

Turner Public Schools add Another Bus to Carry Pupils

SCHOOLS BEGIN SEPTEMBER 22

Turner Will Have Many Improvements This Fall Announced

TURNER, Sept. 13.—A new school has been provided as it has been found necessary to put on two buses this year. One will be practically following last year's route going as far south as the store in Marion in accordance with the ruling of the boundary board, which is the same order as that of last year.

School will open September 22, with Prof. J. R. Cox of Albany as principal. In addition to the high school by Mrs. Jean Pearcey of Salem, Kenneth Hickok of Portland and Mrs. Mae Hadley, Turner who will have charge of the new department of domestic science and domestic art which is being provided for this year.

Mrs. Hadley will also have charge of pupils who will enroll for piano lessons.

The grade teachers will be the same as last year. Mrs. Cleora Parks has charge of the seventh and eighth grades, Mrs. Crystal Edwards has the intermediate work and Mrs. Leota Sloan has the primary room.

TURNER FOLK GLAD OF RAIN

Crops Benefited by Rain and Little Damage is Reported

TURNER, Sept. 13.—Farmers are delighted with the fine rain and warm growing weather, already the brown pastures are showing the green; also fall seeding has begun and with the present favorable conditions crops will get a good start this fall and stand a much better chance of getting through the coming winter months in good shape.

The harvest of some of the bean yards has been finished and other yards will be picked over once more. Good weather from now on for a few weeks is needed, especially for the prune harvest which begins this week.

It is also hoped that nothing will interfere with the completion of paving not yet completed, besides other road work which is in progress.

HUBBARD SCHOOLS TO OPEN MONDAY

HUBBARD, September 13.—Miss Frances Hatch, third and fourth grade teacher of the Hubbard school, arrived here Friday and will stay at the home of Mrs. Anna Scholl. Miss Hatch is a graduate of the Oregon State Normal school at Monmouth and comes to Hubbard highly recommended.

School will open Monday September 15. Other members of the faculty include: Supt. J. R. Bidgood; Mrs. Nellie Cornell, commercial department, and Mrs. Adeline Fields, English and French instructor, high school; Prof. E. Rinehart, teacher of grades 7-8; Mrs. Lottie Fry, teacher of grades 5-6 and Mrs. Loren Duncan, teacher of grades 1-2.

R. C. Painter will have charge of the building and grounds. Mrs. C. C. Geer of Salem will teach the piano for credits in the high school and Mrs. Waldo F. Brown will be the leader for the 4-H sewing club.

The school building has been thoroughly cleaned and put in shape for the opening of school. The play shed has been reshined where necessary and new posts have been placed for some of the play apparatus.

BROOKS SCHOOLS TO OPEN SEPTEMBER 29

BROOKS, Sept. 13.—The Brooks public school will open Sept. 29. A new furnace is being installed, and new black-boards are being put in the primary room where needed, and the other black-boards are being re-stated. The cleaning of the entire building is in progress, and also of the school yard. Chris Otto has been re-hired for another year as janitor, this making his third year as janitor.

Mr. Raz is the newly hired principal and Miss Leta Wallace will begin her third year as intermediate teacher and Miss Doris Wood her third year as primary teacher of the Brooks public school.

Unique Display Made at Aurora

AURORA, Sept. 13.—The unique and attractive display in the windows of the Molalla Electric company is creating much interest and comment. To attract attention, an electric light globe is suspended from the ceiling and is struck by a motor driven hammer each time it swings back and forth.

This is one way of showing the rugged construction of the globes of today and the hard treatment they will withstand without injury.

California Champion

Francis Brown of Honolulu, who won the California state amateur at Del Monte, California with a score of 10 and 9. Brown's golf championship when he defeated Fay Coleman of Los Angeles played great form.

NEW RECORD MADE

Two Hills Yield 32 Pounds of Spuds, Claim LABISH CENTER PLACE

LABISH, Sept. 13.—That potatoes grow well at Labish Center well as at Silverton was proved here Thursday when W. F. Klampe went to the family garden to dig a few.

Only two hills were dug and he found that they yielded 32 pounds of potatoes. Four potatoes from the two hills weighed 10 pounds, and the largest one weighed 4 1/2 ounces. They were grown along the edge of the beaver dam land and no fertilizers were used. Neither was any attempt made to get the largest hills in the garden.

VACANT HOUSE AT TURNER BURNS

TURNER, Sept. 13.—About eight o'clock Thursday evening a fire was noticed by near neighbors on the small unoccupied property joining the T. B. Funston farm on the west and joining the railroad. It is known as the Will Moore place.

A few of the nearest neighbors rushed to the fire and found the wood shed, near the house, in flames. They succeeded in pushing the frame of the building over away from the house and put out a few small fires that caught on the house roof.

It is not known how the fire originated. The property has remained vacant for several years and men who travel up and down the railroad often stop there. The acreage at one time was a part of the Funston farm which is a part of the Benjamin Vaughn donation land claim which is situated south of Turner.

Monmouth High To Open Next Week, Is Word

MONMOUTH, Sept. 13.—The Monmouth high school building is being repainted this week preparatory to the opening on September 22. William Nelson is doing the work. The route of the Monmouth school bus will be extended southwest to include an additional road-loop in the Lewisville section, and bring eight more children to attend Monmouth high school and training schools.

Scharr Service Set for Today

SILVERTON, Sept. 13.—Funeral services for Edward Scharr, the three-year-old son of Mr. and Mrs. Edward Scharr, who died at the Immanuel hospital at Eastland early Thursday morning will be held from the Jack and Ekman chapel Sunday afternoon at 2:30 o'clock, with interment at the Silverton cemetery. The funeral services will be held under the auspices of the Christian Science church at Silverton.

DANDY ROADS FOUND, NORTH

Swenson Boys Back From Tour Through Washington; Roads Lauded

MONMOUTH, Sept. 13.—Eric and Irving Swenson returned this week from a motor trip of 1000 miles covering the principal highways and many scenic points in Washington. They followed the North Bank road from Vancouver to Lyle, where they diverged into the Yakima country. Crossing the Columbia at Pasco they stopped in Spokane to visit their aunt, Miss Alice Button, a teacher in the city schools.

Enroute to Seattle via Ellensburg they found the new Snoqualmie Pass highway to be in splendid condition. This road which formerly described figure eights of dizzying contour, is now attaining the super-highway type; the Swenson boys found, with cuts made directly through hills, canyons filled in and rivers even relocated to make a straight road of even grade.

Visit U. of W. Campus

Their stop in Seattle included a visit to the Denny hill regrade; and the University of Washington campus and stadium.

Numerous farmers in this section are posting "No Hunting or Trespass" notices on their premises in an endeavor to preclude accidents to valuable stock. A. H. Cedargreen recently found a fine heifer, dead as a result of a stray shot from a pre-season hunter.

Mable Riddell Surprised

Miss Mable Riddell was pleasantly surprised Thursday afternoon when a group of friends called in honor of her birthday anniversary. Games and seasonal refreshments contributed to the enjoyable affair. Those present were: Mrs. D. R. Riddell, Mrs. George Baun, Mrs. John Fuller, Mrs. D. A. Hoag, Mrs. Adeline Galbreath, Mrs. Edward Gwalchmal, Mrs. William McGrae, and daughters, Kathleen and Margaret and Mrs. W. M. Meeker and daughter Ruth.

STAYTON LEGION ELECTS OFFICERS

STAYTON, Sept. 13.—Joe L. Pounds has been elected the new commander of Stayton Post American Legion. He has always taken an active part in the affairs of the organization, so a lot may be expected from him in his new office. Edwin Forrette, past commander underwent an appendicitis operation and was in serious condition for some time following it, so was unable to devote all the time he wished to the organization.

Other officers elected are: Floyd Fleetwood, Mill City, vice commander; Geo. Duncan, Stayton attorney, re-elected adjutant officer; D. J. Johns, re-elected finance officer; Ben Chamberlain, chaplain; W. V. Adams, historian; Sim F. Etzel, sergeant-at-arms; Tom Tate, Fred Albus, Wm. Bodeker, High Weisman and Paul Pietrok, executive committee men. These officers will be installed at the October meeting.

Rain Slows up Hop Picking

INDEPENDENCE, Sept. 13.—Hop picking has slowed up to some extent owing to the recent rains. A number of families left for their home when the bad weather started and a great many young people have left for their schools.

Picking will last in some of the yards from 10 to 15 days yet and there is room for about 1000 pickers as most of the yards are now short of them.

BOYS AT TURNER HOME ARE BUSY

Bean Crop Harvested and Residence is Improved Recently

TURNER, Sept. 13.—Mr. and Mrs. C. H. Jesse and son Willett and the boys of the "Turner Boys' Home" who have been camping on the farm three miles south of Turner, which belongs to the boys' institute, will move back to the "Home" in Turner the first of the week and get ready for the opening of school which begins the next week.

Some improvement is being made at the home by putting in a new well. The boys have been busy during the summer vacation caring for a good sized garden. They have just finished picking three acres of pole string beans for a Salem canner, and report the yield as very satisfactory. They had irrigation water to use when needed. The boys have assisted Mrs. Jesse during the summer in putting up quantities of vegetables and fruit for the use of their family which will number nearly 25 during the coming year.

ALM'S WINS GRAND PRIZE AT OPENING

SILVERTON, Sept. 13.—The grand prize for windows at Silverton's fall opening went to Alm's Cash and Carry store. First prize went to Starr's Hardware, second to Van-Adda's shop, and third to Legard and Adams. Ames Hardware was given honorable mention.

This, the second fall opening to be held at Silverton, proved a decided success. Early in the evening parking room within several blocks of Main street was at a premium and later in the evening standing room on Main street was almost at a premium.

Mayor Eastman announced from a truck, the baseball game which the Legion juniors will appear in at Silverton Sunday. This will likely be the last game that this group will play in together. The boys will play Mt. Angel, winners of the Cascade league northern division title.

Mayor Eastman also announced that the endurance riders had completed their endurance with 508 hours to their credit. These four boys, Billie Kleek, Billie Gates, Louis Patterson and Eugene Hobart, will each be given a bicycle and a number of winners have also been promised them.

Following the drawing for prizes a free dance was given on the streets.

Heigh, Ho! Days Of old are Back; Archers Prove it!

MONMOUTH, Sept. 13.—Orville White, L. L. Dally and several other Monmouth archers will leave soon on a hunting trip into Curry county near Gold Beach. The hunters will be armed only with the bow and arrow, and as they have chosen a particularly prolific hunting ground they entertain reasonable hopes of bagging big game in the primordial fashion of pursuing that sport.

STAYTON SCHOOLS TO OPEN MONDAY

Five Busses to be Used to Bring Pupils From Neighboring Districts

STAYTON, Sept. 13.—Stayton school will begin Monday, September 15 and the pupils will return to find the building in first class shape. The school board have had several men busy the past month putting in new blackboards, new seats, windows, painting, re-plastering some rooms, washing windows, cleaning floor and otherwise getting the building ready for the school year. A new garage and work shop has been built. This will be in charge of Frank Carter, who will drive one of the school busses and have supervision over the mechanical end of the other four busses.

Bus Schedule Made

The following schedule has been given out for the busses: the west-bound bus will run out on the north and back on the south side of the loop reaching Marion about 8:10 a. m. and stopping enroute for pupils. The eastbound bus may be expected in Lyons by 8:10 running via Fern Ridge, Mehama and Fox Valley and back to Stayton on the pavement. Other Linn county pupils will be transported by the small bus or by private cars.

The northbound bus is expected to reach the foot of the Silver Creek Falls hill at 8 a. m. It is not decided whether the new loop will be used or whether the bus will double back on the old loop. At any rate whatever is the most convenient for the pupils will be adopted. The return will be through Union Hill, the northern side of the Oak Grove district and the Silverton-Salem road. If necessary for the convenience or welfare of the pupils changes will be made in the above schedule.

An Evanston, Ill. man was convicted of indecent exposure for removing his shoes and hose in a bathing beach.

FORMER KEIZER RESIDENT DIES

Mrs. Mary Dornbush Passes Away at home of Daughter in Tacoma

KEIZER, September 13.—Mrs. Mary Dornbush, an old time resident of Keizer, passed away Saturday morning, September 6, at the home of her daughter, Mrs. Rose Adams of Tacoma, Washington.

Mrs. Dornbush went about a month ago to visit her daughter, Mr. and Mrs. C. H. Doner went to Tacoma to attend the funeral, which was held in Piper's funeral parlors and interment was in Tacoma cemetery.

She leaves to mourn their loss eight daughters and five sons: Mrs. Rose Adams, Tacoma, Wash.; Mrs. Charles Doner, Mrs. Wm. Murphy and Wm. Dornbush of Keizer; Mrs. Rosina Peters and Albert Dornbush of Salem; Carl

Dornbush and Mrs. Pauline Pettigrew of Corvallis. Frank Dornbush and Mrs. Mary Bowe, of Alberta, Canada; Mrs. Louisa Fresonke and Mr. C. E. Pryor of New England, North Dakota. One sister, Mrs. Dora Polum of Mt. Angel and one brother, Antone Altman of Minn.sota, also survive. There are also 13 grandchildren and one great grandchild—daughter of Mr. and Mrs. George Van Cleef, Mrs. Van Cleef was formerly Laura Doner.

Mrs. Dornbush was of a very quiet, unassuming nature, a lover of her children and grandchildren. Being a widow for a number of years, she spent a great part of her time visiting among them. She will be missed by many in Keizer.

K. OF C. TO MEET

STAYTON, Sept. 13.—Local Knights of Columbus are looking forward to Tuesday, Sept. 16, when the first of their fall meetings will be held at Sublimity.

State Deputy P. A. Lonegran is expected to be present, as well as other Portland members. A program has been arranged and a banquet will be served. The K. C. council here is the third largest in the state according to membership.
