ACE

Finest, swiftest, most powerful of all light motors. Weighs only 25 pounds, develops 7 horsepower. Equipped with underwater silencer, Ebbman Magneto, Lockwood Pilot. Price, \$170.00.

Lockwood Outboard Motors

BEFORE you buy any outboard motor, call on us and inspect the Lockwood line. We believe you'll find every outboard quality you want in a Lockwood—and many valuable features you'll find in no other motor. Exceptional power and speed with light weight—easy starting (electric starting available on the Chief), quiet, flexible, smooth. Here is the Lockwood line:

CHIEF

Foremost motor for good sized family boats, runabouts and racabouts. Develops 14 horsepower. Price, electric starting Chief, \$255.00. Cord-starting Chief, \$190.00.

FOLD-LIGHT

World's lightest, most compact twin-cylinder outboard. Weighs only 25 pounds, develops 2 1/4 horsepower. Lower end folds when not in use to 17 inches over all dimension. Price, \$145.00.
