Enjoyable Picnic Held at Lyons Sunday

Another of a series of picnics was enjoyed Sunday, July 20, in a beautiful grove at the country home of Mr. and Mrs. A. L. Cornforth near Lyons, Oregon, and all guests voted they were indeed delightful and gracious hosts.

An added feature of this happy affair was the celebration of the birthdays of three of the ladies, Mrs. Della Clearwater, Mrs. Hattie B. Cameron and Mrs. Carrie Fuestman, each of whom were the recipients of many beautiful and useful gifts, a prettily decorated and delicious birthday cake for each, and the good wishes of all present for their happiness.

Ideal weather, a perfect day, added to the pleasure of all, and at the appointed hour a bounteous array of delightful food was served and enjoyed under the cool shade of the trees, after which reminiscences were exchanged, since most of this group had formerly lived in the state of Iowa.

Members of the group sponsoring this series of picnics present at the appointed hour Sunday were: Mr. and Mrs. J. M. Forrest, Mr. and Mrs. Leonard Lickel, Mr. and Mrs. J. E. Barker, Mr. and Mrs. F. Cornforth, the hostess, and children, Robert and Donald.

Colorful designs printed on light or dark grounds are further enhanced by the white vestee, which is daintily trimmed with tiny colored buttons. Mayor T. A. Livesley "Turns on Water"

Hilabee Country club was a scene of much interest and sport Sunday when "guest day" was observed with considerable ceremony. Over 200 members and friends gathered primarily to celebrate the inauguration of the newly completed water system. Foster Cone, one of the assistants in charge, befittingly introduced Mayor T. A. Livesley who "officially turned on the water" and "started the balls rolling."

The morning had passed all too quickly when the lunch bell rang and the sportsmen were called to the club house where cool and refreshing "cats" were served by Mrs. Foster Cone, chairman of the ladies committee and her able assistants, Mrs. Brazier C. Small, Mrs. John Farrar, Mrs. C. N. Needham and Mrs. Wm. G. Stacey.

The musical part of the luncheon program was cleverly handled by "Chuck" Bier, in true radio fashion who "announced" the numbers order, naming a vocal solo by Miss Lucille Cummings, vocal and instrumental numbers by the Misses Vivian and Helen Benner and several brief talks by local golfers.

Tournaments and contests made up the afternoon's entertainment which brought in some interesting results. Mrs. Brazier Small was the heroine for enthusiastic players were still on the course at nightfall, and "called it a day" only when it was too dark to see the little white petter.

Why Fool Yourself?

Why make yourself believe that a coil of your furnace gives you hot water free of cost? A furnace coil, by actual test, under average conditions, uses \$2.61 a month of ten dollar coal. The heat which the coil and water absorb is lost for househeating purposes.

Moreover, you want hot water more in warm weather than in winter. A Gas waterheater is the solution.

But, you say, you paid out good money for the coil! Well, we want you to let us install a Storage Waterheater, so you will enjoy the comfort of piping hot water day and night and to make this possible, will allow you this week—

\$10.00 for Your Coil or Old Tankheater

(Provided it is yours bona fide and in use in your home) as first payment on a No-cost Storage Waterheater.
