CHICAGO GRAIN CHICAGO, June 13-(AP)-Unsettled by drought-breaking in Canada and by anspicious harvest conditions in this country, all grain values smashed downward today. Wheat, res and oats outdid the season's low-price records, wheat coming within %c of touching a dollar-per-bushel level. Contributing to dollar-per-bushel level. Contributing to the weakness of grain was selling as cribed to stock market houses and resulting from recent declines in prices for securities and for commodities as well.

Closing quotations on wheat were nervous at 14.5-8c rally from the day's bottom quotations, but 1 7-8-21/4c under yesterdays finish. Corn closed 3-8-1c down, cats 3-8-1c off, and provisions unchanged to a setback of 7c. Except for one atrong rally after downturns at the one strong rally after downturns at the
