CIRCULATING HEATERS

\$81.35 Cash

\$5 down and balance in 12 monthly payments.

Every advantage of the circulating type heater, yet this model is designed as a coal or wood-burning heater. Circulates clean, healthful warm air to every corner of the home. As handsome as fine furniture with a beautiful grained walnut porcelain enamel finish on all four sides and top. Almost indestructible finish—will not burn off. An economical, comfortable and fashionable way to heat the smaller home with wood or coal as fuel.

OUR LOWEST PRICED CIRCULATOR—\$40 QUALITY

Graceful and attractive with grained walnut porcelain enameled finish, rivaling the beauty and colorings of the natural wood from which it gets its graining. And this marvelous finish is almost indestructible—will not burn off and is as easy to clean as a china dish. The quality of the material, as well as the careful skilled workmanship, is equal in every way to our more costly heaters.
