**EGG PRICES ADVANCE TWO CENTS**  
Advance in Wholesale Price of Milk Is Encouraging  
Marked encouragement was manifested by farmers and those who are in touch with the farm situation in the Salem district on Tuesday, following the rise in price for milk which was agreed upon Monday evening.  
"The greatest encouragement the farmers have had in months" was the way one man characterized the price advance.  
Milk producers have been operating at a loss for some time and the present raise although not great will be a great aid to all producers in the Salem milk shed.  
The new price of \$2.50 per hundred for four percent grade B milk is to become effective July 18. At the same time the retail price will advance to 12 cents.
