SAFETY, COMFORT, PLEASURE FOR THE FAMILY

Ability to understand and supply the motoring needs of the American family has been the backbone of Dodge Brothers success over a period of 15 years. All the experience thus accumulated has been put into this latest Dodge Brothers Six, with the result that this car is even more popular than any of its predecessors. It is comfortable,

safe, easy-riding and easy to control. Doors and windows are extra-wide. There is ample space for five adult passengers, with leg-room,

head-room and elbow-room to spare. The Mono-Piece Steel Body affords protection that promotes peace of mind. The weatherproof internal hydraulic brakes are an important safety factor. The flexibility of performance that comes from a smooth, powerful engine is still

another insurance of satisfaction. This car has, of course, traditional Dodge dependability and long life. Let the family see and drive it.
