**THE AGE OF WEALTH**

"Already ye are filled, already ye are become rich." 1 Corinthians IV:7.

Ours is a wealth economy. All our thinking is permeated with the wealth idea. In this age we have concentrated on extraction of wealth from mother earth to the neglect of those phases of living which once were prized more highly.

Among the Hebrews religion was the principal attraction. Men might languish in poverty but if they attained distinction as prophets or priests they were numbered among the great. In Rome the choice career was that of a soldier or statesman. The state
