## MOVIE FROLIC DATE NEARING

**Plans Take Shape For Big Event Saturday Night At Show Pavilion**

Details of the spectacular Moving Picture Frolic, sponsored by Capitol Post No. 9, American Legion, to be held next Saturday night, June 14, at the horse show pavilion at the state fairgrounds are being shaped into what already looks like an eye-opening event.

The Frolic is the finale preceding actual shooting of the first Willamette valley movie, "The Purple Flood," Dagmar Pictures of Hollywood, group which will take the valley film, is assisting with the frolic. Sol Smith, Dagmar president, declared yesterday that the motion picture frolic has consistently been the biggest attraction in any town which his company has visited, and that interest in this unusual event always runs high.

**Screen Test Results Viewed**

The gigantic Frolic, which will begin promptly at 8:15 o'clock, will contain a series of interesting and varied acts, but highlights of them all will be the first showing of Salem and valley people as they look through the eyes of the camera. Scores of the many screen tests which Dagmar studios have made here in the past two weeks will be flashed before the five or six thousand people expected to gather for the Frolic.

In addition to the showing the screen tests, following which judges will announce the cast for the all-valley movie, will come a medley of other events, including parade by the American Legion drum corps of Salem; lively orchestra music; act by two professional Spanish dancers; tap dancers' act; with dancers selected from Barbara Barnes' school of dance; and expose of trick motion picture snots. Other acts are promised, and it is present negotiations carry through, a genuine surprise will cap the entire performance.

Mr. Smith reports that arrangements have been made to run a special train from Eugene to the fairgrounds for the frolic, and that advance indications point to a large delegation from Eugene and way points. A large number of film tests have also been made in that section.

## HE SUFFERED FOR YEARS WITH PILES

Bleeding Kind Was So Painful He Slept on a Pillow

**TELLS HOW FINALLY HE OVERCAME PILES**

"It was no cinch for me to overcome my pile trouble because I suffered more or less that way for twenty-five years, but in six weeks time I was rid of piles and feeling like a new man and thinking it simply wonderful. I am writing to let the whole world know," declares Hugo Miller, a prominent paperhanger of Abbotsford, Wisconsin.

"My piles were the bleeding kind. Pains in the bowels almost doubled me up sometimes and the pain was so bad that I couldn't lay in bed comfortably so I slept with a pillow under my legs. Of course I already had tried a number of remedies for piles through the years but they did no good until a couple months ago I ran across these wonderful Colac Pile Pills. The first couple bottles began to show results. The pain got less and then stopped. I kept on taking them for a full six weeks and it was marvelous the way they worked. I recommend Colac Pile Pills to everybody now," continued Mr. Miller.

"Until the perfection of these pills which you swallow with a little water at meal times, about the only remedies known for piles were a surgical operation, salves or suppositories. Now nobody need suffer any longer. They are guaranteed to completely relieve you of every sign of piles or money back without quibble or question. At drug stores or by return mail on receipt of 75c in stamps or coins. Colac Chemical Co., Brentwood, Maryland. Adv.
