PLAYBOY FOLDING GLIDER

Given For Securing One New Two-Month Subscription to The Oregon Statesman
No Money to Collect

It's Different! Made to Last!

No experience required! Hours of Fun!

COMES PACKED READY TO FLY

GET YOURS NOW

The PLAYBOY FOLDING GLIDER is shot straight up 100 or 150 feet by a special rubber. This is possible because in the folded position it goes up like an arrow. The air holds the wings folded until the glider reaches the pinnacle, when they open. It will then make one loop and gradually circle and glide to the earth.

As the PLAYBOY GLIDER does not depend upon a small propeller and lightness to lift it into the air, it is made very sturdy. The wooden nose protects it if shot head on into a wall. If a wing hits any obstruction, it simply folds back and after freeing itself the wing opens and continues its flight.

Secure one New Two Month Subscription for The Oregon Statesman and be One of the First to Receive your Playboy Glider.

The Playboy Folding Glider is offered exclusively by The Oregon Statesman. On Display at the Statesman Office.
