

MRS. CAMERON PRESENTS MANY

Silverton Music Teacher Will Have Series of Recitals

SILVERTON, June 10 — Mrs. Gertrude Cameron will present her younger pupils in recital Wednesday evening at the Eugene Field auditorium.

Those being presented Wednesday evening are Eva Sawyer, Margaret Swanson, Clarine Reed, Elizabeth Newell, Betty Morley, Joyce Simmons, Daisy Meyers, Geraldine Dickman, Maurice Davis, Jane Comstock, Ellen Lerafeld, Jean Tomlinson, Barbara Jean Palmer, Louise Specht, Mable Lonsdorf, Oscar Specht, Harlan Anderson, Jane Bowman, Jean Bowman, Mary Nofsker, Marjorie Hubbs, Virginia Brown, Billy Tomlinson, Weston Smith, Lois Gay and Florence Jacobsen.

Phone Manager Has Operation

C. C. Aller, manager of the Pacific Telephone and Telegraph company here, is in the Salem general hospital recovering from a major operation he underwent Saturday.

DIVORCED WEB

RENO, Nev., June 9—(AP)—Living T. Bush, head of Bush terminal, New York, today was divorced by Mrs. Maud H. Bush on a cross complaint and a few moments later was married to Miss Marion Spore, who has been making her home here.

Price Decrease Shown in Bids To Institutions

Bids received by the state board of control for supplies to be used by the various state institutions during the last six months of 1929 show a slight decrease in prices when compared with those in June of last year.

Fresh beef, which sold in June, 1929, for \$14.60 per 100 pounds was quoted in today's bids at \$12.60. Beans dropped from \$12.75 per 100 pounds a year ago to \$6.90. Coffee, which a year ago was quoted at 28 cents per pound a year ago is now 16 7-8 cents per pound.

Flour, which a year ago was quoted at \$5.07 per barrel is now \$4.65. Smoked ham decreased in price from 26 cents per pound in 1929 to 23 cents. Bran, which is purchased in large quantities by the state, increased in price from \$25.63 per ton in June, 1929, to \$29 per ton in today's bids.

Two in Trouble For Violating Traffic Rules

Violation of traffic rules caused trouble for Harry C. Witte of Milwaukie and George Melendy of Portland on Monday when they were ordered to appear in justice court.

Witte was charged with parking a car on the highway and driving while intoxicated. Melendy was charged with speeding, officers asserting that he was driving at a rate of 70 miles per hour. Both offenders were ordered to appear in court later in the week.

Amis Smith pleaded guilty in justice court to a charge of assault on Monday and his bail was fixed at \$500. He was lodged in the county jail to await sentence. Smith is said to have admitted to officers that he accosted a woman in Bush's pasture when he was in an intoxicated condition.

Tallest of Pea Vines Claimed

Clarence Holder of route four, is challenging the rest of Marion county farmers to show him pea vines that are taller than those on his farm. Holder says he has two rows of peas 50 feet long, and that they average seven feet in height.

BOURBONS' COUNTY MEETING DELAYED

Lack of Holdover Secretary Reason, Claim; Active Campaign Planned

If Marion county Bourbons intend to carry the county for Edward Bailey they are off to a late start with the 20 days allowed by law for the organization of their central committee gone, and no prospects in sight of starting the organization for some time to come.

Tuesday democratic leaders admitted that nothing had been done although August Huckenstein, who is state committeeman under the former central committee regime said a "real campaign was to be waged this fall."

Under the Oregon law, the secretary of the organization intact before the primary is required to call a meeting within 20 days after the primary and at the called meeting the officers and committees for the ensuing two years are to be selected.

Joe D. Minton, formerly an attorney in Salem, served during the Smith campaign as secretary but Minton has removed to San Francisco and evidently no successor has been named.

Under the law, when the county secretary does not function, it becomes the duty of the state chairman of the party, after the lapse of 20 days, to name a temporary chairman. He notifies all the precinct committeemen of the party that an organization meeting is to be held. This temporary chairman presides at the organization meeting until new officers are elected.

Huckenstein indicated Tuesday that the delay was only temporary and that a central committee would be formed.

F. G. Deckebach - New Member Of Park Board

Frank G. Deckebach was appointed by Mayor T. A. Livesley on Monday to the city park board, filling the vacancy created by the resignation of Homer L. Smith.

Mr. Deckebach said Monday night his appointment was a complete surprise to himself but declared he would accept. For many years Mr. Deckebach has been interested in gardens and his own home has one of the most beautifully landscaped yards in the city.

Other members serving on the park board are Miss Edith Hazard and Lewis P. Aldrich.

TWO NEW COUNCIL MEMBERS SEATED

Paul Hendricks and George Averett, newly elected aldermen, were in their seats at the city council Monday night without protest and with none of the fireworks which some observers had opined would accompany their first attendance as newly elected representatives from the seventh and fourth wards.

Some doubt as to whether or not Aldermen Rhoten and Herick appointed to fill the vacancies of Aldermen Thompson and Giesey, deceased, should continue throughout the year was expressed last week.

City Attorney Trindle dispelled any uncertainty Monday with the clear statement that the city charter provided the newly elected aldermen should serve as soon as "elected and qualified." He held that when the aldermen presented themselves at the city recorder's office and took the oath, they became duly qualified. Trindle said Hendricks and Averett took this step last week.

Both men answered to roll call with a hearty "here" but aside from that brief statement, neither of the neophytes took any part in the evening's discussion.

BERRY FESTIVAL IS TO OPEN THURSDAY

The annual West Salem strawberry festival will open Thursday and will continue over Friday and Saturday, with larger exhibits than ever before, according to Walter Gorth, president of the West Salem community club.

Farmers have been invited to bring their choice berries and enter them in the competition. The winner of first place will receive a prize of \$10 and the second place prize of \$5. Cannermen have also promised exhibits of fruit.

Plans have been made for river sports including motor boat and canoe races with only local boats competing. These boat races will be held on Friday and Saturday and will be devoted to a field meet.

There will be an amusement company on the grounds and the community club will receive a percentage of the receipts from these shows. The money will be devoted to the community clubhouse fund.

BAILEY PLURALITY 1551, ANNOUNCED

Edward F. Bailey of Junction City defeated George R. Wilbur of Hood River, for the democratic nomination for governor at the recent primary election, by 1551 votes, according to the official count which was nearing completion in the state department here Monday.

The official tabulation shows that Bailey received 11,939 votes, Wilbur 10,386 votes, A. C. Hough of Grants Pass 2679 votes and Ed S. Piper of Portland, 4395 votes. Elton Watkins of Portland, received the democratic nomination for United States senator with a total of 25,058 votes. C. L. McNary, of Salem, incumbent, is the republican nominee.

W. A. Delzell, of Salem, received 10,440 votes for the democratic nomination for representative in

congress for the first congressional district. He will be opposed by W. C. Hawley, of Salem at the general election. Robert Bradford of La Grande received the democratic nomination for representative in congress for the second congressional district. Bradford received 85 votes. Robert Butler, of The Dalles, received 43 democratic votes for this office. Butler is the republican nominee.

Charles L. Martin, with 705 votes, received the democratic nomination for representative in congress for the third congressional district. Franklin F. Korell of Portland is the republican nominee for this office.

Harry Belt, republican, received both the republican and democratic nominations for the office of justice of the state supreme court, position No. 6. Belt is the incumbent.

C. A. Howard, for state superintendent of schools, and C. H. Gram, for state labor commissioner, also received both the republican and democratic nominations. Howard and Gram are republicans.

King Case May Come Up Before Board Tonight

Whether or not Joe King, high school student body president, whose credits were denied him last week on the eve of graduation, will appear before the school board tonight to urge that the board hear his case, was not known yesterday.

Fred Wolf, principal of the high school, declared late yesterday afternoon that he had not changed his mind on his original decision to withhold Joe's credits. If King can not reach an understanding with the principal or city superintendent, his only recourse is to the school board.

Without his school credits, King will not be able to enter college next fall as he had planned.

CHAMBER LAUNCHES MEMBERSHIP DRIVE

A drive to enlist new members for the chamber of commerce got under full swing Monday when 125 members of the 650 now enrolled in the organization, organized for action under the leadership of Douglas McKay, membership chairman.

"Chambers of commerce are necessary," said McKay. "You no longer have to sell people on that fact. Occasionally you'll find a complainer but almost all business men put the chamber in the same class in their budget as taxes or rent."

McKay went on, in brisk, forceful style, to tell his captains and their workers that the Salem chamber is on a cash basis with a constructive operating program. He said more members were needed by the organization and that this week has been set aside to secure them.

Each captain responded to McKay's call and pledged himself and his crew of workers to strenuous effort to wind up the drive this week. The objective is one new member to be secured by each of the 125 workers. Groups are to be divided into groups of three for purposes of soliciting prospective members. Special prizes to the winning team were announced by McKay.

Action Delayed Upon Choice of Appraisal Firm

No action was taken upon the question of selecting engineers to appraise the water company here at the council meeting Monday night although the council approved and placed on file the report of the utilities commission.

Their report stated that many engineers had been consulted but the commission was as yet unable to make recommendations as to the firm or firms to be retained. The report then named the engineering firms which had been discussed and concluded with the remark that if the commission were to be called upon just now

FUTURE LOCATION NOT YET SELECTED

The Roth Grocery company has as yet made no decision as to its location beginning January 1, 1931. Edward Schunke, manager, said Tuesday. Several buildings have been offered the firm under lease but no proposals have been accepted. The company is considering erecting its own store building but the site has not been determined.

A lot is owned on High street adjacent to the city hall, while some consideration has been given to a location on North Liberty street on the east side, between court and Chemeketa streets. Mr. Schunke said the decision of the store would probably be made by August 1.

The Roth company closed a lease early in 1928, whereby their building on Liberty street was obtained from Santa Barbara. Mr. Schunke said the decision of a national firm selling goods at a price range of from one cent to one dollar.

Bits for Breakfast

(Continued From Page 4) tion proceedings. If that is the proposition, made with all cards on the table, the city would save the franchise or going concern value, plus income during the long proceeding, plus many thousands in fees of engineers and lawyers, etc. And peace and fair dealings in such cases are generally cheaper than war.

A grandson of Daniel Lee is to drive from Santa Barbara, Cal. to be present at the dedication of the Jason Lee mission site. There will not be room on the site for half the people who will attend, in case the weather is fair.
