

# Helmick State Park Undergoes Many Improvements

## LIONS SPONSOR PARK WORK

### Tourists and Natives Enjoy Advantages of State Playground

MONMOUTH, Aug. 22.—Local folk and many summer tourists have commended favorably upon the splendid initial improvement made this season in Helmick state park, as result of an activity program sponsored by Monmouth's Lions club in which representatives of the state highway department concurred. New tables, out-of-door stoves and iron benches have added much to the comfort and convenience of picnic groups, as have improved lavatories and swimming accommodations.

Never does a pleasant evening pass without some informal gathering of family or fraternal groups in the park; and it is not unusual to observe friends from several different nearby sections utilizing the park as a meeting place for a picnic on Sundays and for evening meals.

Clearing of incidental trash and stray underbrush has done much to lighten the impression of greater park area, and to afford a restful expanse of unobstructed view.

Local Lions, with their families, have enjoyed the park as a meeting place on several occasions during the summer, and so popular has the motor jaunt become that Dr. A. S. Jensen, club president, has taken the suggestion of arrangement of a scenic loop around Monmouth featuring Flashback Hill, an old landmark, from which a very unusual view of adjacent scenery may be obtained. From this eminence the lights in the dome of the capitol building at Salem are plainly visible.

## HITCH HIKERS EAT BY ENTERTAINING

JEFFERSON, Aug. 22.—What seemed to be a unique way in getting across the country and seeing the sights appealed to two young men, one whose home is in Louisiana, the other from New York; started on a trip from coast to coast. They are hiking, only when some one is kind enough to give them a ride.

They arrived at the terminal in Jefferson Thursday afternoon, and attracted quite an audience by their singing and playing. One of the boys is a graduate in music and capable of entertaining an audience in any city, and in that way their earnings are meagre. They were fortunate in securing a ride to Albany from where they will continue their hike to Los Angeles, where they will spend the remainder of this year, and expect to get to New York, their destination some time next summer.

## SCHOOL FOR PROHIBITION WORKERS TO OPEN

WASHINGTON, Aug. 22.—(AP)—The prohibition bureau's plan for teaching its agents the approved methods of enforcing the dry laws is almost ready to be put into operation.

Twenty-four specially selected operatives—two from each administrative district—will gather here on September 2, and, after a fortnight's training, will return to their own localities to instruct the rank and file of the enforcement personnel.

H. M. Dengler, who combines the qualifications of experience in education work and in dry law administration, has been selected to take charge of the school. He will be assisted by Webster Spates, an attorney long on the staff of the bureau.

Methods of investigation, knowledge of the law and instruction in methods of teaching are to be the essential subjects of the curriculum.

## TOUR OF NORTH MUCH ENJOYED

### Geo. Knight Family of Hubbard Has Pleasant Trip Through Washington

HUBBARD, Aug. 22.—Mr. and Mrs. George Knight, daughters, Miss Helen and Miss Anna, and son, Charles, have returned from a three days' trip to Seattle where they were guests at the home of Mr. Knight's sister, Mrs. William Grant and family.

While on the trip the Knight family visited the navy yards in Bremerton. The trip on the Seattle ferry was spoken of as being both exciting and interesting to the young folk as it was their first ride on a boat. At the navy yards they had the pleasure of visiting the battle ship California, flag ship of the Pacific fleet.

Fred Parsons, Jr., a former employee of the Hubbard lumber yard, is a radio operator on the battleship and the Knight family were his guests on board the ship which is being overhauled at the dock. While at the navy yards they saw the new battleship, Louisville, which will be launched Labor day and they also learned that the keel of another battleship, the Astoria, will be laid the same day.

Navy Yard Seen  
Mr. Knight was told at the navy yards that 4000 men are employed there and that at times an additional 1000 men are employed. The family was delightedly surprised when they recognized Bert de Lespinasse, nephew of Dr. A. F. de Lespinasse of Hubbard. Bert, who is employed at the navy yards, is a former student of the Hubbard high school, and he and the Knight family enjoyed talking over old times.

The Knights saw the cruising party leave the Seattle dock for the two weeks' trip to Alaska. Included in the party were Miss Merle Dimick, daughter of Mr. and Mrs. George Dimick, and Miss Henrietta Wolfer, daughter of George Wolfer, both of Hubbard, also Miss Florence Beardsley, well known by Hubbard folk since she often is a guest at Mrs. Wolfer's home here.

Mr. Knight, representative of the Crown flour mills, reported for duty Monday, having enjoyed a two-weeks' vacation with his family. Mrs. Knight, Miss Helen, Miss Anna and Charles, went as far as Albany with Mr. Knight as he was returning to his salesman territory in southern Oregon. His territory extends as far south as Dunsmuir, Cal., east to Klamath Falls, west to Healdland, a small mountain settlement 50 miles from Grants Pass, and north to Glendale.

At Albany the family visited with Mrs. Knight's sister, Mrs. Martha Whitney.

## WEST SALEM NEWS

WEST SALEM, Aug. 22.—A new fruit stand is much in evidence at the west end of the late county bridge. It is the Schindler-Imah stand, operated by Schindler brothers of Mountain View, and is just north of the repair shop of the Lewis service station. The salesman at the stand states that a certain line of chain groceries has purchased thousands of bushels of peaches which so reduced the local surplus and cleared up the situation that the growers may feel assured of a fair price. On the other hand the price is not exorbitant for the consumer. Schindler brothers have charge of and market the fruit from the peach orchards of the James Imah and Mose Adams farms on Wallace road in addition to the peaches from their own orchard on the Orchard Heights road.

David Lee writes home to his party leave the Seattle dock for the two weeks' trip to Alaska. Included in the party were Miss Merle Dimick, daughter of Mr. and Mrs. George Dimick, and Miss Henrietta Wolfer, daughter of George Wolfer, both of Hubbard, also Miss Florence Beardsley, well known by Hubbard folk since she often is a guest at Mrs. Wolfer's home here.

## BAND CONCERT HAS EXCITING CLIMAX

HUBBARD, Aug. 22.—A commotion took place following practice of the Hubbard Community band Wednesday evening when it was learned that the car belonging to Ralph Hulbert had disappeared. Band boys in cars searched the town.

Dr. A. F. de Lespinasse, band leader, started out to investigate. He ran out of gasoline and as he was walking past the school house on his way to Playmore park to get gas he noticed two men. Upon inquiry it was learned that the two men, speed cops, had found the car in an unsecured lot south of the school building.

The ignition had been left on and the battery was dead, so the doctor towed it to his home where he kept it overnight for Mr. Hulbert.

Mrs. Dale Lemon and family and Mrs. J. M. Fisher, in company with Mrs. Eugene Krebs of Kingwood, are at the Titus hop yard near Independence where they will remain during the baby hop season.

Cannell filled the pulpit at the West Salem church Sunday evening and came again to Salem Tuesday, where he conducted the funeral services of the late D. C. Sebern.
