## Constitution Day Plans are Told By Regent

Mrs. John Orr, regent for the Chemeketa chapter, local chapter of D. A. R., was in Salem Monday making arrangements for part of the local chapter in the observance of "Constitution Day," September 17.

For several years past Chemeketa chapter has presented a speaker as its special contribution to the observance. This year the group has accepted an invitation from the Portland chapter to join them in a tea which will be given at the home of Mrs. Phillip Jackson, Riverwood, just out of Portland. The proceeds of this tea will go to the Champeo memorial which the D. A. R. is erecting at Champeo.

As a special compliment to Constitution day, a broadcast between the hours of 12 and 12:30 o'clock, will be made by Dean Collins. This program was arranged by the D. A. R. through radio chairman, Mrs. James Brockway.

While in Salem Mrs. Orr announced the hostesses who will serve at the state fair D. A. R. booth this fall week. As was done last year members of the various chapters over the state will assist as hostesses, and thus make the booth a state D. A. R. project.

The hostesses are as follows: Monday, Mrs. John Orr, Chemeketa regent, and Mrs. H. Byrd, past regent, and Mrs. C. C. West, from Portland, Mrs. James Walker, Jr., regent of Portland chapter.

Thursday, Mrs. Seymour Jones, Mrs. U. G. Shipley, Miss Lillian Applegate, and Mrs. J. Y. Richardson, regent of Multnomah chapter, Portland.

Friday, Mrs. E. E. Hoffnall, Mrs. Roy Mills, Mrs. A. E. Austin, Mrs. Russell Catlin, and Mrs. Ward Wisecarver, regent and Mrs. E. C. Apperson, past state regent, McMinnville.

Saturday, Mrs. W. D. Johnston, Mrs. Frances Cornell, Mrs. A. A. Underhill, Miss Eva Feree, Miss Ruth Rulifson, Miss Ola Clark, and Mrs. Mark Weatherford, Linn chapter, Corvallis, and Mrs. M. P. Barr, Corvallis. All visitors to the state fair who are members of the D. A. R. over the state, or friends are invited to make the booth headquarters during the time they are at the fair.

## Unitarians Will Honor Rev. and Mrs. Wiel

Rev. and Mrs. Fred Wiel have been the inspiration for several affairs since their recent arrival in Salem where Rev. Wiel has taken the Unitarian church charge. The Wiele spent the summer at their cottage near Bellingham, Washington.

One of the first things to be given by the church will be the formal reception which will welcome Rev. and Mrs. Wiel Friday night in the Emerson room of the church. Friends of the church as well as the church members are invited to come and meet the honor guests.

A special program is being planned for the evening.

Silverton—Mrs. H. Rindem will be hostess to Trinity Mission circle Wednesday afternoon. This society is entirely a charitable society, working for the most part for local needs and charities on the Pacific coast.

## Western Boy Amazes Mother

"J. C. Jr.'s stomach was often upset and he had very little appetite," says Mrs. J. C. Bradley, Mesquite, Dallas County, Texas. "He was feverish and his breath was bad. I found he was constipated."

"My mother always used California Fig Syrup, so I decided to give my boy some. It surely surprised me to see how quickly it stopped his feverishness, cleared his breath and tongue, regulated his bowels; made him a strong and energetic boy again."

The quick, safe way to cleanse and regulate the bowels of bilious, head-achy, constipated children is with California Fig Syrup. Give it at the first sign of bad breath, coated tongue, listlessness or feverishness. Every child loves its rich, fruity flavor and it acts without griping or discomfort. Appetite is increased by its use; digestion is assisted; weak stomach and bowels are given tone and strength.

For fifty years, doctors have endorsed this pure vegetable product. The genuine is always marked by the word California. Look for that when buying or you may get an imitation.

## WHEN EMERGENCIES COME

... then you will appreciate the value of your National Bureau Location Marker

In the silent darkness of night—in the rural lonesomeness of broad daylight—a call for help!

Accident, sickness, death, fire, theft, violence—an unexpected emergency has arisen, requiring immediate assistance. Possibly life is at stake!

Your first thought is of the telephone! What a comforting thing the telephone is at such times—instantly ready to serve you in emergencies.

But—how will you direct the physician, the ambulance driver, the veterinarian, the fire department, the sheriff to your home? Will you waste precious time in giving long, involved directions as to roads and turns to follow... and then spend minutes—perhaps hours—in agonizing uncertainty as to whether or not the person called really understood your directions?

Or, will you simply state your National Bureau Location Marker number—

confident that the help so urgently needed can reach you without delay—definitely and certainly?

Day and night your National Bureau Location Marker stands by the roadside as a beacon to direct the anxiously awaited assistance to your door.

Here is protection—protection to your family, livestock, property—insurance against the terror and worry that accompany emergencies in rural districts, where unmarked homes are difficult to find.

Soon a representative of the National Bureau of Locations and Statistics will call upon you—if you live outside the limits of incorporated cities in Marion or Polk Counties—and explain how you may secure a National Bureau Location Marker which both locates and identifies your property. Arrange then to have your property marked in accordance with this simple, national farm locating system, which makes the farms of each county as easy to find and reach as a home in a city, whose street and house number are known.

Your National Bureau Location Marker will prove its value again and again. In emergencies and as a means of directing friends, or prospective buyers of your produce, to your home, it will render a service many times greater than its very nominal installation cost.

Decide now not to be without this convenience and protection.
