RICHES RECOVERING FROM ACCIDENT

WALDO HILLS, Aug. 19 — Latest reports from Ted Riches are favorable. Ted, who is employed in the retail yard of the Silver Falls Timber company in Silverton, suffered a broken nose last Friday afternoon when a bundle of lumber fell from a pile, striking him in the face. A second operation was performed Saturday morning. He is at the Silverton hospital.

Eunice Watts, who formerly lived in this neighborhood, but now lives on the Bethany road, was the guest Sunday and Monday of Ethel and Edith Knight.

Lena and Della Kellerhals entertained a group of young friends at a swimming party and weiner roast one evening at the Drift Creek picnic grounds.

Mrs. Edson Comstock and daughter, Janet spent the first part of the week in Silverton as the guest of Mrs. S. J. Comstock. While there she enjoyed a visit with her cousin, Mrs. E. W. Jines of Seattle who is on her way to her home from her wheat ranch in eastern Oregon. Mrs. Jones says the crop was quite satisfactory but the heat was terrific.

Asa Herrick and his son, Lester, of Prosser, Wn., are guests this week of Mr. Herrick's brother, L. R. Herrick.

A. R. Finley who for the past two months has been working in Jefferson is again at the Fred Knight home. He returned Sunday.

Janet Comstock had as her guests Tuesday, Mary, Alfred and Betty Morley of Silverton.

Mrs. P. J. Neuswanger received word Monday from Mr. and Mrs. Ten Finley that they, together with Mr. Finley's sister and brother-in-law, Mr. and Mrs. Lorin Le Fevre, whom they are visiting, are camping at Glacier park, Montana and having a delightful time. They did not say when they would return.

The steam digger was moved to the Silverton-Sublimity road job Wednesday, but so far has not been used. It is said they have struck so much rock that other work must be done in preparation. Work on the road south of Drift creek is progressing nicely and the road in good condition.

CHICAGO GRAIN

CHICAGO, Aug. 20—(AP)—Corn led an upward flight of grain values today.

Authoritative estimates that United States wheat, oats, rye and barley supplies this season lumped together with corn were 435,000,000 bu. short of the actual disappearance of these grains last season did much to bring about the soaring of prices.

It was also pointed out there have been immense losses in potatoes and other root crops as well as sorghums, and forage and that wheat and rye were approximately 50c under prices of a year ago with corn and oats ten cents under.

Closing quotations on corn were unsettled, 2c to 2 7-8c a bushel higher than yesterday's finish. Wheat closed firm, 1½ to 2c up, oats 1¼ to 1½c advanced.

Wallace Farm Crop of Pears To Set Record

The heaviest crop of pears ever harvested in the Wallace orchard is predicted this year by Paul Wallace, owner. "We'll sell our crop to the cooperative here and be content with the price," Wallace commented.

"I've heard of some sales at $20 a ton. That is too low. It costs more than that to raise pears. Four to six dollars a ton is spent for picking alone."
