

MR. AND MRS. FRY HAVE LOVELY HOME

Roberts People Take Great
Delight in Place; Excel
As Poultrymen

ROBERTS, July 16.—Mr. and Mrs. James Fry are not only successful poultry managers but they are great lovers of flowers and grow them in abundance. Their yard at present is a bower of beauty and attracts those passing on the highway.

They have a border of alternating Shasta daisies and colorful pansies which is a delight to the eye. One particularly artistic sight is an arch over which pink rambling roses and blue clematis are trailing. Masses of other lovely flowers in borders and against a background of

Grange Talks Ways to Have Fine Vacation

NORTH HOWELL, July 16.—The regular meeting of North Howell Grange was held Friday evening in the hall.

After the business meeting, the lecture hour was devoted to roll call on the subject of vacations. Many interesting variations of when, where, and how to spend your vacation were listened to and after the luncheon hour the young people enjoyed music and a half hour of dancing.

A native Alaska Indian, John Fredman, was graduated from the University of the South this year.

FEDERATED CHURCH GROUP PLANS WORK

Pastor and Laymen at Hubbard Join at Regular Federation Gathering

HUBBARD, Ore., July 16.—Plans for the year's work of the Federated churches of Hubbard were made at the regular meeting of the executive board of the federation Monday. Present at the meeting were Rev. Glenn Hartog, pastor of the Federation churches of Hubbard, Stuart Johnson, John Claypool, Mrs. George Deffen, Mrs. Waldo F. Brown, Mrs. Neva McKee and Mrs. George Dinkel.

A group from Hubbard enjoyed a picnic dinner at Colvin's camp Sunday. The group included: Mrs. Vera Bofe, and children Marie and Gordon; Mr. and Mrs. W. S. McKinnis and daughter, Tressa; Mr. and Mrs. L. A. Beckman and children, Muriel, Joan, and Robert; Mrs. Neva McKee and daughter, Marion; and little Evelyn Johnson, daughter of Mr. and Mrs. Stuart Johnson. Mr. and Mrs. George Miller and children of Medford are guests at the homes of relatives

and friends in Hubbard. The Miller family formerly resided here. Mr. Miller is a son of Bruce Miller.

Mrs. W. S. McKinnis and small daughter, Tressa, returned Saturday from Roseburg where they had gone to attend a family reunion at the home of Mrs. McKinnis' parents, Mr. and Mrs. V. Bonds.

John Claypool and son Roy have returned from eastern Oregon. They expected to find work in the harvest fields there but combines are being used extensively and fewer men are needed.

Grain Ripening Fast in Spring Valley District

SPRING VALLEY, July 16.—Mrs. Walter Borg and her small daughter Dolores, of Clatskanie, motored here for the week and to visit relatives here and attend the community picnic Sunday. Mrs. Borg and Dolores were guests of Mrs. Frank Matthews while in this vicinity.

Mr. and Mrs. Fred McKinnis and family spent Sunday evening with Mr. and Mrs. D. B. Wallace of Bala.

All farmers in this neighborhood are very busy now, haying. Hay seems to be a very good crop this year. Fall sown grain is ripening fast during these warm days. The cherry harvest is about closed now and loganberries are nearly finished in most cases, although quite a lot can still be picked. The Stratton hay baling crew plans to start operating early next week. Lawrence Wilson and son Elmer of Welpe, Idaho, who have

spent the summer months here, plan to leave this week for Portland where they expect to get work during harvest.

Mr. and Mrs. Maynard Cochran's new home which they are building on their tract is fast nearing completion. When finished their home will be very attractive, located as it is on the banks of a small stream. Mrs. Cochran's father, W. J. Pruitt is doing the carpenter work.

Mr. and Mrs. Hugh Craig, who recently moved to their ranch here from Avalon, Catalina Islands, are improving their home by adding

new porches and a basement. They are experiencing some trouble striking water, however, as the drill breaks off points when drilling through rock for a well near the home.

NEWLYWEDS RETURN
AURORA, July 16.—Mr. and Mrs. Stanley Pallette, who were married at Canby June 27, have moved into the Diana Snyder house. The Pallettes took a trip to Crater Lake and Oregon Caves before coming to Aurora where Pallette has charge of a local oil company plant.

STAYTON TO HAVE TALKIE PICTURES

STAYTON, July 16.—Stayton is going talkie—such is the announcement of Edwin Kech, owner and manager of Stayton theatre. Vitaphone equipment will be installed and the first sound picture will be shown the last of this week. A new projecting machine, particularly adapted to the reproduction of sound pictures will be installed and other improvements will be made.

New carpets and seats will be placed, the interior redecorated and the building otherwise remodelled.
