

HUSTON SHOWDOWN LIKELY THURSDAY

WASHINGTON, July 9.—(AP)—A showdown at Thursday's meeting of party officers on the status of Claudius Huston as chairman of the republican national committee is predicted in republican circles.

Mutual friends of Huston and the disgruntled republicans on Capitol Hill were busy tonight in a round of councils while some believed Huston would retire after the meeting others were not so sure and there were rumors of a move to oust him.

Fuel was added to the day's discussion by the publication in Rutland, Vt., of a statement attributed to Earle Kinsley, national committeeman for that state, that President Hoover had asked him to become acting chairman of the national committee.

The White House issued the following statement:
"The president has had no communication with Mr. Kinsley whatsoever."

HERRICK'S PARDON ASKED OF HOOVER

WALLACE, Idaho, July 9.—(AP)—Friends of W. H. Herrick, former mayor of Wallace and Shoshone assessor, convicted in the recent Wallace liquor con-

spiracy trial at Couer d'Alene, today began circulating petitions for presidential pardon, which would carry with it restoration of citizenship.

As a result of recent action by the Wallace board of trade in passing resolutions offering sympathy to the convicted officials and pledging neighborly assistance to their families, it is expected several thousand signatures will be obtained in a county-wide canvas being organized.

BEARDSLEY'S PLANE BURNED AT CHICAGO

KEIZER, July 9.—(Special)—One of the 31 airplanes destroyed in a fire which swept the Chicago municipal airport recently, was the ship belonging to Elmer Beardsley, brother of Arthur Beardsley of Keizer, the local man has been informed in a letter from Elmer, who has been engaged in aviation in the east.

Elmer Beardsley was formerly a resident here, parents of the brothers having only recently moved to Klamath Falls. Elmer was planning to pilot his ship to Oregon along with a number of others in an extended tour this summer. He still plans to make the trip with a new plane.

FOUR ARE DROWNED
GREEN BAY, Wis., July 8.—(AP)—Four lives were lost tonight when a motorboat carrying 12 children and adults celebrating a birthday party foundered and sank off Point Comfort, 18 miles north of here in Lake Michigan.

'SUPES' ARE HIRED FOR BANK ROBBERY

LOS ANGELES, July 9.—(AP)—"Supes" who once carried spears for tank-time repertoire companies now furnish atmosphere for a Los Angeles bank robbery with a flair for showmanship.

Accompanied by five men recruited at an employment bureau, a robber calmly held up the First National bank of Artesia Tuesday and escaped with \$750 while his unsuspecting assistants "stood guard."

"I have a gun on you, five men with me and three outside," read a note handed A. T. Frampton, cashier, by the robber. "Hand me all the money you have. My men will stay here for half an hour after I leave."

Frampton handed over the money and the robber drove away in a large sedan. The five "accomplices" more or less stage-shy, stood first on one foot, then

the other, until police arrived.

"He hired us to work on a ranch," said the leader, "and told us to follow him to the bank where he would get payroll money. We didn't know it was a hold-up." The "supes" were released.

Life Saved, He Seeks Damages From the City

TULSA, Okla., July 9.—(AP)—Tulsa city commissioners are studying the case of Albert Guy.

Guy, according to records of the municipal swimming pool, was saved from drowning last week by a life guard. Today, Guy's attorney presented a bill for \$30. The claim lists \$15 as due from the city because he was permitted to be almost drowned. The other \$15 is claimed as a result of a bruise Guy claims to have received on his head when the life guard dropped him after dragging him from the pool.
