

Sarazen Well Out in Front in Western Open Golf Tourney

Speedy Long Beach Lads Run Riot Over Enderlin Team to Win 14 to 1 Tilt

BRILLIANT 69 MADE FRIDAY

Mediocre Crowd 2 Strokes Behind Indicates Gene Will Win Title

INDIANWOOD CLUB, Iron, Mich., Aug. 22.—(AP)—Gene Sarazen is out in front of another golf championship parade.

The stocky Italian professional from New York today bounded two strokes ahead of a dead-lock field in the drive for the western open golf championship with a par-defeating 142 strokes for the first 36 holes of the 72-hole stretch over the Indianwood club course.

Tied for fifth place at the end of yesterday's initial 18-hole round with a 73, the former national open champion flashed over the championship course with a pretty 69 today that sent him ahead of the field and labelled him as the one man to beat in the 36-hole final tomorrow.

Long Shot Crew Tied For Second Deadlocked for second place, two strokes behind Sarazen tonight, were five golfers of the long shot variety who were not expected to cause him much trouble in the final sprint for the title tomorrow.

Chicago professional whose 69 topped the field yesterday; Chris Brinke, Detroit amateur and former Kentucky amateur champion who shot a record-equaling 67 for the best round of the day; Emerick Koozin, young Detroit professional; Bob Shavner, Cleveland, Ohio professional, and the veteran Al Watrous of Detroit whose war clubs haven't done much since he finished runner-up to Bobby Jones in the British open four years ago.

All of the favorites, with the only notable exception of the defending champion, Tommy Armour of Detroit, placed within striking distance of the lead today. The black Scot fell far behind the leaders yesterday with a 78, six shots over par, and didn't do much better today by committing a 71 to his 74 of yesterday, a 75 for a 153 total, 11 strokes behind Sarazen and just three strokes away from the qualifying lead line of 156 which let 73 remain in the field for tomorrow's play.

Dark Horses Close to Lead Tied for third place with a pair of 145 at the end of the first 36 holes tonight were another pair of dark horses, Johnny Watson, South Bend, Ind., professional, with cards of 73-72, and Laurie Aytton of Evanston, Ill., who added a 71 to his 74 of yesterday.

The rest of the leaders, for the most part were figures well known in the world of golf. Desnomore Shute of Columbus, O., and Abe Espinosa of Chicago, 1928 champion, had 146's; Horton Smith and "Wild Bill" Mehlhorn of New York, Ed Dudley of Wilmington, Del., and Charles Kocsis of Detroit, Michigan, state amateur champion, trailed with 174's. Walter Hagen also came back to land among the leaders. The "Hag," almost out with a bad 77 yesterday, scored a par 72 today, for a 149.

Johnny Farrell, New York professional, landed near the danger line by getting a 77 today for a 151 total.

COLD CASH WINNER AS CIRCUIT CLOSES

HARTFORD, Conn., Aug. 22.—(AP)—Cold Cash, Blue Ridge stable colt, romped away with the big stake in the final day's program of grand circuit racing at the Charter Oak track today, when, with Walter Brettenfeldt driving he captured the three year old trot for a purse of \$1,500 in straight heats.

Bob Galloway, owned by W. N. Reynolds, of Winston Salem, N. C., scored a brilliant victory in the 2:14 trot.

Harry Brusie brought Day Tide, owned by the Rainbow club of Hartford, into first money in the 2:22 class trot with two first places and one third, and reined Peter McGowan, from his own stable, to victory in the special trot.

AUSTRALIANS WIN CRICKET 'ASHES'

LONDON, Aug. 22.—(AP)—A group of fighting Australians walked off with the "ashes" of British cricket again today, winning by an inning and 39 runs the last of a series of five test matches at the Kennington oval.

Play in the final match began late Saturday. England scored 405 in her first innings while Australia scored to 695. There was no play yesterday because of rain, and in her second innings today England added only 251 to her previous score of 405, thus losing the match. Of the previous matches England and Australia took one each and tied in the other two.

CURT COMMENTS

Let, some day, we should make a grievous error in this column and feel blue about it, we're going to post this clipping in our scrapbook: "Old Billy Sullivan, famous White Sox catcher of 5 years ago now with the Salem Senators, will be in charge of the Salem team when the boys come down for the regular game of the Willamette Valley league. Stritwater, the regular manager, is with the Silverton Juniors on their trip."

That's by "High Climber" in the Eugene Guard. From the same sport page we glean the information that Mervin Brackman and Wildcat Pete are in some sort of argument over a boat for the world's junior middleweight wrestling belt which Pete seems to have in his possession now. Like a telephone conversation on the stage, we hear only one end, but apparently Mervin is baiting Pete because he won't wrestle and Pete retorts that he's on a vacation. Nothing is said of the equestrian injuries recently reported to have been suffered by Pete, but he does accuse Mervin of wanting a grab stake to go harpooning with his bear and attempting to dig it out of Pete's drawing power.

Yes, sir, you got to read the papers if you want to keep abreast of the times. Like, for instance, the "artistic" and "artistic" and our home town contempt. That was big news so they put it in letters an inch high.

More complete information on Thursday's unpleasantness at Colorado Springs indicates that the Silverton boys were more out of luck than anything else. They tied Long Beach in hits and made only half as many errors—we know that Thursday night. But Silverton also had 2 men on bases to Long Beach's five. And with the sacks inebricated in the ninth, right when a hit would have done the most good, Schwab hit one that would have been good for extra bases ordinarily, but for the error of the named Solersen nailed it with one hand after a long run and jump, and the side was out instead of two or three runs in.

Hibbard got four of Silverton's nine. Schwab struck out ten batsmen and Long Beach's two pitchers equaled that between them.

Some guys are born lucky. Just imagine Luke Gill taking a foul ball tonight out to practice on the beach at Walkiki. Wonder if he could keep his eye on the ball under those circumstances?

HOLLYWOOD STAYS AHEAD OF ANGELS

OAKLAND, Aug. 22.—(AP)—Hollywood smacked the Oaks here tonight 13 to 3 by pounding the offerings of three Oakland batters for 13 hits. The defeat was charged to Jim Edwards who allowed four runs in the opening inning. Frank Shellenback was hit hard by the Oaks but he always tightened in the pinches. Another overflow crowd witnessed the game, making ground rules necessary.

TENNIS FINALS SLATED TODAY

Betty Nuthall of England Favored to Win From Mrs. Anna Harper

By ALAN GOULD FOREST HILLS, N. Y., Aug. 22.—(AP)—Blond and blue-eyed Betty Nuthall, England's darling of tennis courts, will make her second bid for the American women's championship tomorrow. The 21-year-old British girl enters the final round favored to beat Mrs. Anna Harper, of San Francisco, fifth ranking American player, and carry to England for the first time the title forfeited by Helen Wills Moody, winner of six of the last seven tournaments.

Miss Nuthall furnished the only thrill of the semi-finals today by overcoming the spirited, hard-hitting opposition of the youthful American, Marjorie Morrill of Dedham, Mass., to win in three sets, 6-8, 6-4, 6-2.

Baroness From Rome Defeated Mrs. Harper, a left-hander, swept through the other semi-final match easily at the expense of the baroness, Mand Rosenbaum Levi of Rome, Italy. The California woman won by scores of 6-2, 6-3, easily outstriking the former Chicago as she came from behind in each set to run out six straight games.

As a result, it will be California against England for the fourth time in the last six years of tournament competitions for the American women's crown. In 1925, 1927 and 1929 Miss Wills repulsed in succession the challenges of Kitty McKane, Betty Nuthall and Phoebe Watson.

COWBOY, EDDIE WINS

CHICAGO, Aug. 22.—(AP)—Cowboy Eddie Anderson, Wyoming lightweight, finished fast tonight to gain a 10 round decision over Danny Delmont of Chicago. Delmont won the first five rounds but Anderson floored him in the sixth and again in the ninth, along with piling up margins in the other remaining rounds.

CUBS REGAIN LEAD OF 3 OVER GIANTS

CHICAGO, Aug. 22.—(AP)—The Cubs regained their three game lead over the New York Giants today and removed New York's hope of gaining first place in the current "crucial" series by winning the second game, 12 to 4. The Cubs scored five runs in the first inning and five more in the eighth, when Hartnett hit a home run with the bases full.

Reds Win Again

CINCINNATI, Aug. 22.—(AP)—The Reds made it three straight over the Brooklyn Robins, winning today's game, 4 to 1. Larry Benton had the better of Dazzy Vance in a pitching battle. Two Brooklyn errors aided in scoring Cincinnati's last two runs.

TILDEN MEETS ALLISON TODAY

Hunter Defaults to Bill, Then Both Advance to Doubles Finals

NEWPORT, R. I., Aug. 22.—(AP)—With the national tennis championships just around the corner, Big Bill Tilden, who has dominated the American game for the past decade or so, today advanced into the two championship rounds of the important Newport Casino invitation tournament.

He gained the title round of the singles play through the default of his doubles partner, Frank Hunter of New Rochelle, N. Y. Both, however, gained the last round of the doubles play with an impressive straight set victory over Jack Tidball and Gerald Bartosh, two steady California youngsters. The scores were 6-1, 6-3, 6-3.

Wilmer Allison of Austin, Texas, won the right to meet Tilden in the singles final by defeating George M. Lott Jr., of Chicago 3-6, 6-3, 7-5, 6-3, in the upper half semi-final.

Sore Arm Given A Default Cause Hunter complained of a sore arm and explained that he withdrew from the semi-final round with Tilden to escape exertions that might be harmful to their chances in next week's national doubles play at Brookline, Mass., as well as their team play in the current tournament.

A few minutes after the announcement of Hunter's default, he appeared on another court to play mixed doubles with Mrs. C. Oliver O'Connell of Newport against Miss Rose Davis, Newport, and H. L. Johnson, Boston. Mrs. O'Connell and Hunter were victorious in straight sets 6-4, 6-2.

The keenest of the semi-finals was the doubles match put on by Wilbur Coen, Jr., Kansas City, and Harrison Coggeshall, Des Moines, to become finalists in defeating Berkeley Bell, Austin, Texas, and Gregory Mangin, Newark, N. J., the third seeded combination 6-4, 6-4, 6-3.

H. Crampton, Dayton, and Don Casey, Toledo, and later won the 25 target shoot-off. Each had cracked 57 out of a possible 100 targets.

Uncle Sam Stricken Pink

By HARDIN BURNLEY

HAR HAR! I HAVE TO LAUGH AT THE LICKING WE GAVE OLD JOHN BULL THIS SUMMER--BOBBY JONES AND YOUNG-STRIBLING JUST ABOUT RUINED HIM! LOOK OUT, UNCLE! UNCLE SAM. SPORT BUG.

NOW that Phil Scott is just getting the resin dust out of his system after being fastened pronto by "Young" Stribling and our own Bobby Jones is Britain's choice as the world's best golfer, John Bull must feel as low as the stock market (of his last name) ever since last October. His boxing hopes are sunk—lower than even the lowest of Jack Sharkey's low punches! His links prospects are somewhat better, though Jones and a dozen other American stars completely eclipse those whose forefathers founded golf.

But—strike me purple, pink or with a pie!—John Bull's historic pluck is still conspicuous. Indeed, there are two events in the immediate offing which British sportsmen would rather win than any other competitive classic, save the international golf championships. Those much desired prizes are the Lipton Cup and the Anglo-American polo trophy.

Judging from the form shown by Eric Pedley and others, the American polo team will prove another great outfit. John Bull's Hurlingham stars may achieve a miracle but—after the Westbury polo and yacht classics, John Bull should have more grief to add to his boxing and golfing thoughts. The old boy may have some cause for joy if the pick of the Empire's athletes whip America's team in the international games at Chicago next week. Even there, we "blooms" Yanks" ought to put another good-natured twist in the British lion's tail, eh what?

If John Bull wins any one of those events, what a wallop it'll be for Uncle Sam! At that, the sport bug would not weep if the good Sir "Tom" finally won his Lipton Cup—what he ar' cher—!
