CHICAGO GRAIN

CHICAGO, Aug. 11—(AP)—Sensationally pessimistic unofficial field advices turned corn values upward late today despite good rains in drought territory and notwithstanding widespread relief from abnormal heat.

Wheat values sympathized to some extent with the renewal of corn price advances, but fell back again at the finish, dominated by general and correct belief that the government crop report due after the close would make a bearish exhibit as to wheat. Besides, export demand today for wheat from North America appeared to be at a standstill, and the United States visible supply total showed a fresh increase of 10,307,000 bushels.

Closing quotations on corn were firm 3-8-1 1-8c a bushel higher than Saturday's finish. Wheat closed unsteady at 1 7-8-2 5-8c net oss, with oats ¼-1c off.

CHICAGO GRAIN

CHICAGO, Aug. 12—(AP).—Rapidity of action by the corn market today fulfilled everything expected, but took the form of 5 cent break in prices rather htan 5 cent jump.

A big rush of buying which had been looked for as a result of the government report confirming drought losses of 600,000,000 to 700,000,000 bushels in the corn crop during the last month was met by eleventh hour profit taking on a huge scale. The result was to force a 5 cent tumble in corn values after a maximum advance of 3 cents.

Late rallies in the corn market failed to bring about a recovery to yesterday's finish and the close was unsteady, ¾-1¼ cents net lower. Wheat, depressed both by the United States and Canadian government crop estimates, closed nervous at 2¼-2 7-8 cents net decline, with oats ⅛-5-8 cents off.

WHEAT TREND YET BEARISH

Butterfat and Eggs Hold Steady; Lemon Price Advance Expected

Wheat continued its downward trend yesterday, dropping two cents on both white and red to new prices of 79 and 76 cents, respectively. Butterfat and eggs held the same level.

Although lemons are up 50 cents in California, no word has come yet to boost the prices here. Melons are down. First cantaloupes from Yakima are on the market here this week. Blackberries are coming in, as are also the first pickling onions.

HOP PICKING WILL START NEXT WEEK

Romeo Gouley will probably be the first hop grower to start picking this season, Gouley having stated that some fuggles will be taken from the yards next week. Most of the fuggle picking will be under way about August 20, although the acreage of the young hops is small in this vicinity.

The picking of the early clusters of hops is scheduled to start about August 25. Slow development of hops has been noticed this year. At the Mitoma ranch near Independence many undeveloped clusters are to be found next to better developed speciments.

Picking of the late clusters will start Labor Day, September 1.

Huckleberries Few But Great Time Had, Trip

WOODBURN, Aug. 12 — A group of would-be huckleberry pickers motored to Government camp on the Mt. Hood loop highway Sunday. Although huckleberries were very scarce a wonderful time was enjoyed. A bountiful picnic dinner was eaten at Arrah-Wannah park.

In the party were Mr. and Mrs. H. C. Groves and son Jack and Mr. and Mrs. F. W. Covey, Dorothy and Don, all of Woodburn, and Mr. and Mrs. A. J. Keller and children of Portland.
