

# SOME WILLING TO SERVE CITY

### Water Board Report Part of Long Grist of City Council Business

With Alderman W. H. Dancy acting as presiding officer in Mayor T. A. Livesley's absence, the city council ground out a long schedule of business Monday night, interspersing its routine with lively discussions on subjects ranging from a "cinder menace" to the proper fee to be paid for an appraisal of the local water system. Dancy had the session under way by 3 o'clock and adjourned by 10:15 p. m.

The report of the public utilities committee, presented by O. A. Olson, was accepted and placed on file. Olson reported that a number of men, approached by his committee, had indicated they would serve on the water commission if chosen by the council.

Included in Olson's list was William Gahlsdorf, Leo Childs, W. H. Grabenhorst, Ray Smith, Fred Paulus, F. L. Utter, August Hucklestein, Joe Baumgartner, F. H. Welch.

Hughes Appointed on Important Committee

S. A. Hughes was named by the committee on committees, Henry Vandevort chairman, to take the place of W. W. Rosebraugh, alderman resigned, on the street committee.

Due to remonstrances bearing the names of more than 50 per cent of the property holders in the district where the improvement was to be made, an alley in block 19 in the city and the street from Jefferson to Fairgrounds will not now be improved. Recorder Poulsen announced.

Fire hose bids presented by four different firms were referred to the committee on fire and water.

The W. W. Rosebraugh iron works was awarded the contract to furnish the city with 35 rings and covers for sewer man-holes. The price was \$11.30 each and there was no opposing bid.

**Elections Results Given Recognition**

Mayor Livesley's proclamation on the city election May 16 with ordered placed on file along with the report of the canvassing committee. The official count showed that Gregory received 3235 votes for mayor; Rostein received 3189.

E. A. Rhoten's motion that the airport committee be permitted to purchase a "merry-go-round" scraper for the airport was revised by the chairman to authorize his committee to receive a price on the scraper before its purchase and to submit the price to the council. Alderman Dancy declared this was the correct procedure since the committee had no funds on hand.

The Oregon Stages Co. informed the council that the franchise ordinance passed by the voters at the May 16 election had been accepted.

**Audit of City's Books is Ordered**

The council was informed that a remonstrance had been filed to the improvement of Nebraska street between 15th and 21st streets.

A motion that the city council proceed to lay a sewer to the plant of the Western Board Products company near the fairgrounds was referred to the sewer committee with power to act.

The recorder announced the receiving of a communication from the Liberty community club favoring the establishing in Salem of "a public market in the true sense of the word."

Two proposals for making an audit of the books for 1929 of the city were referred to the appropriate committee. Frank R. Kellogg submitted a price of \$350 while Arthur C. Davidson named a price of \$275.
