WALDO HILLS ROADS TO BE IMPROVED

WALDO HILLS, July 23—Work started Thursday noon on the Silverton-Sublimity road. The crew began work at the Waldo Hills Community Club house at which point the hill is being leveled. From there to the K. O. Rue farm the road will be widened with a few places to be lowered. From the Rue place a new road will be built to meet the old road halfway down the Comstock hill. Work of moving the old covered bridge over Drift Creek was begun Monday. A new concrete bridge will replace this old landmark. The completion of this stretch of road will bring much more through traffic from California for already people have found it a saving in mileage when going to Portland. Work of laying paving is progressing nicely from the Frank Albright corner south to meet the paving built out from Sublimity, a piece four miles in length. Mr. and Mrs. O. K. Silbo enjoyed a few days at the Oregon beaches. Ralph Severson of Silverton is staying with the son, Ralph Wendel, while they are away. A nine pound son was born July 14 to Mr. and Mrs. Harvey Kuenzi. Mr. Kuenzi has charge of one crew working on the new road. Mrs. Lena Schmidt arrived last week from Cienfuegos, Illinois, for an extended visit at the home of her brother, E. Kellershale. Ted Finley was down from camp over the weekend. He had to be sure the little daughter Norma was alright after her experience taking sleeping powders. Helen Blumenshine of Portland spent Sunday with her friend, Dorothy Neuwander. Mr. and Mrs. Sidney Little and baby of San Diego, Cal., were Sunday guests at the A. A. Geer home. The Littles are spending a few weeks with his parents in Eugene and motored up to visit Geer's and Mrs. Little's grandparents, who are spending the summer at Geers. Miss Myrtle Moore of Portland who is a sister of Mrs. Geer was also here for the weekend.

Diagnosing Your Own Case
"Self diagnosis would be funny if it were not so serious. You have probably met folks who could read a patent medicine almanac and find themselves afflicted with every disease known to humanity. "But it is just as dangerous to make any kind of self diagnosis. It calls for all the skill and knowledge of a physician to determine the cause of illness. How, then, can the average person hope to recognize and treat any illness? Call the Doctor! Get His Prescription!"
"Then, to be assured that the medicine will act up to its highest efficiency, let us fill your prescription."
