Lovely Weddings In University Circles

A wedding which came as surprise to many friends was that Miss Dorothy Pemberton, daughter of Rev. George P. Pemberton of Hood River to Gurnee Flesher, son of Mr. and Mrs. Allen Flesher, Wednesday, June 18. at the Asbury Methodist church in Hood River. Rev. Dark was assisted in reading the ceremony by the bride's father, Rev. George

P. Pemberton. The bride was attended by Miss Helen Copple of Hood River in a gown of apple green crepe, and Miss Helen Pemberton, sister of the bride, in a gown of shell pink. The dresses were long, tight fitting bodices, with flowers of tulle at the hemline. They each carried sheaths of white orange blosscms. Harold Pemberton was the

best man. The bride was gowned in an allover ecru lace gown made in Princess style, very long with full circular skirt, deep cut neckline and puffed sleeves. She wore a long train veil which fell from a hand embroidered handkerchief of finest linen sent many years age to the late Sarah T. Pemberton, mother of the bride as a gift from the Philippines, and which was circled with orange blossoms. A white prayer book, from which hung rosebuds on white satin ribbons, was carried by the bride. This book was an heirloom belonging to Mrs. Flora Young Copple.

Music preceding the ceremony was a group of solos sung by Mrs. Almount Ferguson of Hood River, "At Dawning" and "I Love You Truly," She was accompanied by Mrs. Harold Hagen, of Hood River. Hans Horlein played softly as the wedding party took its place. The lights of the church were dimmed so that the wedding party stood in the light of two tall tapers behind which were allhouetted a basket of snapdragons, spray and canterberry bells in pastel shades.

Mr. and Mrs. Claude Copple entertained with a reception immediately following the wedding. After the reception a wedding trip was taken most of which was spent at Lost Lake. The summer will be spent at the University of Oregon summer school. Both the bride and groom have attended Willamette university. Mr. Flesher graduated and Mrs. Flesher plans to graduate from Willamette university this year.

The second lovely wedding in university circles was that of Miss Evelyn Hartung, daughter of Mrs. Ernest Gilbert, who became the bride of Clive Zeller, son of Mrs. John Zeller, in the presence of 100 guests, in the lovely garden of the Delta Phi Sorority.

Rev. Henry Young of Juneau. Alaska, uncle of the bride, assisted by Rev. Fred C. Taylor, read the wedding service in front of altar of lattice decorated with pink roses banked with palms and ferns. Pink tapers were used in the tall candelabras. Preceeding the ceremony Miss Lillian Scott mang "Oh Promise Me" and "At Dawning," accompanied by Miss Helene Price who also played the wedding march.

The bride, who was given away in marriage by her mother, was attractive in a wedding gown of white satin with embroidered tulle veil arranged in Grecian style, and caught with orange blossoms. She carried a shower bouquet of pink rosebuds and sweet peas. Miss Peatrice Hartung, maid of honor wore a lovely gown of green georgette and carried an arm bouquette of pink carnations. The bridesmaids were Miss Betty-Mae Hartung, gowned in orchid georgette, Miss Bertha Babcock in pink McCain-Booth Vows in yellow georgette. All three Are Plighted maids carried sweetpeas and wore

HOME TREATMENT **GUARANTEED RESULTS**

Everyone knows that piles and nemorrhoids are caused by swollen,

hemorrhoids are caused by swollen, dilated, veins, but until the new method of internally treating piles was perfected nothing seemingly would relieve except an operation. Now, thanks to the chemists of today, piles and hemorrhoids should soon be a thing of the past.

Only a person who has suffered long and terribly with piles can imagine how glorious it is to be free of such troubles, yet it can be done now. The chemists said—"Why can't we put a coating on a pill that when swallowed will not dissolve until it reaches the bowels? Then let it melt into a healing, soothing, pain banishing liquid that will help nature banish all signs of the trouble. Research resulted in the making of Colae Pile Pills and tests in thousands of Pills and tests in thousands of cases prove it almost infallible. As

THIS IS THE HOT-POINT HI-SPEED CALROD UNIT that saves time in surface cooking.

Cut Your Cooking Time with the Hotpoint Hi-Speed Unit

O YOU realize how fast modern electric cookery is? Come in and see the newly improved 1930 electric range that cooks quicker than any type of stove.

The electric range of today is as great an improvement over the early types as the first ones were over old-fashioned stoves that had to be fed coal and wood.

The new HOTPOINT ELECTRIC RANGE not only cuts cooking time . . . it cuts cooking costs and insures finer foods. Electrically cooked foods show practically no

shrinkage because there is no evaporation. All the savory juices are retained, insuring richer flavor . . . requiring no basting.

Best of all, you can prepare your dinner at any time you wish, place it in the oven, set the electric timer and temperature control : : : leave home and return at dinner time to find a perfectly cooked meal : : : and such a meal! 20,000 electric ranges are in use in our vicin-

ity. They cost approximately \$2.84 a month to operate. Order yours before June 30th and take advantage of the special terms.
