Golden Wedding Is Brilliant Event Sunday

Rickey—An event of more than ordinary interest to the old timers in this and neighboring communities was the golden wedding anniversary celebration given for Mr. and Mrs. L. H. Lewis at their home near Lyons Sunday by their children.

Relatives and old friends from distant parts and near were present. At noon a long table was spread under the shade of the trees in the yard that had been decorated with greenery and golden colored flowers to represent a spacious dining room. Around the table over 50 relatives and close friends gathered.

The afternoon was spent recalling old times and greetings from friends who called to wish the couple many more years of happiness. Among the beautiful presents received by Mr. and Mrs. Lewis was a golden colored bed spread presented by members of the Lyons community.

The wedding cake was a golden cake baked by Mrs. Amos Vass of Salem, a sister of Mr. Lewis, decorated with paper dolls dressed to represent the bride and groom. The faces of the dolls were pictures of Mr. and Mrs. Lewis cut from tintypes taken about 50 years ago. The face of the flower girl was a picture of Miss Lois Trask, the oldest granddaughter of Mr. and Mrs. Lewis.

Mr. Lewis was born in Missouri and Mrs. Lewis in Iowa. They were married in Kansas. They came to Salem from Glasco, Kansas, in 1889 and have lived in Marion county the greater part of this time. They spent several years in this community.

History Section Makes Pilgrimage

A tour long anticipated by members of the history section of the Salem Arts League was the week-end pilgrimage made to various historical spots of interest along the Oregon coast between Wheeler and Astoria.

The party of 19 motored over to Cannon beach where they spent the night at hotel. In the evening a history class led by R. J. Hendricks was conducted at the hotel and a study was made of the beaches visited during the day, including the interesting call at the sight of the beeswax ship sinking of years ago. Music and a bonfire on the beach added much joy to the Saturday night festivities.

Sunday morning the group motored on to Seaside, Ft. Clatsop, Ft. Stevens, and to Astoria the objective of the trip.

At Astoria the Astor monument was visited, which proved a most interesting part of the trip. This pictorial monument tells in illustration the establishment of the city. Later in the evening on a platform just below the monument and in sight most of the historical spots in which is was interested the group held a second history discussion class and enjoyed the advantage of locating in the distance most of the places being discussed.

The party returned home Sunday evening after only one accident which demolished the car of R. J. Hendricks, but which did not stop any of the party from continuing the trip.

Those making the pilgrimage were Mr. and Mrs. John Clifford, Mr. and Mrs. R. J. Hendricks, Mr. and Mrs. C. J. Kurth, Mr. and Mrs. B. H. Van Trump, Mr. and Mrs. Corpestein of Phoenix, Arizona; Mrs. Howard, Mrs. Carrie Roland, Miss Grace Gilliam, Miss Ellen Hodson, Mrs. Robert Paulus, Mrs. W. F. Fargo, Mrs. Blanche Jones, Mrs. Waters, and Miss Julia Webster.

Members of the Hazel Green missionary society and members of the Englewood church missionary society of Salem, will join in an all day picnic to be held in the wood of the Orville Luckey home Thursday. Both organizations will contribute to the program which will follow the picnic dinner.

Sydney—The Talbot Women's club held a no host picnic in the Doty grove on the banks of the Santiam river, Wednesday afternoon. The time was spent swimming and general conversation. About 35 guests were present. A dainty summer lunch was served at five o'clock.

Silverton—Mrs. Irma LaRiche left Friday for Edmonton, Alberta, Canada, where she will spend several weeks visiting relatives and friends. Mrs. LaRiche is the district health nurse with headquarters at Silverton. No clinics will be held at Silverton during the month of August.

Turner—Miss Julia Meyer of Corvallis, and Theo B. Langele of Albany were married Thursday morning at the Methodist church parsonage by Rev. W. S. Burgoyne. After a short wedding trip Mr. and Mrs. Meyer will be at home in Albany.

Neighborhood Play Wins Attention

An interesting venture into the field of stagecraft was the play "The Stolen Prince" given under the direction of Mrs. Dorothy McDowell and in which a group of her neighborhood children formed the cast of 11. The work was done as vacation play work.

The play was produced as a garden event in the McDowell garden at 7:30 o'clock Monday evening. Japanese lanterns gave an added charm to the interesting work of the youthful actors and actresses. A group of parents and friends made up the audience.

Those taking part were Glenn Steusloff, Doris Schunke, Florence Foster, Prudence Foster, William Foster, Oren McDowell, Elizabeth Lewis, Arlynn Thratt, Perry Thratt, Francis Doolittle, and George Bowen.

Special attention is called to the all day picnic which is being sponsored by the members of the Salem W. C. T. U. today at the fairgrounds. A basket dinner will be enjoyed at noon. Coffee, sugar and cream will be furnished the guests. All W. C. T. U. orders of the city are especially requested to be present. Interesting program features have been arranged.

Mrs. R. C. Shepard of Zena will be hostess to members of the Spring Valley missionary society at her home Wednesday afternoon. Mrs. Charles Purvine and Mrs. T. J. Merrick will be the assisting hostesses.

Miss Lela Fox of the state-accredited Commission staff returned Saturday from two weeks vacation spent with friends in Tacoma and Seattle.

Patriotic Orders Plan Thursday Meeting

The Marion County Veterans association will meet for its summer session at Silverton Thursday at 10 o'clock in the Knights of Pythias hall. There will be a potluck dinner at noon and a program will be given which is to be furnished by the Silverton organizations.

The most important business will be the election of officers for the coming year. Another business as well will be brought before the organization. All patriotic organizations of the county will be represented.

This is the second of the three yearly meetings. One is held at Woodburn in the spring, one at Silverton in the summer and the fall meeting will be held in Salem.

Among these organizations which will go is the Salem Woman's Relief Corps. This organization has already made preparations for chartering a bus for the occasion. It will be necessary for at least 18 members to go in order to receive reduced rates so it is being urged that all those that can go make reservations with Mrs. Bertha Loveland, telephone, 2251, at his earliest convenience. The bus will leave the Senator hotel at 9:30 o'clock.

Aumsville Pioneer Folk to Meet

The Aumsville Pioneer association will hold their tenth annual homecoming in Swank grove at Aumsville, Oregon, Sunday, August 10. There will be a basket dinner and an old time reunion.

This meeting has been held for the purpose of renewing old acquaintances, but the old timers are becoming few in numbers and the remaining few invite every one who can to come and spend the day with them.

Mill City.—Complimenting Miss Florence Nystrom whose birth day was Thursday, a dinner was given in her honor at the home of her parents, Mr. and Mrs. Peter Nystrom of Niagara, Thursday evening with places marked for 30 guests. The table was set on the beautiful lawn which surrounds the Nystrom home. An attractively decorated birthday cake formed the centerpiece of the artistically decorated table with vases of flowers completing the decorative scheme.

Following the dinner conversation and music were diversions for several hours. The music, which was furnished by Mrs. Myrtle Knutson, Miss Winifred Stone and Miss Ruby Nystrom at the piano and Richard Nystrom on the accordion was of special interest as each of those taking part are accomplished musicians.

Mr. and Mrs. David Adolph are off for a motor trip of two weeks during which they will visit Victoria and Vancouver, B. C.

Doerfler Clan Organizes Sunday

Sunday the descendants of Martin and Theresa Doerfler gathered for their first reunion at the home of James Doerfler, Sr., in the Waldo Hills.

Wesley, Joseph, Martin and Mary Doerfler were born near Falkenberg in province of German Bohemia, Austria, and came to the United States with their parents in 1887, settling at Appleton, Wis., until 1877, when the family moved to Oregon, where Joseph and Martin, the only surviving members, still reside. Crossing the Atlantic a year later and joining the family in America came three orphaned nephews, one surviving now, J. A. Doerfler, of Marion, Oregon.

Woodard, of Sheridan, Wyoming, held a no-host picnic supper in her honor Friday evening, in the attractive gardens of the Cherrington home on Court street. Those participating were members of the local tent of Daughters of Union Veterans of the Civil war, with which Mrs. Woodard recently became affiliated. Plans of Woman's Club Near Completion

Plans are under way for the new work of the Salem Woman's club for this year. It is expected that a meeting will be held this week sometime at which will be completed the program for the coming year. Nearly all committees have completed arrangements, committee members have been chosen and work otherwise is very nearly outlined.

Committee heads not announced in the spring but which have since been appointed are Mrs. S. M. Endicott, who will act as chairman of the institutions department; Mrs. J. C. Nelson, head of the educational committee; Mrs. C. C. Clark, head of the American citizenship committee.

The project for the year is not yet determined but will no doubt be decided upon at the next committee meeting. Several have been suggested to take the place of the two just completed, that of the Doerbecker hospital fund which has been paid for in Salem's quota is concerned, and completion of paying for the clubhouse.

The program committee which will be called together for final arrangements for the year are Mrs. Walter Pennington, Mrs. Harry Weidmer, Mrs. W. E. Feldman, and Mrs. N. D. Elliott. Mrs. David Wright is president of the Salem Woman's club.

for ANY CHILD

WE can never be sure just what makes a child restless, but the remedy can always be the same. Good old Castoria! There's comfort in every drop of this pure vegetable preparation, and not the slightest harm in its frequent use. As often as your child has a fretful spell, is feverish, or cries and can't sleep, let Castoria soothe and quiet him. Sometimes it's a touch of colic. Sometimes constipation. Or diarrhea—a condition that should always be checked without delay. Just keep Castoria handy, and give it promptly. Relief will follow very promptly; if it doesn't, you should call a physician.
