representative Korell of Oregon, today told the federal radio commission that Robert Gordon Duncan, self-styled "Oregon Wildcat" had "assailed my character and maliciously vilified

Litigants Disbarred By Court

Joseph and Mannix to Be Refused Right to Practice

Way Is Left Open for Apology and Reinstatement

Permanent disbarment of George W. Joseph, republican nominee for governor, and Thomas Mannix, both Portland attorneys, was ordered in opinions handed down by the state supreme court here Tuesday.
The opinion in the Joseph case was written by Justice Belt and the opinion in the Mannix case was written by Justice Rossman. Justice Bean, in dissenting opinions, recommended the disbarment of Joseph for a period of three years and Mannix for a period of one year. Neither Justice Rand nor Justice McBride, against whom charges were made, participated in either case.
Recommendation of Referees Recalled
Referees G. F. Skipworth of Eugene, Fred Wilson of The Dalles and H. D. Norton of Grants Pass, who were appointed by the state supreme court to conduct the disbarment hearing, had recommended the permanent disbarment of Joseph and the disbarment of Mannix for a period of three years. The hearing was held in Salem last December and required more than 10 days. All three of the referees are circuit judges.

In writing the predominating opinion in the Joseph case, Justice Belt referred at some length to certain articles appearing in the Portland Telegram, a political pamphlet entitled "The Truth About Rand" and a radio address which was at various times printed in pamphlet form. In the pamphlet entitled "The Truth About Rand," the opinion set out that it was indexed judicial murder, raiding and rifling a charitable fund, a decision in scardlet and judicial gymnastics.
Case Then Pending Before Supreme Court
Virtually all of Joseph's accusations in these newspaper stories, radio address and pamphlets referred to the E. Henry Wempe embezzlement fund case which was alleged to have been pending in the state supreme court at a time when Rand had granted Mannix an option to purchase a mine in Baker county for \$300,000.
"What did Joseph do in the hearing before the referees to substantiate his charge of corruption against Justice Rand?" read Justice Belt's opinion. "He offered in evidence a copy of the option on the mine. This is absolutely the only evidence, aside from the decisions of this court, upon which the defendant relied in support of his grave accusations. No evidence was offered tending to show that Wickey ever purchased any interest in the mine when Rand had granted Mannix an option to purchase a mine in Baker county for \$300,000.

This is absolutely the only evidence, aside from the decisions of this court, upon which the defendant relied in support of his grave accusations. No evidence was offered tending to show that Wickey ever purchased any interest in the mine when Rand had granted Mannix an option to purchase a mine in Baker county for \$300,000.
"What did Joseph do in the hearing before the referees to substantiate his charge of corruption against Justice Rand?" read Justice Belt's opinion. "He offered in evidence a copy of the option on the mine. This is absolutely the only evidence, aside from the decisions of this court, upon which the defendant relied in support of his grave accusations.
