PERKINS DISTRICT SCHOOL IS CLOSED

LAKE LABISH, June 11.—The closing of Perkins-Maplewood school district 102 occurred here Monday. The patrons and friends of the

The building was tastefully decorated with wild flowers and the blackboards were artistic with motifs of bluebirds in flight. Little Opal Rishel fell upon the cement, inflicting a painful though not dangerous wound. This was the only accident to mar the day. Miss Thelma Barnett, who is closing her second year of teaching here will be employed the coming year at Mission Bottom.
