CLOSES OUT

ENTIRE STOCK

Every shoe in this enormous stock is to be forced out. Thousands of pairs of the world's finest shoes will be placed on sale and offered to our customers at their own price.

The stock is to be sold and sold quickly. Every shoe for man, woman or child is to be turned into cash and to do this we realize that it takes drastic

slashing of prices. We also realize that we are dealing with a conservative buying public and only outstanding bargains receive the slightest consideration. With those glaring facts in view we have priced our merchandise and when you have looked over the following prices you will realize we mean business.
