

Cannery Season Approaching "Full Swing" Status Now

STRAWBERRY CROP DELAYED

Only 25 Per Cent of Cold Pack Capacity Reported Available Now

The local cannery season will not be in full swing for at least ten days, according to managers of the various plants. The cold weather has delayed the ripening of strawberries to such an extent that the packing plants are unable to run to more than 25 per cent of capacity and several will not attempt operation for ten days or two weeks longer.

Hunt Brothers are cold packing Marshall berries but are able to obtain only 25 per cent of the amount they are prepared to handle.

The Northwest Fruit Products company will not begin for some time, until berries are available in sufficient quantity to justify a start.

Gooseberry Pack Finished, Report

It is understood that Reid Murdoch and company has finished the gooseberry pack and is cold packing and preserving a few bushels daily but canning will not be full swing for some time.

The Starr Fruit Products company is working at about 25 per cent capacity.

Local berry buyers are not disengaged by the present condition of the cherry crop, despite the gloomy view of many growers. They admit that the drop has been heavy but feel that there will be a fair crop of cherries and that the quality will be better than in previous years.

KORELL MAJORITY NOTED IN CANVASS

ROAD SUPERVISORS IN TO ASK HELP

Several road supervisors were in Salem on Tuesday to confer with Roadmaster Frank Johnson about work in their districts.

I. F. Bewley, in charge of work in District 36, which includes the stretch from Niagara to Gates, is keeping one man besides himself busy on maintenance work. He finds that each day the road must be inspected and rocks falling during a 24 hour period removed. In between times the men are busy rounding out the sharp corners on some stretches of the road.

E. Z. Coffman, supervisor in District 32 near Silverton, was in to check with Johnson on gravel being placed on market roads in that section.

John Fahy on District 27, five miles south of Salem consulted during the day with the roadmaster.

DICKINSON RETAINS BIG LEAD IN IOWA

DES MOINES, Iowa, June 3.—(AP)—Rep. L. J. Dickinson had piled up a lead of more than 75,000 votes tonight over Governor John M. Hammill for republican senatorial nomination with returns from Monday's primary almost complete.

Unofficial counts in 2,198 of the state's 2,424 precincts indicated the Dickinson carried all but 12 of the 99 counties.

The farm vote apparently swung to Dickinson, who campaigned for the Hawley-Smoot tariff bill. Hammill ran better in the cities although Dickinson swept Des Moines.

Dickinson's vote remained at about 55 per cent of that cast for four candidates. Frank J. Lund and W. O. Payne were also in the race. Together they polled about 50,000 votes. Thirty five per cent of the vote cast is required under Iowa law for nomination.

Telegram Truck Operator Badly Hurt in Wreck

Kenneth Wimer, truck operator, was seriously injured early Tuesday afternoon when the delivery truck he was driving collided with a car on the Pacific highway two miles north of Canby. Wimer was rushed to an Oregon City hospital.

Wimer works for the Portland Telegram and was on his way to Salem and interesting points, with the papers for the day.

Fossil Man Is Killed in Auto

HOOD RIVER, Ore., June 3.—(AP)—E. V. Mathews, of Fossil, was killed tonight when the automobile in which he was riding struck a Columbia Gorge auto stage near Warrendale on the Columbia highway tonight. Wimer was rushed to an Oregon City hospital.

Mathews was with Mathews' wife, Dan E. Flory, also of Fossil, who suffered a broken leg and internal injuries. He is in a local hospital. Physicians expect him to live.

AMIDST A BURST OF PROLONGED APPLAUSE THE SECOND ANNUAL DANCE PLATEAU OF BETHLEHEM PROTESTANT SCHOOL OF DANCING, came to a spectacular close at the Fox Elsinore theatre Tuesday night.

The final number was an original Egyptian ballet written by Miss Barnes and directed by her.

Spectacular in effect, portraying in splendid manner the modern tendencies which have been introduced into dancing by Kreutzberg of Germany.

The story was vividly interpreted by the dancers. The lead was taken by Miss Barnes herself, assisted by Don Schappa, a very splendid brawny giant of a dancer. Billy Snyder, Zeina Luthy and Josey Akin, and a chorus of temple maidens.

Miss Barnes, dancing as a mortal, entered the Temple of the Sun God. Conqueror reigned because some one of the court had complained to let her in. The dance was full of this fiery anger, and the pleading of the mortal for the Sun God's favor and later for mercy.

The music which accompanied the Egyptian ballet was partly original composition of Don Schappa and the whole score was arranged by him. It created a perfect complement to the beauty of the ballet.

Baby, a second ballet was charming and represented some excellent work on the part of the young little folk who carried the story through its dance expression. It is difficult to point out those who did unusual work for each of a large number carried out in admirable fashion.

The 4th unusual dance number was the rhythmic design num-

ber which was created by a rhythmic succession of geometric construction created by seven dancers. The effect was beautiful and highly professional.

The keynote of the series was professional and finished. All the numbers moved smoothly and in quick succession, the completed revue ending at a woe bit before 10 o'clock.

The one weak spot, if such there was, was in the adagio numbers.

Miss Akin did very good work but her partner seemed to be working under some difficulties.

Woo Little, Pauline Zoll, Chambers was nothing short of a professional in spite of her few years.
