B. and P. W. Club To Hold State

Mrs. Madalene L. Callin of Salem has been asked to be the speaker at the first district meeting of the fall season for the Oregon Federation of Business and Professional Women's clubs.

Dinner

This meeting will be held at Pendleton, September 21, and the executive board of the state federation will meet at the same time, for its first official meeting of the new club year. Jane E Olsen, past president of the Pendieton club heads the committee on arrangements for the meeting and Martha Gasch, state president of the Oregon federation will preside at the executive board meet-

According to present plans this will be one of the most unique meetings in the history of the state group. The custom in the past has been to have the district meetings on Saturday night but Pendleton has issued the invitation for the usual district dinner to be replaced by a district luncheon which will be held Sunday noon, September 21. This arrangement is by way of an experiment and is being tried in the hope that business women who work late Saturday night will be enabled to attend the meeting.

Representatives from most of the clubs in the state are expected to be present at Pendleton as well as guests from other éastern Oregon towns where new clubs are in prospect.
