## MISSIONARY WOMEN MEET

### Christian Church Societies Accomplish Much in Year

FURNER, July 3.—The Women's missionary society of the Christian churches of Oregon held its annual session here Wednesday afternoon, opening with devotions led by Mrs. Loretta May of Salem.

Following this was the annual address of the president, Mrs. Thomas Bailey of Eugene, in which was given much inspiration as well as thought to the many accomplishments.

An earnest plea was made for the better support of the missionary work.

Superintendent of Young People's society, Mrs. R. M. Day, of Eugene, reported that she and Mrs. Bailey had visited 46 cities and had found much encouragement along the lines of work. One of the discouraging features was lack of consecrated leadership.

The report of the secretary, Mrs. B. P. Shoemaker of Salem, showed much work had been done. The treasurer Miss Anna Nissen reported the financial part as well taken care of and with nearly \$300 in the treasury. Then the year's books were closed.

A group of young people under the direction of Mrs. R. M. Day, formed a "Worker's Pageant" first conducting the memorial service. A solo "Only Remember" was given by the daughter of the son of Eugene. The list of the names of deceased members of the missionary society was read.

The names of former missionaries were read and those present were introduced from the rostrum.

The parents of missionaries were recognized as were other near relatives. Three missionaries home on furlough were introduced: Miss Gertrude Shoemaker, her chosen field is Africa, her home is in Salem; Elmer and Patricia Boyer whose work is also in Africa; and Miss Edith Eberle whose mission field is in the Philippine Islands. A poem, "Our Task" was given and a solo "Speed Away" by Miss Uldine Gates of Idaho. National officers present were Edith Everly, Mrs. R. M. Day and George A. Miller.

Missionary address was given by Miss Gertrude Shoemaker. She brought greetings from her African friends and said she was indeed glad to be home and that her heart and interests were in both continents. She first told of their new school of "Higher Learning" which was established five years ago and why the need for such an institution. There are six states in the present time in Central Africa. The first missionary work was done 50 years ago. Native leaders are trained through this added education and are taking some of the responsibility in teaching and preaching and helping with the work generally. Students there are taught that disease is not caused by evil spirits but there is a great and good spirit that will help them do right. The old testament has not been translated very long. The schools do not work for the women, who are backward and are not expected to take their places with the men socially or in an educational way.

Mrs. Day mentioned the prayer chapel that is being built by the women of the church, in connection with the new Christian church temple under construction in Washington, D. C. Miss Edith Eberle gave a few reminiscences of her work in the Philippine Islands. There has been but scant teachings of the Bible. The first missionaries to do real work went in 1892. Bibles are appreciated by the people, but few have them, she said.

New officers are Mrs. Thomas Bailey, president; Mrs. R. M. Day, young people's superintendent; Mrs. B. P. Shoemaker, secretary; Miss Anna Nissen, treasurer. The installation of officers and prayer here by Rev. George A. Miller.

## Seed of the Spiritual Birth

Week's Sermonette

By C. LEWIS ROUNDS (Pastor Emmanuel Full Gospel Church)

Every man, woman and child looks forward with pride and joy to the birthday, the greatest event in life. Everything of importance dates from the first birthday that is natural, for without the birth, all would come to naught.

Just so in the spiritual: Jesus said in John 3:5: "Except a man be born (of water and of spirit) he cannot enter the kingdom of God. For an individual to be born but once is a terrible calamity. There are many who are born, a place of rest and rest and to enter into that all must be born again; no excuse will answer on the judgment day, John, the Baptist, said.

Now also the axe is laid unto the root of the trees." To be born again is to become a member of the body of Christ, which the Bible calls the church.

There are some stern facts which we will face some day, in the natural none join the Father's family; to become a member of the family each is born into the family, and to become a member of our heavenly Father's family none join, but are born into the body by coming into vital union with Jesus, and are made "members of his body, of his flesh and of his bones." Ephesians 5:30. This comes through obedience to the word, the Bible and the operation of the Spirit of God.

Dear Reader, are you a member of the body?

## CAUTION URGED FOR SWIMMERS

### Water not Safe for Bathing Unless Drinkable, too, Is Warning

Apparent extended visit of warm weather, with its attendant urge for the swimming pool, makes the current bulletin from the state board of health particularly timely. "Swimming is unquestionably one of the most delightful and healthful of exercises and should be encouraged in every way," says the bulletin, but adding that the problems of where to swim should be given careful consideration.

The Willamette river below Cottage Grove for the greater part is polluted which makes swimming unsafe there, and in other waters frequented by bathers there is some danger. The health board offers the following suggestions helpful in determining the probable safety of a swimming place:

Always remember that a water is not safe to swim in unless it is safe to drink.

Don't place confidence in the appearance of the water. A water may look perfectly clear and still be grossly polluted.

Pay particular attention to the location of the lake or stream and its drainage. What are the possibilities of pollution from cottages? Are there streams running into the body of water in which you intend to swim, and if so do they contain water of known purity or may they be polluted by drainage from the territory through which they run? In addition to having safe water, the swimmer should safeguard himself to a number of other points.

Never go into deep water far from shore unless a good swimmer or boat accompanies you. A severe cramp will drown the very best swimmer.

Do not go in bathing until one hour and a half, preferably two hours, after eating.

If over-heated, cool off gradually before entering the water.

Never dive into water without first determining its depth and the possible presence of rocks or other obstructions.

Do not over-expose yourself to the sun. Take only a few minutes at a time in the sun until after you have developed a protective coat of tan.

## HONOR WAR TIME ENEMY

Scout Walter Schloss, of Troop One of Finishing, L. I., presenting the American and the Boy Scout flag to Count Felix von Luckner, famous war raider, on board the Mopelia. On the right of the Count is Charles G. Bob, the millionaire who made the gift of the flag. The Mopelia will sail with 60 sons of millionaires on a world cruise.

## HALL ORGANIZES FINANCE COMPANY

Senator Charles Hall of Marshfield, who was one of the contenders in the recent republican primaries, is re-entering business in Marshfield. Mr. Hall has been active in industrial promotion, having operated in the telephone field and in the chain banking field. The Marshfield News has the following to say about Hall's new promotion:

"Incorporation papers have just been issued at Salem to the Western Discount corporation, with offices at Marshfield and Portland, and capitalized at 30,000 shares all told. Of this 20,000 will be common of no par value, and 10,000 will be six percent preferred value at \$25.

"The central figure in the new venture is Senator Charles Hall, and those known to be interested with him include A. G. Peterson, a Portland capitalist, Dr. Dean Osborn of Marshfield, G. O. Muhle, certified public accountant, and Keith E. Hall, a recent graduate of the University of Oregon, where he specialized in the study of business administration. A meeting of the incorporators for the election of directors will be held sometime next week.

"It is the intention of the new company to assist small timber concerns and industries generally to market their product and meet financial requirements without too much delay."

## ELLIOTT BROTHERS IN BIG CHURCHES

Two former local boys, sons of Rev. Carl H. Elliott who was at one time minister of the Presbyterian church here, are now both occupying high positions in New York churches, according to word received here by Joseph E. Albert. They are John Elliott, who has just been ordained to the ministry, and Rev. Phillip Parker Elliott, co-pastor of the First Presbyterian church in New York.

John attended the grade schools here and Phillip finished high school here in 1918. Both are graduates of the University of Michigan, John, whose ordination sermon was preached by his brother Phillip at Oak Hill, Ohio, where their father is pastor, will be associate minister of the Central Presbyterian church in New York City after September 1.

JEFFERSON, July 4.—Rev. D. George Cole, pastor of the local Methodist church, received re-appointment to the charge for another year, at the session of the Oregon conference, which convened at Astoria last week.

## STATE WARDS HAVE ENJOYABLE FOURTH

Yesterday was a great day for the 80 inmates of the state industrial school for girls—thanks to Mrs. Clara Patterson, superintendent. The day started off with flag raising ceremonies, after which the girls were allowed the freedom of the tennis courts, and baseball grounds and the lawns.

At noon a bounteous luncheon was served under the large shade trees at the rear of the institution. Among the guests at the dinner were Secretary of State and Mrs. Hal E. Hoss.

Following the dinner there was a program of sports, including races, baseball game and other events. Dancing and tennis court followed until night. At six o'clock the girls were treated to a luncheon, with ice cream, candy and other trimmings.

Mrs. Patterson provided prizes for the winners of the athletic events. The potato race and cracker eating contest especially were entertaining.

At the state penitentiary the Fourth of July program included a boxing card, followed by a baseball game between two picked teams. A special dinner was served at noon.

The holiday also was observed at other state institutions.
