Report is Given of Federation Meet

Dallas—New appointments of department chairmen of the state federation have been announced by the president, Mrs. Charles N. Bilyeu. Mrs. Zelma Rodenwald, home management specialist of Oregon state college will be head of the American Home department and Mrs. J. Kurzenacker of Portland, for the Oregon products committee. Mrs. Carl Larsen of Marshfield is the fourth member of the resolutions and revisions committee of which Mrs. Ida B. Callahan is chairman.

At the executive board meeting held in Portland, September 2, the president was authorized to appoint an executive committee to confer with her when necessary on federation matters, this committee is composed of Mrs. W. F. Fargo, Salem, Mrs. Charles Castner, Portland; Mrs. L. C. Palmer, Newberg; Mrs. Charles E. Wells, Hillsboro, and the president. The board will present a recommendation to the next state convention, that the Doernbecher hospital and endowment funds be made permanent boards, similar to the scholarship loan fund.

A budget plan was adopted allowing definite sums to each department for their activities, in addition to their allowance for postage and stationery. Details of this will be printed in the next issue of the Club Woman. It was also decided to allow \$20 this year to each of the five districts, to be used by them in financing their administrative expense, in stitutes, speakers, or whatever their need might be.

The proposition of the publishers of the state magazine was accepted by the board. They will attend to all soliciting of advertising, printing, collecting, etc., under the supervision of a committee, who will perhaps be composed of the state chairman of press and publicity, still to be selected, and some one to collect the subscriptions from the club members, these will be responsible to the board, instead of printing a year book, which only comes into the hands of two club members, the president and secretary, an annual edition of the magazine will be printed, containing all of the convention reports, club directory, etc., so that every club woman who receives the magazine will be informed on the work of the federation.

With the creation of the districts, the policy will be followed as closely as possible of having the president attend the district meetings and institutes, at which time clubs in that district, who wish a personal visit from the president may make arrangements for a schedule in order that a return trip will not be required into that section, this in order to conserve both time and money.

Following the board meeting, Mrs. Bilyeu attended a three-days' session of the Idaho federation held at Hayden lake, at which the national president, Mrs. Sippel was a guest.

Thursday of this week, Mrs. Bilyeu will be the speaker at the Mainomah Woman's club, on "The Value of District Federation." Friday she will attend a meeting in Portland with the publishers of the club magazine in regard to policies, etc. She will be the luncheon guest of Mrs. G. L. Boland that day.

Silverton—Mrs. M. C. Gundersen, Mrs. Elmer Olsen and Mrs. Otto Legard were hostesses at luncheon Sunday for Trinity Young People's society which gathered immediately after the morning services. At the business meeting the society members voted to hold a social sometime in the near future, selecting Miss Peggy Goplerud to serve as chairman of the committee of arrangements. A fair similar to the one which proved so successful last year, was suggested.

Numbers of the afternoon program included vocal solos by Esther Towe and Frances Nelson accompanied by Peggy Goplerud and Mrs. Alf O. Nelson. Reading by Alice Jensen, a violin solo by Oscar Setrum with Miss Towe as accompanist and a talk by the Rev. H. L. Foss.

Mr. and Mrs. T. S. Mackenzie had as their recent guests, Dr. and Mrs. A. N. Pearson and Jean and Vivian Pearson of Kelso, Washington, and Mrs. Laura Heckert of Eugene, Oregon.

Silver Wedding Celebration Beautiful

Tapers in a pastel shade of green and held by crystal holders shed a glow over the dinner table. A lovely wedding cake appropriately decorated for the event was placed before Mrs. Darby and formed the last note of beauty for the attractive table.

AMERICAN BEAUTY ABROAD

Miss Dorothy Dell Gof, "Miss America 1930," with her mother, and members of the American Embassy at Rio de Janeiro, Brazil. Miss Dell Gof will compete in the International Beauty Contest, in which will be chosen "Miss Universe."

Accompanying the rainfall was an electrical storm which for a short time interrupted service at Silverton, Woodburn, Mt. Angel and Gervais.

When lightning struck a high tension line between Salem and Estacada Sunday night, an electrical display was noted at the local substation. The current arched over a "jumper" and grounded on the steel frame of a lead-in tower. Little damage was done and current was not cut off as two auxiliary feeders were used to supply current here.

Restless CHILDREN

CHILDREN will fret, often for no apparent reason. But there's always Castoria! Harmless as the recipe on the wrapper; mild and bland as its taste. But its gentle action soothes a youngster more surely than a more powerful medicine.

That's the beauty of this special children's remedy! It may be given the tiniest infant—as often as there is need. In cases of colic, diarrhea or similar disturbance, it is invaluable. A coated tongue calls for just a few drops to ward off constipation; so does any suggestion of bad breath. Whenever children don't eat well, don't rest well, or have any little upset—this pure vegetable preparation is usually all that's needed.
