Valsetz Road Is Being Improved

Sure we know it gets monotonous—the grind of the daily three. Summertime brings a dragged-out, don't care feeling, and we need any touch of diversion or bit of artistry we can find to put joy into the business of cookery.
Electric table appliances lend such a touch. The electric waffle iron is the pride of the culinary queen. Again the selection is wide. You may have your waffles large or small, square, round, oblong or three cornered! Waffles—is there any better way to a man's heart?
"A bowl of batter, syrup jug and thou,
Across the table, with waffle iron between;
Beside that—Omar's song of wine and loaf of bread
Is wilderness—yea—dessert—sister now."
Did you know that biscuits, cornbread, shortcake and gingerbread, omelettes, Oh my, no end of things may be waffle-ized? Try it.
And at this time—to tempt jaded appetites.
Frozen Fruit Salad
2 cups mixed fruit.
1/2 cup mayonnaise, or cooked dressing.
3 tablespoons powdered sugar.
2 tablespoons lemon juice.
2 tablespoons cold water.
1 cup whipped cream.
1 teaspoon salt.
1 teaspoon gelatine.

Add the stiffly beaten cream to the mayonnaise. Fold in the fruit cut in small pieces and the sugar, salt and lemon juice.
