## Large Reception Is Outstanding Event

The W. T. Rigdon home on North Summer street was the background for one of the outstanding social affairs of the month Wednesday night between the hours of 8 and 10 o'clock, at which time no less than 200 friends and members of the First Methodist church of Salem called to greet Rev. and Mrs. P. C. Taylor as a farewell gesture before the departure of the Taylors for Portland where they will make their future home.

The reception Wednesday night marked the commemoration of five years of work in Salem during which time Rev. Taylor has been pastor of the First Methodist church. He goes Friday to take up his new pastorate of the Rose City Park church in Portland.

Opening the door to the guests Wednesday night was Miss Elizabeth Jane Herrick. During the first hour Mrs. J. Knuts and Mrs. E. B. Millard directed the guests to the receiving line, and Mrs. W. M. Pennington and Mrs. Paul H. Acton greeted the second hour.

Introducing to the line was Mrs. W. C. Young, and heading the line were Mr. and Mrs. W. T. Rigdon, and the Rev. and Mrs. P. C. Taylor, Mr. and Mrs. W. C. Winslow, Mr. and Mrs. Ralph Glover, and Mr. and Mrs. A. A. Lee.

The receiving line stood in the front drawing room of the Rigdon home. Here, as in the second drawing room, was arranged a gorgeous riot of color in summer flowers placed in bowls, baskets, and smaller groupings.

Assisting about the drawing rooms were Mrs. F. A. Legge, Mrs. Helen Southwick, Mrs. H. H. Vandervoort, Mrs. D. H. Mosher, Mrs. Thomas Holman, Mrs. E. E. Gilbert, Mrs. L. L. McAdams, Mrs. A. T. Woolpert and Mrs. B. E. Sisson directed the guests to the dining room.

The dining room was decorated in pastel shades of pink, lavender, and blue flowers, and many candles in the same pastel shades and held in large candelabra.

Here Miss Elsie Miller poured the first hour, and the second hour Mrs. A. A. Siewert and Mrs. B. E. Herrick were assisted in the dining room and in serving by a bevy of young maids in soft, pastel frocks.

A program of music was given by Miss Grace Elizabeth Smith, Ronald Craven, Miss Eugenia Savage, Miss Elizabeth Bauman, and Miss Jeanette Scott. Miss Alma Folio had charge of the program arrangements.

The reception proved to be one of the most delightful affairs of the year for the church members and the many friends who called to greet Dr. and Mrs. Taylor.

### Prevent Vases From Scratching Furniture

Very often the bottom of a vase will scratch the table or furniture on which you place it. You can prevent this easily: Cut a piece of felt, or even blotting paper, slightly smaller than the bottom of your vase. Glue it to the vase. This will prevent all scratching.

## WATCH CHILDREN'S APPETITES DURING SUMMER MONTHS

Loss of Appetite Can Be Prevented by Improving Flavor of Diet

Mothers are often confronted by the problem of getting their children to eat what is good for them in hot weather. When they notice that this objection to wholesome food results in lassitude and lowered vitality, they are naturally disturbed.

The lack of taste-appeal of the food served, as well as the heat, is often the cause of poor appetites. The cereal may be tasteless; the fruit juice or stewed fruit too sharp; the vegetables uninviting in flavor.

By adding a dash of sugar to these foods they will be much improved in flavor. Doctors and dietitians approve this use of sugar, because it makes many foods which are rich in vitamins, minerals and roughage more enjoyable.

A dash of sugar to a pinch of salt is a popular way to season string beans, spinach, carrots, cabbage, peas and other vegetables as they cook. And raw vegetables used in salads are much more palatable when served with a dressing in which such a combination of sugar and salt is used. Most foods are more delicious with sugar.
